"THE VERY WORST THING ABOUT IMPUNITY"

"The very worst thing about impunity is that nobody anywhere seems to have the faintest idea (in practice) about how to successfully tackle it: and there is certainly nobody in the Republic of Ireland as far as I am aware."

"Once our grossly corrupt legal profession decides to deliberately ensure that the targets of government crime cannot get any legal representation of the kind which would stop the government crime they are being subjected to, then the targets of such crime are totally on their own, and their situation is completely hopeless at the present time: as far as 1) stopping the Government crime is concerned, and 2) also as far as receiving justice and reparations for the government crime in question."

Our Government can still commit crime with impunity
by W. Finnerty, publication date Wed Mar 14, **2012** 17:56

To date, and well over four months after the old age pension appeal submitted on November 2nd 2011, which, because of all the extremely serious criminal government wrongdoing involved over a period of several years, was also copied through the registered post to President Michael D. Higgins on November 2nd 2011, a decision has still not been received. Information relating to the two registered letters used for the pension appeal in question, and all the cover-ups and crime involved, can be found at:

<http://www.humanrightsireland.com/PensionAppealsOfficer/2November2011/RegisteredLetter.htm>

Impunity:

"Impunity means the impossibility, de jure or de facto, of bringing the perpetrators of violations to account - whether in criminal, civil, administrative or disciplinary proceedings - since they are not subject to any inquiry that might lead to their being accused, arrested, tried and, if found guilty, sentenced to appropriate penalties, and to making reparations to their victims."

The **United Nations** "impunity" excerpt just above is from: <http://www.derechos.org/nizkor/impu/principles.html>

The very worst thing about impunity is that nobody anywhere seems to have the faintest idea (in practice) about how to successfully tackle it: and certainly nobody in the Republic of Ireland as far as I am aware.

Once our grossly corrupt legal profession decides to deliberately ensure that the targets of government crime cannot get any legal representation of the kind which would stop the government crime they are being subjected to, then the targets of such crime are totally on their own, and their situation is completely hopeless at the present time: as far as 1) stopping the Government crime is concerned, and 2) also as far as receiving justice and reparations for the government crime in question.

In other words, our Government (Executive, Legislative, and Judicial) can do what it likes at the present time to its citizens, and get clean away with it: thanks to the red-rotten-with-corruption impunity system our legal profession is running and sustaining.

SIX YEARS LATER, RELATED EMAIL DATED MARCH 13th 2018

As indirectly indicated in an email sent last Tuesday (March 13th **2018**) to Dr David Cheyne GP and Consultant Psychiatrist Dr Lauren Edgar, there has been no change whatsoever (that I am aware of) during the intervening six years regarding the situation relating to impunity in the Republic of Ireland: least of all among the membership of the Republic of Ireland's legal profession, which is where it is obviously most needed.

A full, unedited copy of the March 13th email in question can be viewed at the following www location:

The most powerful and most dangerous group of bullies in the Republic of Ireland is to be found in, and close to, the three main branches (Executive, Legislative, and Judicial) of the Government of the Republic of Ireland?

And not in schools, in homes, in businesses, in church buildings, or anywhere else in the Republic of Ireland?

Assuming this to be the case, why is it that the medical profession appears, at the present time, to still -- i.e. in March 2018 -- have no meaningful help to offer the targets of government bullying, which has caused them to end up suffering from PTSD (Post Traumatic Stress Disorder)?

Similarly regarding the lack of help from our legal profession?

"END IMPUNITY: BEFORE IMPUNITY ENDS US":

' 10) On May 18th 2009 I handed Dr Anne Jeffers (Consultant Psychiatrist based in County Galway) a set of papers relating to the subject of "Impunity", and its connection with my particular case. The texts in question included sections of the information provided at <http://www.derechos.org/nizkor/impu/principles.html> , and at <http://en.wikipedia.org/wiki/Impunity> . These same texts are also referred to in the e-mail I copied to you last Friday (May 22nd 2009) - the full text of which can be viewed at <http://www.humanrightsireland.com/SuperintendentEndaWalshe/22May2009/Email.htm> , and which refers -- very correctly in my view -- to impunity as "exceedingly harmful and implying irreparable damage done through evil or insidious corrupting or undermining".
