**RE: DIRECTOR OF PUBLIC PROSECUTIONS CLAIRE LOFTUS-v-WILLIAM FINNERTY AT LOUGHREA DISTRICT COURT
8TH JULY 2015**

An issue relating to what is believed to be a major violation of ARTICLE 47 of the CHARTER OF FUNDAMENTAL RIGHTS OF THE EUROPEAN UNION is outlined towards the end of the text in the main section below.

SET OF THREE REGISTERED LETTERS DATED JULY 1ST 2015

=====

With thoughts of the prospect of yet more "cover ups", and yet more "impunity" type difficulties, looming very large in my mind, spurred on by concerns connected with the "hearing of my case" on July 8th 2015 in Loughrea District Court, and the possibility of a new clutch of extremely serious problems resulting from it for me, I sent a set of three letters through the registered post last Wednesday (July 1st 2015) to the following three senior Republic of Ireland lawyers:

1) The **Presiding Judge of Loughrea District Court (who is normally Judge Geoffrey Browne)**, 2) the **Republic of Ireland's Director of Public Prosecutions Claire Loftus**, and 3) the **Republic of Ireland's Chief Justice Susan Denham**.

The text content of all three of the registered letters referred to just above was very similar, and very closely related to that contained in an email I sent to a group of lawyers and law-firms (and others) earlier in the day (July 1st 2105). A copy of the email version, which contains "live www links" not available in the "PDF SCANNED VERSION" provided further down, can be viewed at the following www location:

<http://www.humanrightsireland.com/IrishLegalProfessions/1July2015/Email.htm>

As can be seen at the www address just above, the message-text of the email included a number of mentions of "**cover ups**" and "**impunity**", by way of (for example) the two excerpts in the section just below:

===

Excerpt #1:

Unfortunately, as a direct result of my own bitter experiences over the past 16 years or so, I feel I probably know what the answer is to the question raised in the paragraph just above; and, I strongly suspect it is this: our corruption-ridden and government-crime-supporting legal profession will not – UNDER ANY CIRCUMSTANCES – allow any such "court room" challenge; and, that there is NOTHING – at the present time – that ANYBODY (I know of) can do about this very bizarre, but all too common practice of the legal profession itself knowingly, wilfully, and very deliberately, "perverting the course of justice" in extremely serious ways: thanks entirely, or almost entirely, to IMPUNITY; and, doing so with TOTAL IMPUNITY of course!!

EXCERPT #2:

Cover-ups, more cover-ups, and nothing but cover-ups: from both the legal profession, and from the medical profession; and, all for the overall purpose of "aiding and abetting" and sustaining the ability of the Government (Executive, Legislative, and Judicial Branches) to commit crime with impunity against the people they are meant to be serving: so it appears to William Finnerty at least.

===

In the case of the "registered letter versions", the two excerpts in the section just above were "circled and signed" for emphasis: as can be seen in "Pages 5 and 6" of the "PDF SCANNED VERSION" which can be viewed by clicking on the following www link:

<http://www.humanrightsireland.com/IrishLegalProfessions/1July2015/ThreeRegisteredLetters.pdf>

===

To date, William Finnerty has never managed to find even one lawyer willing to discuss – let alone use – any of the several items of national and international legislation based on the **United Nations Universal Declaration of Human Rights** for his protection (from government tyranny of the kind which has caused the Complex-Post Traumatic Stress Disorder he suffers from), such as (for example) that of **THE CHARTER OF FUNDAMENTAL RIGHTS OF THE EUROPEAN UNION** (which he

understands fully "became law" in 2009), and a "marked up" copy of which was included in his letter of April 15th 2015 to Brendan Glynn (Lawyer at Patrick Hogan and Company in Ballinasloe, County Galway). A scanned copy of the full April 15th 2015 letter in question can be viewed by clicking on the following [www](http://www.humanrightsireland.com/LawyerBrendanGlynn/15April2015/Letter.pdf) link:
<http://www.humanrightsireland.com/LawyerBrendanGlynn/15April2015/Letter.pdf>

===

As can be seen at both the "email" and the "scanned" copies of the above mentioned "SET OF THREE REGISTERED LETTERS, Galway "Practising Barrister (Attorney)" and Republic of Ireland Senator Lorraine Higgins was among the several lawyers the July 1st 2015 email (referred to above) was sent to.

STATE TYRANNY AND C-PTSD

Email/Registered Letter of August 11th 2008 which was titled:

"State Tyranny and the treatment of associated Complex-Post Traumatic Stress Disorder (C-PTSD)"

===

"After learning of the 'super dump' announcement, things gradually went from bad to worse (from my viewpoint) until – and I'm skipping over several closely related issues in this letter to you because you were not in any way involved with them – I first met you and your team in Omagh Hospital several years later, on the morning of December 9th 2004. (Among other things for example, during the intervening period in question it became clear that the Republic of Ireland Government, under the leadership of former Prime Minister Ahern TD who, as you will no doubt already know, had to resign some months ago because of his growing involvement with tribunals investigating corruption, was producing and sustaining unconstitutional legislation: which, in addition to being grossly corrupt, is also completely unlawful of course.)"

