Dear All,

RE: Letter Taken by Hand To Appointment with Daisy Hill Hospital (Newry, Northern Ireland) Consultant Clinical Psychologist Dr Elizabeth McMonagle on May 17th 2016

===

HOW MANY?

How many medical doctors, lawyers, politicians, and police officers, need to be informed about this particular case of chronic Post Traumatic Stress Disorder, which has been caused, and which is being sustained, by "government corruption, crime, cover ups, bullying, and impunity", before responsible action is taken to end it? And how many times do the people responsible for ending it, need to be informed about it before they take the necessary responsible action?

Government corruption, crime, cover ups, bullying, and impunity, William Finnerty:

MAY 17 2016 APPOINTMENT

Following some discussion regarding the overall contents of the letter taken by hand by William Finnerty to the May 17th 2016 appointment, which consisted of three recent items of correspondence, Dr McMonagle asked William Finnerty about the matter of how best he thought the "Daisy Hill Hospital Support and Recovery Team" might be able to help him.

William Finnerty informed Dr McMonagle that he still felt that the two things he most needed from the medical profession just now remained the same as he had stated at his previous appointment with Dr McMonagle on April 16th 2016, on the "marked up" copy of the "To Whom It May Concern" letter written by Dr Michael McCavert GP, which he left with Dr McMonagle on April 16th 2016, and a copy of which can be viewed at the following www location:

<http://www.humanrightsireland.com/DrElizabethMcMonagle/17May2016/Letter.htm#DrMcCavertLetter>

On account of the fact that William Finnerty still has a number of unresolved legal issues, Dr McMonagle explained to William Finnerty that he could not be provided with "Talking Therapy" (of the kind he seeks) for the chronic Post Traumatic Stress Disorder he has now been suffering from for the past 16 years or so. The reason for this, apparently, is that there is some kind of hospital rule which prevents the "Daisy Hill Hospital Support and Recovery Team" from providing such therapy to individuals who are struggling with unresolved legal problems.

In addition, Dr McMonagle explained that she could not personally provide William Finnerty with an "update" of Dr Michael McCavert's "To Whom It May Concern" of October 28th 2005.

No arrangements for any further appointments for William Finnerty to see Dr McMonagle (or any member of the "Daisy Hill Hospital Support and Recovery Team") were made.

Nevertheless, Dr McMonagle informed William Finnerty that all three of the items of recent correspondence which he took to the May 17th 2016 appointment would be placed, by her, in his file at Daisy Hill Hospital; and, that provided his ongoing legal problems are resolved, that he could then repeat his request for the "Talking Therapy" (of the kind he seeks) for the chronic Post Traumatic Stress Disorder " he is at present suffering from.

Scanned copies of all three of the items of recent correspondence referred to in the paragraph immediately above can be viewed at the following www location:
