THE INTERNATIONAL COMMON LAW COURT OF JUSTICE

"What is the International Common Law Court of Justice?"

"The International Common Law Court of Justice (ICLCJ) – Founded as a lawful Citizens' Tribunal of Conscience on September 15, 2012 (is located) in Brussels".

"Natural and Customary Law allows for the establishment of popular courts of justice when the existing legal and governmental authorities are subverting the law and justice, or aiding those who do. Common Law arose historically to uphold the liberties of the people against tyrants, whether religious or secular, and accordingly, has universal jurisdiction when convened as a jury court by more than twelve duly sworn men and women."

RELATED COMMENTS MADE BY VETERAN UK POLITICIAN KENNETH CLARKE MP

In connection with **BREXIT**, the present **"Father of the UK House of Commons"**, **Kenneth Clarke MP (Qualified Lawyer)**, is widely reported to have commented in the manner referred to in the two quotes immediately below:

'He also questioned why the government was "singling out the Charter of Fundamental Rights to be the only piece of EU legislation which it is to repeal".'

'He added: "I think the Government today at report stage has the last chance in this House to say why is it repealing the charter, what evil has the charter done, what danger does it think we're being protected from by repealing the charter and so on."'

Item #3: Deep puzzlement for me regarding **the policing and the enforcement of European Union Human Rights Law** in both Northern Ireland, and in the Republic of Ireland ...

The text of Article 47 of THE CHARTER OF FUNDAMENTAL RIGHTS OF THE EUROPEAN UNION:

"Right to an effective remedy and to a fair trial"

"Everyone whose rights and freedoms guaranteed by the law of the Union are violated has the right to an effective remedy before a tribunal in compliance with the conditions laid down in this Article."

"Everyone is entitled to a fair and public hearing within a reasonable time by an independent and impartial tribunal previously established by law. Everyone shall have the possibility of being advised, defended and represented."

"Legal aid shall be made available to those who lack sufficient resources in so far as such aid is necessary to ensure effective access to justice."

Why, I frequently find myself wondering, allowing for the text just above, and other similar and closely related human rights law texts, am I having such enormous difficulty, over a period of several years, i.e. since well before I received the attached "To Whom It May Concern" letter dated October 28th 2005 from Dr Michael McCavert GP, with finding legal representation regarding, for example, the extant warrant for my arrest which apparently exists in the Republic of Ireland?