"With due regard for the fact that I may have prostate cancer, a medical situation which needs to be very carefully watched according to every one of the several reports on the subject I have read on the Internet, I hope to receive a written reply from you to the above three questions at your earliest convenience please."

===

The above excerpts are from an **Email/Registered Letter** dated **August 11th 2008** to **Consultant Psychiatrist Dr Thomas Foster** titled **"State Tyranny and the treatment of associated Complex-Post Traumatic Stress Disorder (C-PTSD)"** at:
<http://www.humanrightsireland.com/DrThomasFoster/11August2008/Letter.htm>

To date, William Finnerty has never received any reply of any kind from Consultant Psychiatrist Dr Thomas Foster.

As can be seen at the [www](http://www.humanrightsireland.com/DrThomasFoster/11August2008/Letter.htm) address just above, former Republic of Ireland Prime Minister **Brain Cowan**, and former UK Prime Minister **Gordon Brown** were also sent copies of the email in question through the registered post on August 11th 2008: which both former prime ministers appear to have completely ignored: from William Finnerty's viewpoint at least.

===

A copy of the "Email Version" of the **August 11th 2008** registered letters was also sent to former **Garda (Republic of Ireland) Chief Commissioner Noel Conroy**, which he also appears (from William Finnerty's viewpoint) to have decided to completely ignore: as did **Greg Nolan** apparently, Lawyer at **Patrick Hogan & Co.**, Ballinasloe, County Galway, Republic of Ireland (please note the names of the several lawyers in the recipient lists of the email in question, who also decided to ignore everything it seems).

PLANS TO COVER UP CRUCIALLY IMPORTANT MEDICAL EVIDENCE

After reading a letter dated May 29th 2015 from Brendan Glynn (Lawyer at Hogan and Company), William Finnerty became convinced that Brendan Glynn fully intends to entirely "cover up" – from the **July 8th 2015 Sitting of the Loughrea District Court** – the factual existence of the **"To Whom It May Concern Letter"** dated **October 28th 2005** (written by **Dr Michael Mc Cavert GP**), and the **"Psychiatric Core Assessment"** carried out by the **"Accident and Emergency Department"** of **Portiuncula Hospital on March 30th 2015**. When Gerald Finnerty tried to discuss this matter at a meeting with Brendan Glynn in his office on June 10th 2015 (on behalf of William Finnerty), Gerald Finnerty reported back to William Finnerty that Brendan Glynn absolutely refused to discuss the matter, and immediately started talking about something entirely different. More information relating to this particular set of difficulties can be found by clicking on the following [www link](http://www.humanrightsireland.com/PDF-Files/3-20June2015-PatrickHogan-TerriblyWrong-img02793.pdf):
<http://www.humanrightsireland.com/PDF-Files/3-20June2015-PatrickHogan-TerriblyWrong-img02793.pdf>

Scanned copies of the above mentioned **"To Whom It May Concern Letter"** and the **"Psychiatric Core Assessment"**, were among the set of papers taken by hand to Brendan Glynn on **April 15th 2015**, as shown at:
<http://www.humanrightsireland.com/LawyerBrendanGlynn/15April2015/Letter.pdf>

=====

THE REPUBLIC OF IRELAND IS A JURISTIC PERSON

The excerpts in the section just below are from a registered letter sent to Barrister John Glynn (Finnerty Family Lawyer) on **April 3rd 2007**:

===

In Law, The State Known As "The Republic of Ireland" is "A Juristic Person" ...

'As Minister for Justice McDowell appears to me to be acting in a manner that "prevents justice being served", and as perverting the course of justice is a criminal offence, I am copying this e-mail to Garda Commissioner Noel Conroy (Chief Commissioner of Police, Republic of Ireland): in the expectation that, as I understand is normal practice, the perpetrator of the crime being committed against me will be brought to justice by the law enforcement agencies, rather than by myself (i.e. the injured victim).'

'If for any reason Commissioner Conroy fails to implement the law relating to "perverting the course of justice", regarding the manner in which Minister for Justice McDowell is blocking an "effective remedy" through which I can receive justice, I would then like your advice on another possible solution to my legal difficulties, which I have found in a book titled "Principles of Irish Law" (by Dublin-based barrister and law-lecturer Brian Doolan). This relates to the following statement from his book (on page 9 the Fifth Edition): "The Supreme Court decided, in Byrne v Ireland (1972), that the State is a juristic person which can be sued for the wrongful acts of its public servants".'

