Dear Sir/Madam,

I have received an email dated November 1st 2022 from Radius Housing Officer Ms Stacey Butler in which she has informed me that an EJO Officer will try to engage with me regarding the strong possibility that I might soon be evicted from the Radius Housing flat I am at present living in.

It would be much appreciated if you could please let me know the name and email address of the EJO Officer who will be engaging with me, so that I can try to ensure that the "engaging process" with them begins as soon as possible.

There is information at the www location immediately below, in the form of a scanned copy of a three-page letter I sent through the registered post on October 21st 2022 to the Enforcement of Judgements Master's Clerk at your Office, which I consider to be highly relevant to my present tenancy situation, and to my overall personal circumstances at the present time. Consequently, it is my hope that the EJO Officer I will be communicating with will very seriously consider reading carefully -- before the "engaging process" begins between us -- the contents of the registered letter referred to at:

Yours sincerely,

William Finnerty.
