Dr Mr Clinch,

Re: Conor MacGuill v Mark Kavanagh, Finbar Markey, William Finnerty and Facebook Ireland
High Court Record No: 2019/8260P

Thank you for your email dated September 29th 2021, and for the attached letter dated September 28th 2021. Scanned copies of both these items of correspondence have been placed at the following www location:

<http://www.humanrightsireland.com/HayesSolicitorsDublin/29September2021/Email.htm>

Please know that I do not wish to attend the settlement meeting referred to in the September 28th 2021 letter at the www location above. This is mostly because of the fact that, despite my best efforts over the past 23 years or so, I still do not have any direct access to professional legal advice and representation of the kind which recognises and supports human rights law in meaningful and practical ways of the kind I need. Partly for the same reason, I also feel I cannot sensibly attend the Republic of Ireland Dublin High Court hearing on Monday October 11th 2021 which is also referred to in your September 28th 2021 letter at the www location above. Regarding the High Court case there is also the additional problem for me of the extant warrant for my arrest in the Republic of Ireland which I have referred to in my registered letter to you dated February 1st 2021, a scanned copy of which can be viewed at:

<http://www.humanrightsireland.com/HayesSolicitorsDublin/1February2021/RegisteredLetter.htm>

However, my efforts to find professional legal advice and representation are ongoing; and, in response to a recent request from **Mr Colin Bingham** of the **Welcome Organisation** (in Belfast), in which he has asked me about the kind of support I would like to receive from them, I replied to him by email on September 21st 2021. A slightly edited copy of my September 21st 2021 email reply to Mr Bingham can be viewed at:

<http://www.humanrightsireland.com/WelcomeOrganisation/21September2021/Gmail.html>

An unedited "Gmail PDF" copy of the September 21st email in question has also been placed at:

<http://www.humanrightsireland.com/WelcomeOrganisation/21September2021/Gmail.pdf>

The piece of text in the paragraph immediately below formed part of the message-text of my September 21st email to Mr Bingham.

Please know that by far the most important form of support I feel I need just now is that of direct access to professional legal advice and representation of the kind which recognises, and properly supports, human rights law in connection with what I believe is my right, under international law, to "AN EFFECTIVE REMEDY" (as referred to in the attachment I am including below with this email) for all of the several extremely serious abuses (and associated problems) that I have been saddled with for well over the 20 years just past, and caused by what my former GP (Dr Michael McCavert) has accurately described as "wrongdoing" at the hands of "individuals and public officials and bodies" in his To Whom It May Concern letter dated October 8th 2005.'

Additional information relating to the "wrongdoing" at the hands of "individuals and public officials and bodies" which Dr Michael McCavert GP referred to can be viewed in the scanned copy of his To Whom It May Concern letter dated October 28th 2005 at:

<http://www.constitutionofireland.com/GerardMadden13December2005/Letter.htm>

Evidence relating to the fact that my efforts (since around 1997) to get proper legal representation have been "thwarted at every turn" can be found in the scanned copy of the letter written by Senior Social Worker Gerard J Madden dated December 13th 2005, a scanned copy of which has also been placed at the www location immediately above.

To date, I have not received any reply of any kind from Mr Bingham, or from any of his colleagues at the Welcome Organisation, to my September 21st 2021 email to him.

In connection with my beliefs relating to the extant warrant for my arrest in the Republic of Ireland (referred to above), and my closely associated and now very pressing need for "AN EFFECTIVE REMEDY" for this and other issues, I feel (and hope) it might help me to make some useful progress regarding the matter of resolving my present set of legal, medical, financial, family, and social problems, through reference here to an August 17th 2021 FACEBOOK post of mine titled

"SOME OF THE REAL REASONS FOR THE EXTANT WARRANT FOR MY ARREST IN THE REPUBLIC OF IRELAND" at:

<https://www.facebook.com/william.finnerty.3/posts/10225058085781982>

With further reference to the Dublin High Court hearing on Monday October 11th 2021 (referred to above), I do not believe it would be sensible for me to appear in court without first having received proper medical treatment for the Complex-Post Traumatic Stress Disorder I have been suffering from since around Year 2000. Further information on the difficulties surrounding this situation can be found in the registered letter I sent to Consultant Psychiatrist Dr Paul Bell on November 3rd 2018. In so far as I can judge, it appears to me that Dr Bell must have decided to completely ignore the letter in question, a scanned copy of which can be viewed at:

<http://www.humanrightsireland.com/ConsultantPsychiatristDrPaulBell/3November2018/RegisteredLetter.html>

Finally, I wish to make it clear that I still do not believe your client (Mr Conor MacGuill) is entitled to any compensation from me in connection with any "loss and damage" to him, or to his law firm, or to any of his law-firm's clients, as a result of any "actions" of mine: as I have stated in the registered letter I sent to you on August 29th 2019, a scanned copy of which can be viewed at:

<http://www.humanrightsireland.com/HayesSolicitorsDublin/29August2019/RegisteredLetter.htm>

Yours sincerely,

William Finnerty.