The excerpts just above are from a REGISTERED LETTER dated April 3rd 2007 to Barrister John Glynn (Finnerty Family Lawyer); which, in a manner that for several years has appeared "criminally negligent" in an extremely major and socially-destructive way to William Finnerty, both Mr John Glynn (Barister), and Former Garda Commissioner Noel Conroy (Chief Commissioner of Police, Republic of Ireland), appear to have decided to COMPLETELY IGNORE: and, to date, have both succeeded, with the greatest of ease, in doing so with TOTAL IMPUNITY.

A copy of the FULL TEXT of the REGISTERED LETTER in question (dated April 3rd 2007), together with a scanned copy of the associated Post Office receipt, can be viewed at the following location:

THE CHARTER OF FUNDAMENTAL RIGHTS OF THE EUROPEAN UNION

ARTICLE 47 contains the following statement:

"Everyone shall have the possibility of being advised, defended and represented."

The section just below contains an excerpt from an "Email/Registered Letter" dated May 13th 2015:

===

Request for advice on initiating a legal challenge

RE: DIRECTOR OF PUBLIC PROSECUTIONS CLAIRE LOFTUS-v-WILLIAM FINNERTY AT LOUGHREA COURT 6TH MAY 2015

I am horrified by the contents of parts of your letter to me dated May 7th 2015: particularly those which relate to the "condition" that has been put in place whereby I must attend Loughrea District Court "on the said date (July 8th 2015) and failing same, a warrant will be issued for your arrest".

Allowing for the contents of the letter from me dated May 6th 2015 which my brother (Gerald Finnerty) and my half-sister (Marjorie Dolan) handed, on my behalf, to the Clerk of the Loughrea District Court on the morning of May 6th 2015 (well before

the Court Sitting actually started I understand), and for the contents of the registered letter dated December 1st 2008 I sent to Police Superintendent Enda P. Walshe (who I understand is the Police Superintendent you have referred to in your letter to me dated May 7th 2015), I feel I have to ask you for legal advice on how I can go about challenging – well before July 8th 2015 – the legality of the "condition" referred to above.

As you may already know, and in connection with my set of long-standing and growing "government wrongdoing" difficulties, Gerald and Marjorie (William Finnerty's brother and half-sister) had a meeting with Police Superintendent Enda P. Walshe a few years ago (in 2008 I understand), and so they know him: and they believe he is the Superintendent you have referred to in your letter to me dated May 7th 2015.

===

The text in the section just above is from an email dated May 13th 2015 to Lawyer Brendan Glynn (at Patrick Hogan & Co, Ballinasloe, County Galway). A copy of the full email in question can be viewed at: <http://www.humanrightsireland.com/LawyerBrendanGlynn/13May2015/Email.htm>

To date (July 4th 2015), William Finnerty has not received any reply of any kind regarding the above-mentioned "legal advice" he requested from Brendan Glynn on May 13th 2015; and, from William Finnerty's viewpoint, this refusal appears to him as a very blatant and very serious violation of his legal right under the terms of ARTICLE 47 of the CHARTER OF FUNDAMENTAL RIGHTS OF THE EUROPEAN UNION to seek, and presumably to also be provided, with such legal advice.

A signed copy of the May 13th 2015 email to Brendan Glynn was also sent through the REGISTERED POST to him on the same day, and scanned copies of the contents of the registered letter in question can be viewed (in PDF Format) by clicking on the following www page address: <http://www.humanrightsireland.com/LawyerBrendanGlynn/13May2015/RegisteredLetters.pdf>

As can be seen in the PDF document at the www address immediately above, signed copies of the May 13th 2015 email were also sent (on May 13th 2015) to the Republic of Ireland's **Chief Garda (Police) Commissioner Noirin O'Sullivan**, and to the Republic of Ireland's **Chief Justice Susan Denham**. Scanned copies of the associated Post Office "Receipts and Delivery Notes" (for all three registered letters) have been included in the PDF document at the www address immediately above.

Please see also the email titled **"Request for advice on initiating a legal challenge is being completely ignored?"** at: <http://www.humanrightsireland.com/Dail31TDs/Group2of2/5June2015/Email.htm>

RE: DIRECTOR OF PUBLIC PROSECUTIONS CLAIRE LOFTUS-v-WILLIAM FINNERTY AT LOUGHREA DISTRICT COURT 8TH JULY 2015

An issue relating to what is believed to be a major violation of ARTICLE 47 of the CHARTER OF FUNDAMENTAL RIGHTS OF THE EUROPEAN UNION is outlined towards the end of the text in the main section below.

