Gerard,

RE: EJO PROCEEDINGS

Thank you for your emails dated November 9th 2022, and November 11th.2022.

In connection with the matter of you addressing **"any concerns"** I might have when you come to see me on Friday afternoon (November 18th 2022), please know that one of the main concerns I have at the present time, and it is a **VERY BIG CONCERN** for me, as I trust you will understand, relates to the fact that although I believe I have fully complied with my part of the agreement, as set out in the August 19th 2022 letter to me from Radius Housing Area Manager Mr Keelan McGaghraan, it now appears to me, based on recent written statements from yourself, and from Radius Housing Officer Ms Stacey Butler, that I am nevertheless almost certainly (it seems) to very soon be evicted from the Radius Housing address I am at present living at.

As you may know, the August 19th 2022 agreement was negotiated on my behalf between Belfast Trust Mental Health Social Worker Ms Tina Millar (and some members of her team), and Radius Housing Area Manager Mr Keelan McGaghraan. Please find a scanned copy of the August 19th 2002 agreement attached to this email.

I have checked my bank account today and it very clearly shows that the following four weekly Direct Debit transfers

have been made from my account to the Radius Housing bank account: 1) **£108.09** on October 21st 2022; 2) **£108.09** on October 28th 2022; 3) **£108.09** on November 4th 2022, and 4) **£113.09** on November 11th 2022.

Following a number of failed attempts of mine to find professional legal advice relating to the agreement set out in Keelan McGaghran's August 19th 2002 letter, pressures on me eventually escalated to the stage where it seemed to me that the **only** way I could possibly avoid eviction was to "blindly" enter into the August 19th 2022 agreement, without the benefit of I having any professional legal advice whatsoever relating to it.

Information connected with the long running difficulties of mine, of well over **20 years** now, with finding professional legal advice and representation of the kind which recognises and supports **human rights law, constitutional law, international law, and tort law**; and, to which **contract law** now also needs be added to this list, it seems to me.

"A contract is a legally enforceable agreement that creates, defines, and governs mutual rights and obligations among its parties.[1] A contract typically involves the transfer of goods, services, money, or a promise to transfer any of those at a future date. In the event of a breach of contract, the injured party may seek judicial remedies such as damages or rescission.[2] Contract law, the field of the law of obligations concerned with contracts, is based on the principle that agreements must be honoured.[3]"

Further information relating to the history, and the expanding context, of my difficulties with finding proper professional legal advice and representation can be viewed in the email I sent to you on November 10th 2022, a slightly edited copy of which has been placed at:

I checked with my neighbour yesterday, and he has informed me that he will be available to attend the meeting on Friday afternoon (November 18th 2022) in the Radius block of flats we both live in. My neighbour has very strongly suggested to me that I ask you to please ensure that Friday's meeting is attended by one or more of the Radius Housing Association's senior staff members, assuming that this is permissible for you to do so, of course. Personally, I would also very much like to see Belfast Trust Mental Health Social Worker Tina Millar at the Friday's meeting as well, while realising that this might also not be possible for you to arrange.

Regards,

William Finnerty.
