Dear Everyone,

**RE: THE JUNE 20th 2012 TO APRIL 8th 2017 PERIOD OF NO CHANGE IN GOVERNMENTS' "CORRUPTION & IMPUNITY" POLICIES**

The text in the sections below is from a FACEBOOK publication of earlier today (April 26th 2017), which was prompted -- in part -- by the following recent www RT publication titled:

**"UK risks being 'wiped off the map with nuclear counterstrike' – Russian senator"**

JUNE 20th 2012

===

Dear Dr Jeffers,

Thank you for your letter dated June 7th 2012, which I received on June 13th.

I have placed a scanned copy of your June 7th 2012 letter to me at the following Internet location:

<http://www.humanrightsireland.com/DrAnneJeffers/19May2012/RegisteredLetter.htm#Letter7June2012>

Thank you also for the appointment you have kindly arranged for June 25th 2012.

In connection with the meeting you had with Margie (my half-sister) and Gerald (my brother) on June 6th 2012 I have placed some notes -- compiled (by me) and signed by Marjorie and Gerald on June 10th 2012 -- at the following location:

<http://www.humanrightsireland.com/DrAnneJeffers/19May2012/RegisteredLetter.htm#Notes6June2012>

=====

Provided you are happy to do so, the main issues I would like to discuss with you on June 25th 2012 are as follows:

1) Can you provide me with a supportive letter which will enable me to get legal representation of the kind which recognises the factual existence of national and international legislation based on the United Nations Universal Declaration of Human Rights, and which is willing to use such legislation on my behalf?

Please note that Gerald and Marjorie have informed me that they both think you will STILL not be willing to try to provide me with help of this kind, based on statements apparently made by you at the June 6th 2012 meeting which they have discussed with me, and as related in the above-mentioned meeting notes which I compiled on June 10th 2012.

.....

2) Can you provide me with a supportive letter which will enable me to receive reparations in connection with the C-PTSD (Complex-Post Traumatic Stress Disorder) injuries I have received as a result of extremely serious crimes committed against me "at the hands of individuals and bodies and public officials" (Dr Michael McCavert's words) -- with impunity over a period of several years -- by the Republic of Ireland Government, and by the Government of the United Kingdom & Northern Ireland, in connection with my ongoing efforts to challenge unconstitutional activities (which include unconstitutional legislation) in the Republic of Ireland, and in the Republic of the United States of America? Further information relating to these extremely serious, and indeed treasonous matters, which involve a set-of-five registered letters posted by me on April 25th 2008, and another very closely related set-of-three registered letters posted by me on May 9th 2008, has been placed at the following Internet locations marked a) and b) just below:

a) <http://www.humanrightsireland.com/PrimeMinisterAhern/25April2008/Email.htm>

b) <http://www.humanrightsireland.com/PrimeMinisterCowan/9May2008/Email.htm>

.....

3) Can you provide me with a supportive letter which will enable me to receive the backlog of unpaid old age payments due to me since March 16th 2011, which at the present time, I estimate to be approximately 14,300 Euros? I am also owed an additional 5,700 Euros approximately in connection with "unpaid disability allowance" which fell due before I made my March 16th 2011 pension application; which, like the old age pension payments, are being withheld for absolutely no good reason whatsoever that I know of. Further information relating to these issues can be found at:

<http://www.humanrightsireland.com/SWSO/Longford/Letter16March2011.htm>

Please note that unless I receive these two payments (totalling 20,000 Euros or thereabouts), which are already long overdue for the most part, I can see no hope of I ever being able to return to my now semi-derelict home in New Inn village. Please also note that the present state of "semi-dereliction" I refer to here is the direct result of I having to spend two lengthy periods of time (totalling approximately four and a half years) living in "forced exile" outside of the Republic of Ireland jurisdiction: because that was the only way I could protect myself from being corruptly criminalised (and possibly imprisoned) in connection with my efforts to challenge unconstitutional legislation: in circumstances whereby I could not find any legal representation of the kind referred to at 1) above.

.....

4) Margie and Gerald related to me that you expressed the view at the June 6th 2012 meeting that I was "paranoid" regarding the matter of I feeling unsafe about presenting myself to a hospital consultant for the surgical procedure connected with the now long-overdue prostate cancer screening test I should have had over four years ago. My lengthy research suggests that it is hypervigilance (a common symptom of untreated, or unsatisfactorily treated C-PTSD injuries) -- and not paranoia (a mental illness) -- connected with all of the accumulating and unresolved problems I now have, as a result of the C-PTSD causing injuries I have already suffered "at the hands of individuals and bodies and public officials" (since 1998), and, the prospect (as I see things) of still more such injuries to follow if I am not careful to do all I reasonably can to avoid hospital consultants of the Dr Thomas Foster kind: who, once he discovered I was trying to defend myself against government crime, and as I have already informed you, very recklessly added to my C-PTSD injuries by arranging to have me suddenly thrown out of Tyrone and Fermanagh hospital: at a time when I was suffering very badly with the C-PTSD injuries I had entered the hospital with some days earlier: psychological injuries which were directly connected with the psychopathic Money Power criminal activities of the kind referred to directly further down this e-mail text. Perhaps we can briefly discuss this matter again? Further information relating to my research on the paranoia/hypervigilance issue can be found in the e-mail text dated April 4th 2012 (which I copied to you) at:

