County Galway
Republic of Ireland

September 2nd 2015

Dear Gerald and Marjorie,

In connection with the attached copy of the letter dated August 28th 2015 from P.Cartmill (Northern Ireland Housing Executive), and the urgent request for "*some information*", I would be very grateful to you if would please, on my behalf, ask one of the local estate agents (in East County Galway) to send me a valuation of my home in New Inn village ("St Albans"), together with a note of any fees they may require for this service, to the following address (which I am now living at):

William Finnerty

Newry
County Down
Northern Ireland

Allowing for the "proof" requested by the Housing Executive, I will also need to provide evidence of the overall sum of the monthly loans you have supplied me with to date against my home in New Inn village ("St Albans"). My hope is that you will be able to provide me with separate signed statements as to how much exactly, you have loaned me to date (against my home in New Inn): which I will forward to the Housing Executive, together with the other information they have requested.

In the "claim" I made for "Housing Benefit" of "August 10th 2015", referred to in the attached Housing Executive letter, I stated that I believed the overall total of the loans you have provided me with is in the region of **65,000 Euros**: i.e. **20,000 Euros** provided by Marjorie Dolan, and **approximately 45,000 Euros** provided by Gerald Finnerty (up to that time, "August 10th 2015"). I have also informed the Housing Executive that, without exception, all of the monthly loans you have provided me with were paid -- by cheque -- into my Allied Irish Bank account in Ballinasloe, County Galway.

In addition, I have also informed the Housing Executive, that the main reason for the present size of above-mentioned loans, relates to the fact that -- for no good reason whatsoever that I know of -- the Government of the Republic of Ireland has refused to pay me the old age pension I formally applied for on March 16th 2011; and, that much as I would like to do so, I still cannot find any legal representation of the kind that is willing to challenge, on my behalf, the Government of the Republic

Page 1 of 2

of Ireland regarding this old age pension issue: as is also the case regarding a number of other extremely serious legal matters which I believe are indirectly related to the above-mentioned non-payment of my old age pension by the Government of the Republic of Ireland.

With regard to the value of my home in New Inn village, and as I believe I have already informed you about, at the time, I made enquiries about 18 months ago, from a few local people who I knew were involved in attempts to sell local properties during the Spring of 2013; and, they advised me that due to the derelict state of my home in New Inn, it was probably only worth the value of the site: which they estimated would be in the region of Euros 50,000.

Regards,

Billy.

Dear Sir/Madam,

Re: Your claim for Housing Benefit

You made a claim for Housing Benefit on the 10/8/15.

Before I can assess your entitlement, I **urgently** require some information as detailed below: **PLEASE NOTE THAT ANY DELAY IN PROVIDING SAME WILL DELAY THE PROCESSING OF YOUR CLAIM.**

- Please provide us with verification of your entitlement to Pension Credit when received.
- You stated that you own a property in Galway, please provide us with the address and also proof that the property is valued at less than the outstanding loans that were taken out against it.

I would therefore advise that you must provide this information by the **18/9/15**. This date takes into account the time taken for this letter to get to you and allows you time to make your reply.

If you are unable to provide the information requested before the date specified, please contact this office before this date has passed and we may be able to allow you more time.

If you do not provide the information requested, you will fail to satisfy the conditions of Housing Benefit Regulation 81.

This means that the NIHE may not be able to make a payment of Housing Benefit.

Yours Sincerely

P Cartmill
South Area Housing Benefit Manager