SET OF THREE REGISTERED LETTERS DATED JULY 1ST 2015

=====

With thoughts of the prospect of yet more "cover ups", and yet more "impunity" type difficulties, looming very large in my mind, spurred on by concerns connected with the "hearing of my case" on July 8th 2015 in Loughrea District Court, and the possibility of a new clutch of extremely serious problems resulting from it for me, I sent a set of three letters through the registered post last Wednesday (July 1st 2015) to the following three senior Republic of Ireland lawyers:

1) The **Presiding Judge of Loughrea District Court (who is normally Judge Geoffrey Browne)**, 2) the **Republic of Ireland's Director of Public Prosecutions Claire Loftus**, and 3) the **Republic of Ireland's Chief Justice Susan Denham**.

The text content of all three of the registered letters referred to just above was very similar, and very closely related to that contained in an email I sent to a group of lawyers and law-firms (and others) earlier in the day (July 1st 2105). A copy of the email version, which contains "live www links" not available in the "PDF SCANNED VERSION" provided further down, can be viewed at the following www location:

<http://www.humanrightsireland.com/IrishLegalProfessions/1July2015/Email.htm>

As can be seen at the www address just above, the message-text of the email included a number of mentions of "**cover ups**" and "**impunity**", by way of (for example) the two excerpts in the section just below.

===

Excerpt #1:

Unfortunately, as a direct result of my own bitter experiences over the past 16 years or so, I feel I probably know what the answer is to the question raised in the paragraph just above; and, I strongly suspect it is this: our corruption-ridden and government-crime-supporting legal profession will not – UNDER ANY CIRCUMSTANCES – allow any such "court room" challenge; and, that there is NOTHING – at the present time – that ANYBODY (I know of) can do about this very bizarre, but all too common practice of the legal profession itself knowingly, wilfully, and very deliberately, "perverting the course of justice" in extremely serious ways: thanks entirely, or almost entirely, to IMPUNITY; and, doing so with TOTAL IMPUNITY of course!!

EXCERPT #2:

Cover-ups, more cover-ups, and nothing but cover-ups: from both the legal profession, and from the medical profession; and, all for the overall purpose of "aiding and abetting" and sustaining the ability of the Government (Executive, Legislative, and Judicial Branches) to commit crime with impunity against the people they are meant to be serving: so it appears to William Finnerty at least.

===

In the case of the "registered letter versions", the two excerpts in the section just above were "circled and signed" for emphasis: as can be seen in "Pages 5 and 6" of the "PDF SCANNED VERSION" which can be viewed by clicking on the following www link:

<http://www.humanrightsireland.com/IrishLegalProfessions/1July2015/ThreeRegisteredLetters.pdf>

===

To date, William Finnerty has never managed to find even one lawyer willing to discuss – let alone use – any of the several items of national and international legislation based on the **United Nations Universal Declaration of Human Rights** for his protection (from government tyranny of the kind which has caused the Complex-Post Traumatic Stress Disorder he suffers from), such as (for example) that of **THE CHARTER OF FUNDAMENTAL RIGHTS OF THE EUROPEAN UNION** (which he

understands fully "became law" in 2009), and a "marked up" copy of which was included in his letter of April 15th 2015 to Brendan Glynn (Lawyer at Patrick Hogan and Company in Ballinasloe, County Galway). A scanned copy of the full April 15th 2015 letter in question can be viewed by clicking on the following www link:

<http://www.humanrightsireland.com/LawyerBrendanGlynn/15April2015/Letter.pdf>

===

As can be seen at both the "email" and the "scanned" copies of the above mentioned "SET OF THREE REGISTERED LETTERS, Galway "Practising Barrister (Attorney)" and Republic of Ireland Senator Lorraine Higgins was among the several lawyers the July 1st 2015 email (referred to above) was sent to.

STATE TYRANNY AND C-PTSD

Email/Registered Letter of August 11th 2008 which was titled:

"State Tyranny and the treatment of associated Complex-Post Traumatic Stress Disorder (C-PTSD)"

===

"After learning of the 'super dump' announcement, things gradually went from bad to worse (from my viewpoint) until – and I'm skipping over several closely related issues in this letter to you because you were not in any way involved with them – I first met you and your team in Omagh Hospital several years later, on the morning of December 9th 2004. (Among other things for example, during the intervening period in question it became clear that the Republic of Ireland Government, under the leadership of former Prime Minister Ahern TD who, as you will no doubt already know, had to resign some months ago because of his growing involvement with tribunals investigating corruption, was producing and sustaining unconstitutional legislation: which, in addition to being grossly corrupt, is also completely unlawful of course.)"

"With due regard for the fact that I may have prostate cancer, a medical situation which needs to be very carefully watched according to every one of the several reports on the subject I have read on the Internet, I hope to receive a written reply from you to the above three questions at your earliest convenience please."

===

The above excerpts are from an **Email/Registered Letter** dated **August 11th 2008** to **Consultant Psychiatrist Dr Thomas Foster** titled **"State Tyranny and the treatment of associated Complex-Post Traumatic Stress Disorder (C-PTSD)"** at:

<http://www.humanrightsireland.com/DrThomasFoster/11August2008/Letter.htm>

To date, William Finnerty has never received any reply of any kind from Consultant Psychiatrist Dr Thomas Foster.