<http://www.humanrightsireland.com/UnitedNations/4April2012/Email.htm>

=====

I feel I should mention that Northern Ireland Senior Social Worker Gerry Madden paid us (myself, Marjorie, and Gerald that is) an unexpected visit on June 8th last. In the course of conversation relating to the growing set of family difficulties that myself, Gerald, and Marjorie are experiencing, the name of Declan Hamey (Psychiatric Nurse) was mentioned; and, at Gerry's request, Marjorie gave Declan's phone number to Gerry. My understanding is that Gerry plans to contact Declan sometime this week. Further information relating to this set of events can be found at the following location:

<http://www.humanrightsireland.com/GerardMadden/15June2012/Email.htm>

As you may already know, and for the purpose of trying to keep you updated regarding my situation in advance of the June 25th 2012 appointment you have arranged for me, I have sent you a set of six e-mails since June 11th last (using the Health Service Executive e-mail address). I have also placed copies of the six e-mails in question at locations 376, 377, 379, 380, 383 and 385 of the list at the following Internet location:

[http://www.humanrightsireland.com/IrishLegalProfessions/11August2011/Email.htm#Bottom\\_of\\_List](http://www.humanrightsireland.com/IrishLegalProfessions/11August2011/Email.htm#Bottom_of_List)

With reference to the most recent of the set of six e-mails referred to in the paragraph above, the one dated June 18th 2012 that is (which is item number 385 on the list), please note that I have very briefly attempted in that particular e-mail to outline my reasons for believing that it is a group of "Money Power" psychopaths -- with vastly excessive, completely inappropriate (from the viewpoint of genuine democracy), and highly dangerous amounts of "behind the scenes invisible government" type political power, which enables them to commit an extraordinarily wide range of extremely serious crimes against humanity as a whole, throughout the whole of society (from top to bottom), and to do so with complete impunity -- who are primarily responsible for 1) the "financial weapons of mass destruction (i.e. derivatives)" that are the root-cause of the present "global financial crisis", and 2) that are behind the growing threat of a thermonuclear World War 3 starting up at any time now. The main reason -- as I see things -- why both of these closely related developments (both of them for the most part wholly avoidable in terms of existing constitutional and human rights legislation), have grown so big and so threatening for so many (since 1948), is that the legal professions of several nations, particularly the legal professions of those sovereign nation states that have republican type "government of the people, by the people, for the people" kinds of written constitutions, such as the Republic of Ireland for example, and especially the Republic of the United States of America (still widely regarded by many as the most powerful nation in the world), are failing to enforce national and international legislation closely connected with the United Nations Universal Declaration of Human Rights (which I have referred to earlier under point 1 above): in response to, and for the purpose of protecting humanity generally against the wide-ranging and seriously criminal activities of the now virtually all-powerful -- and unelected -- group of Money Power psychopaths in question, and their many accomplices (some elected and some unelected) in our particular Republic of Ireland Government (Executive, Legislative, and Judicial), and in many other governments elsewhere all over the world.

Later today I will place a copy of this email at the following address:

<http://www.humanrightsireland.com/DrAnneJeffers/20June2012/Email.htm>

Also, and as I am not sure if you are receiving the e-mails I have been sending to you since my very public PSNI (Police Service of Northern Ireland) machine gun interview of Sunday (lunchtime) August 31st 2008 in Greencastle (near Omagh), via the HSE (Health Service Executive) e-mail address ([info@hse.ie](mailto:info@hse.ie)), I will send a printed copy of this e-mail to you, using your Loughrea Health Centre (Barrack Street) address, through the registered post later today.

In addition, and mostly on account of a) the very strong doubts Gerald and Margie have related to me (as expressed in Section 1 above) about you still being unable apparently to try to help me get legal representation of the kind I believe I need in order to recover from the C-PTSD injuries, and, b) because of the very important (to me) paranoia/hypervigilance issue (referred to in Section 4 above) relating to the "prostate cancer screening test", I will also send a printed copy of this e-mail through the registered post today to Minister for Health Dr. James Reilly TD.

Yours sincerely,

William Finnerty.

The text in the sections just above is from a letter sent through the registered post to Consultant Psychiatrist Dr Anne Jeffers on June 20th 2012, the entire contents of which, for all practical purposes, she appears to have completely ignored (as far as I am concerned at least). The full text of the June 20th 2012 letter in question, which was copied -- also through the registered post -- to the then Republic of Ireland Health Minister Dr. James Reilly TD, can be viewed at:

APRIL 8th 2017

A set of complaints, which are all very closely connected to the "CORRUPTION & IMPUNITY" issues referred to above, has been sent to the Law Society of Northern Ireland on April 8th 2017. For additional information, please see at:

<http://www.humanrightsireland.com/NorthernIrelandLawSociety/8April2017/RegisteredLetter.htm>

I am at present anxiously awaiting a "detailed" reply from The Law Society of Northern Ireland to the registered letter referred to at the www address just above.
