### THE SECURING OF LOANS AGAINST MY HOME

"Please know that I am unable to meet the requirement of providing Patrick Hogan & Co (Law Firm in Republic of Ireland) with the particulars of my solicitor in Northern Ireland on account of the fact that, despite my best efforts over a period of several years, I have not been able to find a law-firm in Northern Ireland willing to take on my case."

The excerpt just above is from an email sent yesterday (January 29th 2020) to the Northern Ireland Appeals Service. The full message-text can be viewed in the sections below.

A slightly edited copy of the full email has been placed at the following www location:

Dear Mr McNerlin,

RE: THE SECURING OF LOANS AGAINST MY HOME IN COUNTY GALWAY, REPUBLIC OF IRELAND

As you may know, it is stated on Page 3, Paragraph 5, of the Pension Credit "Decision Maker's Decision/Determination" set of papers that: "The decision maker determined that the debt to Mr Finnerty's brother and half-sister could not be considered as an encumbrance secured on this property as it is not legally secured on the property.

A scanned copy of the "Decision Maker's Decision/Determination" set of papers in question can be viewed at the following www location:

<http://www.humanrightsireland.com/.../RegisteredLetter.htm>

Some weeks ago I asked my brother (Mr Gerald Finnerty) and half-sister (Ms Marjorie Dolan) if they could provide me with a written statement explaining why they did not have the loans they have provided me with secured against my home in County Galway, as I

a "To Whom It May Concern Letter" from them, and a scanned copy of it can now be viewed at the following www location:  
<http://www.humanrightsireland.com/.../25Decemb.../Letter.htm>

Although the Republic of Ireland law-firm of Patrick Hogan & Co has since indicated (last July) that they can now secure the loans in question, the arrangement they offer requires me to have legal representation in Northern Ireland. Please see a scanned copy of the Patrick Hogan & Co letter dated July 8th 2019 at:  
<http://www.humanrightsireland.com/.../9July2019/Letter.htm>

As can be seen in the July 8th 2019 letter at the www address immediately above, the text includes the following statement:  
"However, William will need to attend with a firm of Solicitors in Northern Ireland for the purpose of witnessing his signature to the aforementioned documentation and for the purpose of providing him with independent legal advice on the documentation. This requirement is to ensure both parties to the transaction are aware of the irrevocable nature of same."

Please know that I am unable to meet the requirement of providing Patrick Hogan & Co with the particulars of my solicitor in Northern Ireland on account of the fact that, despite my best efforts over a period of several years, I have not been able to find a law-firm in Northern Ireland willing to take on my case.

Please also know that my more recent efforts to find legal representation in Northern Ireland include the scanned copies of the three letters I sent through the registered post 1) to the former UK Secretary of State for Justice The Rt Hon David Gauke MP, 2) UK Secretary of State for Justice Robert Buckland QC MP, and 3) UK Attorney General Geoffrey Cox QC MP, copies of which can be viewed at the three www addresses immediately below.

1) Registered letter dated April 23rd 2019 to former UK Secretary of State for Justice The Rt Hon David Gauke MP:  
<http://www.humanrightsireland.com/.../RegisteredLetter.html>

2) Registered letter sent on September 16th 2019 to UK Secretary of State for Justice Robert Buckland QC MP:  
<http://www.humanrightsireland.com/.../RegisteredLetter.htm>

3) Registered letter dated November 15th 2019 to UK Attorney General Geoffrey Cox QC MP:  
<http://www.humanrightsireland.com/.../RegisteredLetter.htm>

Information relating to earlier efforts of mine, and the extraordinary difficulties I have been having trying to find legal representation -- which involved both the Northern Ireland Law Society and the Belfast Branch of the Northern Ireland Law Centre -- during the period of approximately 21 months or so (i.e. July 2015 to April 2017) that I lived in Newry, can also be found in Section 1 of the letter I sent through the registered post dated November 3rd 2018 to Consultant Psychiatrist Dr Paul Bell, a scanned copy of which can be viewed at:  
<http://www.humanrightsireland.com/.../RegisteredLetter.html>

Should you feel it is appropriate, it would be much appreciated if you could please provide the members of the Northern Ireland Appeal Panel/s who will be considering my appeals with copies of this email.

Please know that as yet, I do not have any Northern Ireland Appeals Service reference number for the second Housing Benefit appeal I have requested from the Belfast Housing Executive in my letter to Housing Manager Mrs Colette McCorry dated January 10th 2020, a scanned copy of which can be viewed at:  
<http://www.humanrightsireland.com/.../10Januar.../Letter.htm>

Yours sincerely.

**RE: Sums of Money totalling approximately €104,100 loaned to William Finnerty.**

In March 2007, I Gerald Finnerty being a brother to William Finnerty, and my half-sister Marjorie Dolan, requested Greg Nolan a solicitor with the Solicitors Patrick Hogan & Co to secure the loans given by us to William Finnerty against his home, but Greg Nolan refused to do so saying it was a "private matter" between the three of us. The loans were given to William Finnerty against his home ("St Albans") in the village of New Inn, Ballinasloe, County Galway, Republic of Ireland, and it is our understanding that the deeds of William Finnerty's home have been lodged for safekeeping with Solicitors Patrick Hogan & Co since the 1980s.

The address for Solicitors Patrick Hogan & Co is:

Dunlo Street  
Ballinasloe  
County Galway