As can be seen at the www address just above, former Republic of Ireland Prime Minister **Brain Cowan**, and former UK Prime Minister **Gordon Brown** were also sent copies of the email in question through the registered post on August 11th 2008: which both former prime ministers appear to have completely ignored: from William Finnerty's viewpoint at least.

===

A copy of the "Email Version" of the **August 11th 2008** registered letters was also sent to former **Garda (Republic of Ireland) Chief Commissioner Noel Conroy**, which he also appears (from William Finnerty's viewpoint) to have decided to completely ignore: as did **Greg Nolan** apparently, Lawyer at **Patrick Hogan & Co.**, Ballinasloe, County Galway, Republic of Ireland (please note the names of the several lawyers in the recipient lists of the email in question, who also decided to ignore everything it seems).

PLANS TO COVER UP CRUCIALLY IMPORTANT MEDICAL EVIDENCE

After reading a letter dated May 29th 2015 from Brendan Glynn (Lawyer at Hogan and Company), William Finnerty became convinced that Brendan Glynn fully intends to entirely "cover up" – from the **July 8th 2015 Sitting** of the **Loughrea District Court** – the factual existence of the **"To Whom It May Concern Letter"** dated **October 28th 2005** (written by **Dr Michael Mc Cavert GP**), and the **"Psychiatric Core Assessment"** carried out by the **"Accident and Emergency Department"** of **Portiuncula Hospital** on **March 30th 2015**. When Gerald Finnerty tried to discuss this matter at a meeting with Brendan Glynn in his office on June 10th 2015 (on behalf of William Finnerty), Gerald Finnerty reported back to William Finnerty that Brendan Glynn absolutely refused to discuss the matter, and immediately started talking about something entirely different. More information relating to this particular set of difficulties can be found by clicking on the following [www link](http://www.humanrightsireland.com/PDF-Files/3-20June2015-PatrickHogan-TerriblyWrong-img02793.pdf):
<http://www.humanrightsireland.com/PDF-Files/3-20June2015-PatrickHogan-TerriblyWrong-img02793.pdf>

Scanned copies of the above mentioned **"To Whom It May Concern Letter"** and the **"Psychiatric Core Assessment"**, were among the set of papers taken by hand to Brendan Glynn on **April 15th 2015**, as shown at:

THE REPUBLIC OF IRELAND IS A JURISTIC PERSON

The excerpts in the section just below are from a registered letter sent to Barrister John Glynn (Finnerty Family Lawyer) on **April 3rd 2007**:

===

In Law, The State Known As "The Republic of Ireland" is "A Juristic Person" ...

'As Minister for Justice McDowell appears to me to be acting in a manner that "prevents justice being served", and as perverting the course of justice is a criminal offence, I am copying this e-mail to Garda Commissioner Noel Conroy (Chief Commissioner of Police, Republic of Ireland): in the expectation that, as I understand is normal practice, the perpetrator of the crime being committed against me will be brought to justice by the law enforcement agencies, rather than by myself (i.e. the injured victim).'

'If for any reason Commissioner Conroy fails to implement the law relating to "perverting the course of justice", regarding the manner in which Minister for Justice McDowell is blocking an "effective remedy" through which I can receive justice, I would then like your advice on another possible solution to my legal difficulties, which I have found in a book titled "Principles of Irish Law" (by Dublin-based barrister and law-lecturer Brian Doolan). This relates to the following statement from his book (on page 9 the Fifth Edition): "The Supreme Court decided, in Byrne v Ireland (1972), that the State is a juristic person which can be sued for the wrongful acts of its public servants".'

The excerpts just above are from a REGISTERED LETTER dated April 3rd 2007 to Barrister John Glynn (Finnerty Family Lawyer); which, in a manner that for several years has appeared "criminally negligent" in an extremely major and socially-destructive way to William Finnerty, both Mr John Glynn (Barrister), and Former Garda Commissioner Noel Conroy (Chief Commissioner of Police, Republic of Ireland), appear to have decided to COMPLETELY IGNORE: and, to date, have both succeeded, with the greatest of ease, in doing so with TOTAL IMPUNITY.

THE CHARTER OF FUNDAMENTAL RIGHTS OF THE EUROPEAN UNION

ARTICLE 47 contains the following statement:

"Everyone shall have the possibility of being advised, defended and represented."

