Dear Appointments Officer,

**Your reference: H&C Number 4867045144**

Thank you for the appointment you have provided me with for Wednesday, May 18th 2016 at 1300.

Unfortunately, I am deeply concerned regarding certain legal matters that are affecting my life just now, and it would be much appreciated by me if you could re-schedule the May 18th appointment to a later date please.

As can be seen at the www address just below I have recently written to local lawyer Aoife McShane, and there is the possibility that, with her help, and the help of her lawyer colleagues, my "legal situation" might improve in the not too distant future, I hope.

Yours sincerely,
