THE REPUBLIC OF IRELAND'S SUPREME COURT IN DUBLIN ...

"The Irish Supreme Court in Dublin on 23 November (2015) ruled that the State had a case to answer in a public interest petition first entered in 2009 on questions on abridgement of citizens' rights in the holding of the second Lisbon Treaty referendum that year following the rejection of the Treaty by the Irish people in 2008."

"Panic has broken out in official circles as the international implications of a ruling against the State on the validity of the Lisbon 2 referendum in the full hearing in three weeks time are profound. If the Irish Treaty referendum is ruled void, the legal basis of the entire EU ceases to exist and the Euro ceases to exist as a legal currency according to legal opinion here."

The two excerpts just above have come from the Global Research Article dated November 24, 2015 at the following www location:

HIGHLY DANGEROUS IMPUNITY DEVELOPMENTS ...

===

May 3, 2012

Russia is watching the highly dangerous IMPUNITY developments in Europe

By William Finnerty

Will "final" really mean "final" on Referendum Day (May 31st 2012)?

===

For most normal people the word "final" means "final": as in "occurring at the end", "concluding", "ultimate", "last", and, "having no possibility for further discussion, action, or change"; but, not so for the corrupt lawyers who are hell-bent on violating and undermining the Republic of Ireland's Constitution in connection with matters such as (for example) the unconstitutional ratification processes of the European Union Nice and Lisbon Treaties (which were both "finally" – and lawfully – REJECTED by the PEOPLE of the Republic of Ireland in 2001 and 2007 respectively): and, which our lawyers, and their political accomplices in the other two main branches of our Government (i.e. Legislative and Executive) succeeded in unlawfully reversing: with complete impunity.

Arrogantly violating our constitution with impunity (in any way they wish more or less), is an extremely dangerous habit (for humanity as a whole) which our Judiciary, and our Presidents, appear to have picked up and embraced (in recent decades) from their counterparts in the United States of America.

As things stand at the present time, full support for such treasonous and socially destructive acts is normally provided for our Government (Executive, Legislative, and Judicial) by our similarly corrupt and treasonous main-stream-media.

The "ACE OF HEARTS (AND MINDS!!)" in the "HAND OF CARDS" that "THE PEOPLE" of the Republic of Ireland have been dealt:

http://www.humanrightsireland.com/UnitedNations/20November2015/Email.htm#Ace_of_Hearts

===

If "WE" – THE PEOPLE of the REPUBLIC OF IRELAND – can learn to "play our cards right", who knows what good and useful changes we might now be able to bring about for ourselves, and for others possibly?: through our COLLECTIVE, calm, thoughtful, peaceful, and wholly lawful efforts?

All shoulders to the WHEELS of our 'ARTICLE 6.1 WAGON' from now on: if we are EVER to get ourselves out

of the MIRE we find ourselves so bogged down in -- "right up to the axels" -- at the present time?

There's already been been MORE than enough TALK?

Meaningful ACTION is what we now need?

IMPUNITY AND THE PSNI (POLICE SERVICE OF NORTHERN IRELAND) ...

"What is PSNI (Police Service of Northern Ireland) policy on impunity?"

"As I have stated in my letter to Catherine Friel (Senior Housing Officer, Omagh Housing Executive) at <http://www.humanrightsireland.com/CatherineFriel/25May2009/Email.htm> I see impunity as the core obstacle that is preventing a just and peaceful resolution to the long drawn out and complex set of psychological abuses -- and all the mental torture associated with them -- that I have unhappily been subjected to, and have been forced to live with, during the past 10 years or so (which are very largely still ongoing please note); and, that with all this in mind, it would be much appreciated if you could briefly outline for me (in writing please) what PSNI policy is on impunity?"

The piece of text in the paragraph immediately above is from an email, and from a very closely associated PAIR of REGISTERED LETTERS dated June 6th 2009, which were sent to PSNI Chief Inspector Michael Winters at Omagh Police Station, County Tyrone, Northern Ireland, and to First Minister for Northern Ireland Peter Robinson MP, MLA. A full copy of the email in question, together with scanned copies of the associated Post Office receipts, can be viewed at the following www location:

To date, William Finnerty has never received any reply of any kind -- not even an acknowledgement of receipt -- for either of the two registered letters referred to at the www address immediately above.

RELATED EMAIL TO NEWRY PSNI POLICE CONSTABLE LEE MACKLIN ...

"Last Thursday afternoon (November 19th 2015), I had a lengthy meeting with Senior Mental Health Social Worker Dorothy Whyte (and one of her colleagues) at Daisy Hill Hospital (Newry); and, she advised me to ask you about the "risk assessment" -- as seen by the PSNI (Police Service of Northern Ireland) -- regarding Paul Goodman: the person who attempted to murder me last Monday (November 16th 2015), and who I understand already has a criminal conviction for assaulting his mother in connection with (according to himself) the murder of one of his younger siblings (by his mother)."
