Dear Anna,

Thank you for contacting me last Thursday.

Regarding the information you requested from me please see Sections 1 to Sections 3 below.

=== === ===

### Section 1:

A scanned copy of the report sent by Belfast Trust Social Worker Ms Tina Millar to Laganside Court dated may 11th 2021, can be viewed at:

<http://www.humanrightsireland.com/BelfastHealthAndSocialCareTrust/11May2021/TinaMillarReport.htm>

Please know that there were parts of the report at the www address immediately above which I felt needed to be commented on by me. Further information relating to this can viewed in the copy of my email to Tina (and others) dated May 13th 2021 at:

<http://www.humanrightsireland.com/BelfastHealthAndSocialCareTrust/13May2021/Gmail.html>

I was particularly concerned about references in the report to the "**Paranoid Personality Disorder**" diagnosis made by consultant psychiatrist Dr Lauren Edgar, which I believe was deliberately false; and, which was later corrected by consultant psychiatrist Dr Paul Bell following a request from me for a "second opinion".

### Section 2:

Page 1 of the 230 page document of the "Appeal Response" produced by the Northern Ireland Appeals Service:

<http://www.humanrightsireland.com/PensionService/27September2019/AppealResponse.htm>

For anybody who wishes to study the way my "Radius Rent Arrears Debt" -- which is at present in the region of **£10,000** -- has been engineered, the document referred to at the www location immediately above is something of an "essential read" (I believe). There are two or three other similar "Appeal Response" documents connected with my case, albeit that they are considerably smaller than the one referred to at the www address immediately above.

Based on my recollection of discussions I have had with Tina Millar, it is my understanding that she has provided the **Belfast Law Centre**, and the **Belfast law firm MSM Law**, with full copies of the 230 page document. I further understand that both these organisations seriously engaged with Tina Millar, and with Community Psychiatric Nurse Briana Bloomer, for a while; and, that they then both suddenly decided to fully disengage: for no good reason that I know of.

I informed **Martin Fox (of Housing Rights)** about this 230 page document, and the fact that Tina Millar would (in so far as I am aware) almost certainly be willing to provide him with a copy if he requested it. As far as I know, neither Martin Fox, nor anybody else connected with Housing Rights, ever did make any such request to Tina Millar.

**To the best of my knowledge, the Northern Ireland Appeals Service has not made any final decision regarding either of the two appeals I have lodged with the Northern Ireland Appeals Service in connection with the cancellation of my Pension Credit payments, and the cancellation of my Housing Benefit payments.**

**I further understand that if the Northern Ireland Appeals Service found in my favour, that the Belfast Housing Executive would be obliged to pay my Radius Rent Arrears Debt directly, and in full, to Radius Housing.**

### Section 3:

A scanned copy of one of the several letters I have received from the **Northern Ireland Appeals Service** (dated February 22nd 2021), which contains their contact information, their reference number for my case, and mention of their "**Covid-19 related delays**", can be viewed at:

<http://www.humanrightsireland.com/AppealsServiceNorthernIreland/22February2021/Letter.htm>

Kind regards,

William Finnerty.
