Dear Dr Mulryan,

RE: 3PM HOSPITAL APPOINTMENT FOR TUESDAY, 20TH APRIL 2015

Thank you for the appointment (for Tuesday, April 20th 2015) which Helen Kitt (A/Staff Officer) has recently written to me about.

As you may know by now, and because I understand lawyer Brendan Glynn (Lawyer at Law-Firm "Hogan & Co Solicitors") intended to contact you in the meantime, my brother (Gerald Finnerty) and my half-sister (Marjorie Dolan) had a meeting last Wednesday (April 15th 2015) afternoon with Brendan Glynn.

Marjorie and Gerald (who I believe you have met and spoken with on a number of occasions during recent months) took a letter (dated April 15th 2015) from me for Brendan Glynn to last Wednesday's meeting, which they left with him at the end of the meeting. An electronic copy of the full letter in question – in "PDF" format – can be viewed at the following www location:
<http://www.humanrightsireland.com/LawyerBrendanGlynn/15April2015/Letter.pdf>

It is my understanding that Brendan Glynn now intends to spend some time considering the "overall situation" relating to the next "Court Hearing" of my case, at present scheduled for the May 6th 2015 Sitting of the Loughrea District Court, and which may (I believe) involve he contacting you, and certain other people. Following that, I further understand that he intends to write a letter to Gerald and Marjorie.

As I trust you will understand, and I hope this will be acceptable to you, I feel it would be best for me to wait until after we (myself, Gerald, and Marjorie) have had a chance to consider the contents of the above-mentioned letter from Brendan Glynn: before I go to see you; and, I intend to contact you as soon as I can after we have received Brendan Glynn's letter, for the purpose of arranging a new appointment.

Changing the subject slightly, Gerald sent a letter to you through the registered post on April 7th 2015, which contained a copy of an email printout (signed by myself, Gerald, and Marjorie), together with some other closely related papers, that I sent to Judge Geoffrey Browne and Loughrea District Clerk Ms. Josie Mulherin on April 2nd 2015. An electronic copy of the April 2nd 2015 email in question can be viewed at:
<http://www.humanrightsireland.com/JudgeJefferyBrowne/2April1915/Email.htm>

The "Track and Trace" Post Office Service indicates that the "registered letter" referred to in the paragraph just above was successfully delivered to the Brackemagh Day Hospital on the morning of April 8th 2015.

I will take this opportunity to point out that, with the very important exception of Dr Michael McCavert (my former GP in Omagh, County Tyrone, Northern Ireland), I have found that, to date, the vast majority of medical doctors – including consultant psychiatrists – are extremely keen to "steer well clear" of discussing any subject which closely relates to the matter of "government wrongdoing": which is something that I have found very unhelpful and frustrating, and one of the main reasons (I believe) that I continue to suffer so badly with several of the well known symptoms of C-PTSD (Complex-Post Traumatic Stress

Disorder).

Among the worst examples of the above-mentioned "avoidance" problems I have so far experienced with medical doctors is the one related to the way that, some days after providing Consultant Psychiatrist Dr Thomas Foster (and several members of his hospital support team at the Fermanagh and Tyrone Hospital in Northern Ireland) with irrefutable evidence of very serious "government wrongdoing" in the Republic of Ireland, he suddenly arranged to have me thrown out of the hospital and onto the street in the run-up to the Christmas period of 2004 (at a time when I was desperately seeking asylum in Northern Ireland, and suffering very badly from C-PTSD); and, that it is that particular incident – so far completely unresolved (despite my very best efforts over a period of several years) – which has left me deeply fearful of presenting myself for a "prostate biopsy" surgical procedure I should have had in the early months of 2008.

Further information relating to my "Tyrone and Fermanagh Hospital Experience" (in December 2004), can be found in the Internet Search Engine listing that is available via the following www link:
("Consultant Psychiatrist Dr Thomas Foster, William Finnerty ...")
<http://tinyurl.com/o2qcdv2>

The scanned copy of a letter dated October 7th 2010 from my present GP (Dr John Kilraine, Loughrea), which refers directly to my particular "prostate problem", can be viewed at the following www location:
<http://www.humanrightsireland.com/DrJohnKilraineGP/7October2010/Letter.htm>

The main difficulty for me – in connection with my very obvious and very worrying high PSA Count (which I strongly suspect is by now probably far higher than it was in 2010) – is that when all of the main circumstances connected with my "Tyrone and Fermanagh Hospital Experience" of December 2004 are taken into account, I continue to be very firmly convinced that all hospital doctors, with a mind to do so, can very easily commit extremely serious crime – with total impunity – against people like myself who are trying to expose major forms of "government wrongdoing": of the kind I have been trying to expose since 1998: after I returned to retire here, and to find that, among other things, Galway County Council had advanced plans to build a "Super Dump for the Whole of Connacht", using unconstitutional (and consequently unlawful) legislation: which was to be located very close to the original location (in ancient times) of the world-famous Turoe Stone (circa 150 BC) in the Parish of New Inn and Bullaun (where I grew up as a child, and where my own now semi-derelict home is located): and, which many well-informed people believe is (by far) the most important piece of ancient Celtic stone-art in the world.

Yours sincerely,

William Finnerty,

Republic of Ireland.