The section just below contains an excerpt from an "Email/Registered Letter" dated May 13th 2015:

===

Request for advice on initiating a legal challenge

RE: DIRECTOR OF PUBLIC PROSECUTIONS CLAIRE LOFTUS-v-WILLIAM FINNERTY AT LOUGHREA COURT 6TH MAY 2015

I am horrified by the contents of parts of your letter to me dated May 7th 2015: particularly those which relate to the "condition" that has been put in place whereby I must attend Loughrea District Court "on the said date (July 8th 2015) and failing same, a warrant will be issued for your arrest".

Allowing for the contents of the letter from me dated May 6th 2015 which my brother (Gerald Finnerty) and my half-sister (Marjorie Dolan) handed, on my behalf, to the Clerk of the Loughrea District Court on the morning of May 6th 2015 (well before

the Court Sitting actually started I understand), and for the contents of the registered letter dated December 1st 2008 I sent to Police Superintendent Enda P. Walshe (who I understand is the Police Superintendent you have referred to in your letter to me dated May 7th 2015), I feel I have to ask you for legal advice on how I can go about challenging – well before July 8th 2015 – the legality of the "condition" referred to above.

As you may already know, and in connection with my set of long-standing and growing "government wrongdoing" difficulties, Gerald and Marjorie (William Finnerty's brother and half-sister) had a meeting with Police Superintendent Enda P. Walshe a few years ago (in 2008 I understand), and so they know him: and they believe he is the Superintendent you have referred to in your letter to me dated May 7th 2015.

===

The text in the section just above is from an email dated May 13th 2015 to Lawyer Brendan Glynn (at Patrick Hogan & Co, Ballinasloe, County Galway). A copy of the full email in question can be viewed at: <http://www.humanrightsireland.com/LawyerBrendanGlynn/13May2015/Email.htm>

To date (July 4th 2015), William Finnerty has not received any reply of any kind regarding the above-mentioned "legal advice" he requested from Brendan Glynn on May 13th 2015; and, from William Finnerty's viewpoint, this refusal appears to him as a very blatant and very serious violation of his legal right under the terms of ARTICLE 47 of the CHARTER OF FUNDAMENTAL RIGHTS OF THE EUROPEAN UNION to seek, and presumably to also be provided, with such legal advice.

A signed copy of the May 13th 2015 email to Brendan Glynn was also sent through the REGISTERED POST to him on the same day, and scanned copies of the contents of the registered letter in question can be viewed (in PDF Format) by clicking on the following www page address: <http://www.humanrightsireland.com/LawyerBrendanGlynn/13May2015/RegisteredLetters.pdf>

As can be seen in the PDF document at the www address immediately above, signed copies of the May 13th 2015 email were also sent (on May 13th 2015) to the Republic of Ireland's **Chief Garda (Police) Commissioner Noirin O'Sullivan**, and to the Republic of Ireland's **Chief Justice Susan Denham**. Scanned copies of the associated Post Office "Receipts and Delivery Notes" (for all three registered letters) have been included in the PDF document at the www address immediately above.

RE: DIRECTOR OF PUBLIC PROSECUTIONS CLAIRE LOFTUS-v-WILLIAM FINNERTY AT LOUGHREA DISTRICT COURT
8TH JULY 2015

An issue relating to what is believed to be a major violation of ARTICLE 47 of the CHARTER OF FUNDAMENTAL RIGHTS OF THE EUROPEAN UNION is outlined towards the end of the text in the main section below.

SET OF THREE REGISTERED LETTERS DATED JULY 1ST 2015

=====

With thoughts of the prospect of yet more "cover ups", and yet more "impunity" type difficulties, looming very large in my mind, spurred on by concerns connected with the "hearing of my case" on July 8th 2015 in Loughrea District Court, and the possibility of a new clutch of extremely serious problems resulting from it for me, I sent a set of three letters through the registered post last Wednesday (July 1st 2015) to the following three senior Republic of Ireland lawyers:

1) The **Presiding Judge of Loughrea District Court (who is normally Judge Geoffrey Browne)**, 2) the **Republic of Ireland's Director of Public Prosecutions Claire Loftus**, and 3) the **Republic of Ireland's Chief Justice Susan Denham**.

The text content of all three of the registered letters referred to just above was very similar, and very closely related to that contained in an email I sent to a group of lawyers and law-firms (and others) earlier in the day (July 1st 2015). A copy of the email version, which contains "live www links" not available in the "PDF SCANNED VERSION" provided further down, can be viewed at the following www location:

<http://www.humanrightsireland.com/IrishLegalProfessions/1July2015/Email.htm>

As can be seen at the www address just above, the message-text of the email included a number of mentions of "cover ups" and "impunity", by way of (for example) the two excerpts in the section just below:

===

Excerpt #1:

Unfortunately, as a direct result of my own bitter experiences over the past 16 years or so, I feel I probably know what the answer is to the question raised in the paragraph just above; and, I strongly suspect it is this: our corruption-ridden and government-crime-supporting legal profession will not – UNDER ANY CIRCUMSTANCES – allow any such "court room" challenge; and, that there is NOTHING – at the present time – that ANYBODY (I know of) can do about this very bizarre, but all too common practice of the legal profession itself knowingly, wilfully, and very deliberately, "perverting the course of justice" in extremely serious ways: thanks entirely, or almost entirely, to IMPUNITY; and, doing so with TOTAL IMPUNITY of course!!

