Martin,

As you may know, I had a lengthy conversation this afternoon with one of your colleagues named Tony. You were unavailable at the time I phoned.

Assuming I understood Tony correctly, he is to have my case looked into again this afternoon or tomorrow, and to let me know the outcome tomorrow sometime.

I asked Tony to try to ensure that the contents of the email I sent to you on April 16th 2021 be taken into account.

As Tony was unable to find any record of the April 16th 2021 in question, at the time I spoke to him this afternoon, please know that a slightly edited copy of it can be viewed at:
http://www.humanrightsireland.com/PhoenixLaw/16April2021/Gmail.html

Please also know that at the bottom of the www page immediately above, I have included a section entitled "CLOSELY RELATED ISSUES" for the purpose of trying to show that my difficulties with Radius rent arrears are only a small part of the overall set of problems that have built up for me over the past 24 years or so: all of which are directly related to "wrongdoing" at the hands of "individuals and public officials and bodies". Please see attached copy of letter written by Dr. Michael McCavert GP dated October 28th 2005.

An unedited "Gmail PDF" copy of the April 16th 2021 in question can also be viewed at:
http://www.humanrightsireland.com/PhoenixLaw/16April2021/Gmail.pdf

Assuming I understood Tony correctly, it is now my understanding that your organisation does employ professional lawyers. That being the case, I am wondering if one of them might be able to provide me with access to professional legal advice and representation regarding the eviction threat I am at present trying to deal with: assuming that Phoenix Law -- the law firm my April 16th 2021 email was primarily addressed to -- are unable to assist me.

Please know that, to date, I have not received any reply from Phoenix Law other than an automated confirmation of receipt.

Kind regards,

William Finnerty.
