Dear Mr. Finnerty,

As you are aware, our client has issued a Notice of Motion seeking judgment in default of appearance against you and this motion is listed in the High Court on Monday, 11 October 2021.

We are writing to invite you to a settlement meeting with our client and the other defendants. If you wish to attend, you might please confirm your availability in the coming weeks.

We believe that it would make sense for this meeting to take place ahead of 11 October.

Yours faithfully
