### **"DIRTY TRICKS" UNLIMITED?**

(March 20th 2018)

*"A Channel 4 (UK) news undercover investigation revealed that the company's (Cambridge Analytica) Eton-educated CEO Alexander Nix offered to use dirty tricks – including the use of bribery and sex workers – to entrap politicians and subvert elections."*

*"The organisation boasts that it has conducted "behavioral change programs" in over 60 countries and its clients have included the British Ministry of Defence, the US State Department and NATO."*

*"Like Cambridge Analytica, SCL group is behavioral research and strategic communication company."*

*"Indeed, as the Observer article which broke the scandal said "For all intents and purposes, SCL/Cambridge Analytica are one and the same." "*

*"However, Cambridge Analytica is a mere offshoot of Strategic Communication Laboratories (SCL Group) – an organisation with its roots deeply embedded within the British political, military and royal establishment."*

*"Bella Caledonia was formed in 2007 by Mike Small and Kevin Williamson as an online magazine combining political and cultural commentary. Bella is named after a character in Alasdair Gray's Poor Things (1992). Like Bella we are looking for a publication and a movement that is innocent, vigorous and insatiably curious. Bella is aligned to no one and sees herself as the bastard child of parent publications too good for this world, from Calgacus to Red Herring, from Harpies & Quines to the Black Dwarf."*

#### **GOVERNMENT CORRUPTION, CRIME, COVER UPS, BULLYING, AND IMPUNITY**

*"1) For some reason (or reasons) which continue to be a source of great mystery and concern to me, you are still very doubtful and hesitant about providing me with a supportive letter which might help me to get legal representation of the kind which recognises the factual existence of national and international legislation based on the United Nations Universal Declaration of Human Rights set of basic human rights principles, and which is willing to use such legislation on my behalf for the purpose of protecting me from all of the ongoing criminal abuse (and directly related criminal cover-ups) which the Government of the Republic of Ireland, and the Government of the United Kingdom of Great Britain and Northern Ireland are subjecting me to in connection with (among other things) the matters I wrote about in my pension appeals letter dated November 2nd 2011."*

## HOW MANY?

*'How many medical doctors, lawyers, politicians, and police officers, need to be informed about this particular case of chronic Post Traumatic Stress Disorder, which has been caused, and which is being sustained, by "government corruption, crime, cover ups, bullying, and impunity", before responsible action is taken to end it? And how many times do the people responsible for ending it, need to be informed about it before they take the necessary action?'*

### SET OF THREE RELATED REGISTERED LETTERS DATED JULY 1ST 2015

===

*With thoughts of the prospect of yet more "cover ups", and yet more "impunity" type difficulties, looming very large in my mind, spurred on by concerns connected with the "hearing of my case" on July 8th 2015 in Loughrea District Court, and the possibility of a new clutch of extremely serious problems resulting from it for me, I sent a set of three letters through the registered post last Wednesday (July 1st 2015) to the following three senior Republic of Ireland lawyers:*

1) The Presiding Judge of Loughrea District Court (who is normally Judge Geoffrey Browne), 2) the Republic of Ireland's Director of Public Prosecutions Claire Loftus, and 3) the Republic of Ireland's Chief Justice Susan Denham.

*The text content of all three of the registered letters referred to just above was very similar, and very closely related to that contained in an email I sent to a group of lawyers and law-firms (and others) earlier in the day (July 1st 2015). A copy of the email version, which contains "live www links" not available in the "PDF SCANNED VERSION" provided further down, can be viewed at the following www location:*

<http://www.humanrightsireland.com/IrishLegalProfessions/1July2015/Email.htm>

*As can be seen at the www address just above, the message-text of the email included a number of mentions of "cover ups" and "impunity", by way of (for example) the two excerpts in the section just below:*

===

#### Excerpt #1:

*Unfortunately, as a direct result of my own bitter experiences over the past 16 years or so, I feel I probably know what the answer is to the question raised in the paragraph just above; and, I strongly suspect it is this: our corruption-ridden and government-crime-supporting legal profession will not -- **UNDER ANY CIRCUMSTANCES** -- allow any such "court room" challenge; and, that there is NOTHING -- at the present time -- that ANYBODY (I know of) can do about this very bizarre, but all too common practice of the legal profession itself knowingly, wilfully, and very deliberately, "perverting the course of justice" in extremely serious ways: thanks entirely, or almost entirely, to IMPUNITY; and, doing so with TOTAL IMPUNITY of course!!*

#### EXCERPT #2:

*Cover-ups, more cover-ups, and nothing but cover-ups: **from both the legal profession, and from the medical profession**; and, all for the overall purpose of "**aiding and abetting**" and sustaining the ability of the Government (Executive, Legislative, and Judicial Branches) to commit crime with impunity against the people they are meant to be serving: so it appears to William Finnerty at least.*

===

The text in the sections just above has come from the email to the United Nations dated July 6th 2015 at:

<http://www.humanrightsireland.com/UnitedNations/6July2015/Email.htm>

As can be seen at the www location immediately above the email was copied to Republic of Ireland Minister for Justice and Equality (from 2014 to 2016) Francis Fitzgerald TD, which she appears (to me) to have completely ignored.
