To: Dr David Cheyne GP
Ormeau Park Surgery
281 Ormeau Park Road
Belfast
Northern Ireland
BT7 3GG.

Dear Dr Cheyne,

RE: COUNSELLING ARRANGEMENTS FOR COMPLEX POST TRAUMATIC STRESS DISORDER

Thank you for seeing me at such short-notice last Tuesday morning (June 4th 2019).

Thank you also for the referral you have now made on my behalf, which Andrea Lowry (Practice Manager) emailed me about yesterday.

It is now my understanding that I will get to see a counsellor regarding the recommendation contained in the November 27th 2018 letter which **Consultant Psychiatrist Dr Paul Bell** copied to me: in connection with the **Complex Post Traumatic Stress Disorder** I am suffering from, as diagnosed by Dr Bell. A scanned copy of the November 27th 2018 letter in question can be viewed at the following www location:

<http://www.humanrightsireland.com/ConsultantPsychiatristDrPaulBell/27November2018/Letter.htm>

As I mentioned to you last Tuesday, my "Pension Credits" payments were suddenly stopped -- without warning -- last March; and, I only became aware of the stoppage by accident, while searching through my bank statements some weeks ago for an entirely unrelated piece of information. As I also mentioned to you, I have reason to believe that, as a result of my Pension Credits being cancelled, there is now a possibility that my Housing Executive Benefits will also be cancelled: as evidenced by the contents of the letter dated May 31st 2019 I received last Monday from **Colette McCorry**

(Housing Benefits Manager) at the Belfast Housing Benefit Unit. A scanned copy of her letter can be viewed at:
<http://www.humanrightsireland.com/BelfastHousingBenefitUnit/31May2019/Letter.htm>

The difficulties relating to the state benefits of mine referred to in the paragraph immediately above appear to me to be directly linked to the fact that, for no good reason that I know of, the law-firm of **Patrick Hogan & Co** (Ballinasloe, County Galway, Republic of Ireland) refused -- several years ago -- to formally secure financial loans I have been receiving from my brother (Gerald Finnerty) and my half-sister (Marjorie Dolan) against my home in the Republic of Ireland. Additional information connected with my efforts to remedy this problem can be viewed in the scanned copy of the registered letter I sent to The Officer in Charge at the Northern Ireland Pension Service on May 28th 2019 at:
<http://www.humanrightsireland.com/PensionService/28May2019/RegisteredLetter.htm>

Please know that, along with several other unresolved problems, I mentioned the ongoing difficulties I am experiencing relating to the unsecured loans problem (referred to in the paragraph immediately above) in **Section 11** of the letter I sent to **Consultant Psychiatrist Dr Paul Bell** through the registered post on **November 3rd 2018**. A scanned copy of the November 3rd 2018 letter in question can be viewed at:
<http://www.humanrightsireland.com/ConsultantPsychiatristDrPaulBell/3November2018/RegisteredLetter.html>

Please also know that despite my best efforts -- over the past twenty years or so -- I have still not managed to find any proper professional legal representation, of the kind which recognises and supports (in practical ways) human rights law and constitutional law, to advise me regarding the long-standing, overall set of legal problems I feel I badly need good quality professional help with. By way of providing you with an example of this aspect of my present situation, please know that I have not (to date) received any reply of any kind -- not even an acknowledgement of receipt -- from **UK Secretary of State for Justice, The Rt Hon David Gauke MP**, or from any of his support staff, to the "Request for help" I made in the letter I sent to him through the registered post on April 23rd 2019:, a scanned copy of which can be viewed at:
<http://www.humanrightsireland.com/LordChancellorDavidGaukeMP/23April2019-RL/RegisteredLetter.html>

There was other information relating to my whistleblowing activities -- much of which I believe is closely related to the overall, **and still growing**, set of complications I have been experiencing for the past 20 years or so -- that I would have liked to communicate to you last Tuesday, but which was not possible for me to do because of the very limited amount of time available. Consequently, I am including three recent **FACEBOOK** texts of mine relating to the information in question in the **APPENDIX SECTION** below, which I hope might provide you with some knowledge of certain aspects of the whistleblowing difficulties relating to my case that you may not be aware of.

My hope now is that it will be possible for me to meet the counsellor, at the counselling service you have referred me to, well before the **deadline date of July 1st 2019** that has been set by **Colette McCorry (Belfast Housing Benefits Manager)** in her letter to me dated May 31st 2019, which I have referred to above.

Yours sincerely,

William Finnerty.

Item #1): "THE RULE OF LAW" -- OR -- "THE RULE OF LAWLESSNESS" ?

By Oscar Grenfell, 3 June 2019, at:

'Melzer (United Nations Special Rapporteur on Torture) wrote: "In 20 years of work with victims of war, violence and political persecution, I have never seen a group of democratic states ganging up to deliberately isolate, demonise and abuse a single individual for such a long time and with so little regard for human dignity and the rule of law."'

'Melzer directly replied to Hunt, correctly noting that "Mr Assange was about as "free to leave"' Ecuador's London embassy, "as someone sitting on a rubberboat in a sharkpool."'

Item #3): WHISTLEBLOWERS BEWARE

*'The **social impact of whistleblowing** through loss of livelihood (and sometimes pension), and family strain may also impact on whistleblowers' psychological well being. Whistleblowers may also experience immense stress as a result of litigation regarding detriments such as unfair dismissal, which they often face with imperfect support or no support at all from unions (or from the legal profession and the medical profession, and the politicians). Whistleblowers who continue to pursue their concerns may also face long battles with official bodies such as regulators and government departments. [42][43] Such bodies may reproduce the "institutional silence" by employers, adding to whistleblowers' stress and difficulties.[45] In all, some whistleblowers suffer great injustice, that may never be acknowledged or rectified.[41] Such extreme experiences of threat and loss inevitably cause severe distress and sometimes mental illness, sometimes lasting for years afterwards.'*