EXCERPT #2:

Cover-ups, more cover-ups, and nothing but cover-ups: from both the legal profession, and from the medical profession; and, all for the overall purpose of "aiding and abetting" and sustaining the ability of the Government (Executive, Legislative, and Judicial Branches) to commit crime with impunity against the people they are meant to be serving: so it appears to William Finnerty at least.

===

In the case of the "registered letter versions", the two excerpts in the section just above were "circled and signed" for emphasis: as can be seen in "Pages 5 and 6" of the "PDF SCANNED VERSION" which can be viewed by clicking on the following www link:

<http://www.humanrightsireland.com/IrishLegalProfessions/1July2015/ThreeRegisteredLetters.pdf>

===

To date, William Finnerty has never managed to find even one lawyer willing to discuss – let alone use – any of the several items of national and international legislation based on the **United Nations Universal Declaration of Human Rights** for his protection (from government tyranny of the kind which has caused the Complex-Post Traumatic Stress Disorder he suffers from), such as (for example) that of **THE CHARTER OF FUNDAMENTAL RIGHTS OF THE EUROPEAN UNION** (which he

understands fully "became law" in 2009), and a "marked up" copy of which was included in his letter of April 15th 2015 to Brendan Glynn (Lawyer at Patrick Hogan and Company in Ballinasloe, County Galway). A scanned copy of the full April 15th 2015 letter in question can be viewed by clicking on the following www link:
<http://www.humanrightsireland.com/LawyerBrendanGlynn/15April2015/Letter.pdf>

===

As can be seen at both the "email" and the "scanned" copies of the above mentioned "SET OF THREE REGISTERED LETTERS, Galway "Practising Barrister (Attorney)" and Republic of Ireland Senator Lorraine Higgins was among the several lawyers the July 1st 2015 email (referred to above) was sent to.

STATE TYRANNY AND C-PTSD

Email/Registered Letter of August 11th 2008 which was titled:

"State Tyranny and the treatment of associated Complex-Post Traumatic Stress Disorder (C-PTSD)"

===

"After learning of the 'super dump' announcement, things gradually went from bad to worse (from my viewpoint) until – and I'm skipping over several closely related issues in this letter to you because you were not in any way involved with them – I first met you and your team in Omagh Hospital several years later, on the morning of December 9th 2004. (Among other things for example, during the intervening period in question it became clear that the Republic of Ireland Government, under the leadership of former Prime Minister Ahern TD who, as you will no doubt already know, had to resign some months ago because of his growing involvement with tribunals investigating corruption, was producing and sustaining unconstitutional legislation: which, in addition to being grossly corrupt, is also completely unlawful of course.)"

"With due regard for the fact that I may have prostate cancer, a medical situation which needs to be very carefully watched according to every one of the several reports on the subject I have read on the Internet, I hope to receive a written reply from you to the above three questions at your earliest convenience please."

===

The above excerpts are from an **Email/Registered Letter** dated **August 11th 2008** to **Consultant Psychiatrist Dr Thomas Foster** titled **"State Tyranny and the treatment of associated Complex-Post Traumatic Stress Disorder (C-PTSD)"** at:
<http://www.humanrightsireland.com/DrThomasFoster/11August2008/Letter.htm>

To date, William Finnerty has never received any reply of any kind from Consultant Psychiatrist Dr Thomas Foster.

As can be seen at the www address just above, former Republic of Ireland Prime Minister **Brain Cowan**, and former UK Prime Minister **Gordon Brown** were also sent copies of the email in question through the registered post on August 11th 2008: which both former prime ministers appear to have completely ignored: from William Finnerty's viewpoint at least.

===

A copy of the "Email Version" of the **August 11th 2008** registered letters was also sent to former **Garda (Republic of Ireland) Chief Commissioner Noel Conroy**, which he also appears (from William Finnerty's viewpoint) to have decided to completely ignore: as did **Greg Nolan** apparently, Lawyer at **Patrick Hogan & Co.**, Ballinasloe, County Galway, Republic of Ireland (please note the names of the several lawyers in the recipient lists of the email in question, who also decided to ignore everything it seems).

