Dear Mr O'Brien,

**RE: TAS (The Appeal Service) Reference: Case Number BE/6784/19/45/O**

I have received a letter dated March 26th 2024 from Clerk to the Appeals Tribunal Ms Lynn Douglas containing **1)** the **"Statement of Reasons"** papers (17 pages) relating to the result of the Tribunal hearing held on July 28th 2023, and **2)** the papers titled **"Application to a Legally Qualified Member for Leave to Appeal to a Social Security Commissioner"** (3 pages).

While I strongly believe that I should apply for Leave to Appeal the July 28th 2023 decision, in practice however, I feel I cannot sensibly attempt to do so without the help of a qualified lawyer of the kind who recognises and supports human rights law, constitutional law, contract law, and "Duty of Care" principles, in practical and meaningful ways.

**Although my efforts are ongoing for the purpose of trying to find proper professional legal advice and representation, and proper medical help for the unresolved and growing set of legal, medical, financial, and social difficulties I have been struggling with throughout the past 25 years or so, which I have referred to many times in earlier correspondence to you, and to several others in connection with the negative consequences for me of "wrong doings" at the hands of "individuals and public official and bodies" (as described by Dr Michael McCavert GP, please see under "1)" in list below), it seems to me that I might not be able to find the professional legal advice and representation I now feel I absolutely must have, in time for me to apply for "Leave to Appeal": before the one month deadline that has been set by TAS, which I understand is April 26th 2024.**

I am now wondering what will happen if I still cannot find the type of professional legal advice and representation I feel I need (referred to above) until sometime after the April 26th 2024 deadline. Would that mean **a)** I cannot ever apply for "Leave to Appeal" the July 28th 2024 decision? It would be much appreciated if you could provide me with a written answer to this question please.

Please know that I am also very concerned about the fact that, among other things, the "Statement of Reasons" papers I have recently received (referred to above) contain no direct mention of an email I copied to you dated **October 18th 2023**. I would also be very grateful if **b)** you could please provide me with written confirmation that you have received it (if of course that is the case). In the event you have not received it up to now, please know that a slightly edited copy of the October 18th 2023 email in question has been placed at the following www location: <http://www.humanrightsireland.com/RadiusHousing/18October2023/Gmail.html> and, that an unedited "Gmail PDF" copy has also been placed at: <http://www.humanrightsireland.com/RadiusHousing/18October2023/Gmail.pdf>

I look forward to receiving answers from you to the two questions I have asked under **a)** and **b)** in the two paragraphs immediately above.

Please also know there are a number of statements in the **"Statement of Reasons"** document (referred to above) which I do not agree with, and it is my intention to write to you again regarding them at a later date.

Yours sincerely,

William Finnerty.

**SOME OF THE "ROOT CAUSE" ISSUES THAT REMAIN UNRESOLVED FOR ME**

**1) "Wrong doings" at the hands of "individuals and public officials and bodies" continue, please see at:**  
<http://www.humanrightsireland.com/AppealsServiceNorthernIreland/13Jan2023/Appeal-Related-Info.htm#DrMichaelMcCavertGP>

**2) Efforts to get proper legal and medical help for myself are still being "thwarted at every turn":**

Please see the slightly edited copy of my email dated May 17th 2019 to Mental Health Awareness UK, which from my viewpoint at least, continues (for all practical purposes) to be completely ignored by the "public officials and bodies" this email was copied to:  
<http://www.humanrightsireland.com/MentalHealthAwarenessUK/17May2019/Gmail.html>

An unedited "Gmail PDF" copy of the May 17th 2019 email to Mental Health Awareness UK has also been placed at: <http://www.humanrightsireland.com/MentalHealthAwarenessUK/17May2019/Gmail.pdf>

### 3) "Decontextualization":

As in the process of examining or interpreting something -- e.g. the sudden cancellation of my Pension Credits payments on March 21st 2018, without warning and without notification -- in a manner that is unrealistically disconnected from the overall context in which it is factually, and deeply embedded in.

Related excerpt from the letter I sent to you through the registered post on November 28th 2022: <http://www.humanrightsireland.com/AppealsServiceNorthernIreland/28November2022/RegisteredLetter.htm>:

*' 10) In a letter dated October 21st 2019 to Radius Housing Officer Mr John Cairnduff I expressed the belief that the set of difficulties I am striving to deal with (for well over 20 years now) needs to be considered in a holistic manner. By "holistic" I mean "characterized by the belief that the parts of something are intimately interconnected and explicable only by reference to the whole".*

*"This "holistic approach" continues to be my belief regarding the overall set of problems (legal, medical, financial, and social) I am struggling with; and, unless I can receive help from people who share that belief, it seems to me that my particular situation can only continue to get worse, as it has been doing since around 1997/98.*

*'A scanned copy of my October 21st 2019 letter to Mr Cairnduff (at Radius Housing Association, and which it appears to me that he and his colleagues at Radius Housing Association decided to completely ignore) has been placed at:*
