Dear Hedley,

RE: Request for help in connection with my TAS Pension Credits Appeal

Many thanks for contacting me this afternoon.

A scanned copy of the three page June 2nd 2023 letter I have received from TAS (The Appeal Service), which I mentioned to you this afternoon, has been placed at the following www location:

<http://www.humanrightsireland.com/AppealsServiceNorthernIreland/2June2023/Letter.htm>

After we had finished our conversation, the thought crossed my mind that it might also help if I let you know about one of my more recent failed efforts to find professional legal advice and representation relating to the TAS situation of mine, which involved the Wolfhill Help Centre in Belfast, and about which we did very briefly touch upon a few times during our conversation of this afternoon. At the www location immediately below, please find a scanned copy of the letter of mine dated May 15th 2023, to Barrister Mr Martin O'Brien (at TAS), which contains information relating to the difficulties I have had with trying to find professional advice and representation from the Wolfhill Help Centre:

I look forward to hearing from you again after you have had an opportunity to further consider this request of mine for assistance with finding professional legal advice and representation through you from Ms Kate Nichol MLA of the Alliance Party of Northern Ireland.

Yours sincerely,

William Finnerty.