PLANS TO COVER UP CRUCIALLY IMPORTANT MEDICAL EVIDENCE

Brendan Judge

After reading a letter dated May 29th 2015 from Brendan Glynn (Lawyer at Hogan and Company), William Finnerty became convinced that Brendan Glynn fully intends to entirely "cover up" – from the **July 8th 2015 Sitting** of the **Loughrea District Court** – the factual existence of the **"To Whom It May Concern Letter"** dated **October 28th 2005** (written by **Dr Michael Mc Cavert GP**), and the **"Psychiatric Core Assessment"** carried out by the **"Accident and Emergency Department"** of **Portiuncula Hospital** on **March 30th 2015**. When Gerald Finnerty tried to discuss this matter at a meeting with Brendan Glynn in his office on June 10th 2015 (on behalf of William Finnerty), Gerald Finnerty reported back to William Finnerty that Brendan Glynn absolutely refused to discuss the matter, and immediately started talking about something entirely different. More information relating to this particular set of difficulties can be found by clicking on the following [www link](http://www.humanrightsireland.com/PDF-Files/3-20June2015-PatrickHogan-TerriblyWrong-img02793.pdf):

Scanned copies of the above mentioned **"To Whom It May Concern Letter"** and the **"Psychiatric Core Assessment"**, were among the set of papers taken by hand to Brendan Glynn on **April 15th 2015**, as shown at:

THE REPUBLIC OF IRELAND IS A JURISTIC PERSON

The excerpts in the section just below are from a registered letter sent to Barister John Glynn (Finnerty Family Lawyer) on **April 3rd 2007**:

===

In Law, The State Known As "The Republic of Ireland" is "A Juristic Person" ...

'As Minister for Justice McDowell appears to me to be acting in a manner that "prevents justice being served", and as perverting the course of justice is a criminal offence, I am copying this e-mail to Garda Commissioner Noel Conroy (Chief Commissioner of Police, Republic of Ireland): in the expectation that, as I understand is normal practice, the perpetrator of the crime being committed against me will be brought to justice by the law enforcement agencies, rather than by myself (i.e. the injured victim).'

'If for any reason Commissioner Conroy fails to implement the law relating to "perverting the course of justice", regarding the manner in which Minister for Justice McDowell is blocking an "effective remedy" through which I can receive justice, I would then like your advice on another possible solution to my legal difficulties, which I have found in a book titled "Principles of Irish Law" (by Dublin-based barrister and law-lecturer Brian Doolan). This relates to the following statement from his book (on page 9 the Fifth Edition): "The Supreme Court decided, in Byrne v Ireland (1972), that the State is a juristic person which can be sued for the wrongful acts of its public servants".'

The excerpts just above are from a REGISTERED LETTER dated April 3rd 2007 to Barister John Glynn (Finnerty Family Lawyer); which, in a manner that for several years has appeared "criminally negligent" in an extremely major and socially-destructive way to William Finnerty, both Mr John Glynn (Barister), and Former Garda Commissioner Noel Conroy (Chief Commissioner of Police, Republic of Ireland), appear to have decided to COMPLETELY IGNORE: and, to date, have both succeeded, with the greatest of ease, in doing so with TOTAL IMPUNITY.

THE CHARTER OF FUNDAMENTAL RIGHTS OF THE EUROPEAN UNION

ARTICLE 47 contains the following statement:

"Everyone shall have the possibility of being advised, defended and represented."

The section just below contains an excerpt from an "Email/Registered Letter" dated May 13th 2015:

===

Request for advice on initiating a legal challenge

RE: DIRECTOR OF PUBLIC PROSECUTIONS CLAIRE LOFTUS-v-WILLIAM FINNERTY AT LOUGHREA COURT 6TH MAY 2015

I am horrified by the contents of parts of your letter to me dated May 7th 2015: particularly those which relate to the "condition" that has been put in place whereby I must attend Loughrea District Court "on the said date (July 8th 2015) and failing same, a warrant will be issued for your arrest".

Allowing for the contents of the letter from me dated May 6th 2015 which my brother (Gerald Finnerty) and my half-sister (Marjorie Dolan) handed, on my behalf, to the Clerk of the Loughrea District Court on the morning of May 6th 2015 (well before

the Court Sitting actually started I understand), and for the contents of the registered letter dated December 1st 2008 I sent to Police Superintendent Enda P. Walshe (who I understand is the Police Superintendent you have referred to in your letter to me dated May 7th 2015), I feel I have to ask you for legal advice on how I can go about challenging – well before July 8th 2015 – the legality of the "condition" referred to above.

As you may already know, and in connection with my set of long-standing and growing "government wrongdoing" difficulties, Gerald and Marjorie (William Finnerty's brother and half-sister) had a meeting with Police Superintendent Enda P. Walshe a few years ago (in 2008 I understand), and so they know him: and they believe he is the Superintendent you have referred to in your letter to me dated May 7th 2015.

===

The text in the section just above is from an email dated May 13th 2015 to Lawyer Brendan Glynn (at Patrick Hogan & Co, Ballinasloe, County Galway). A copy of the full email in question can be viewed at: <http://www.humanrightsireland.com/LawyerBrendanGlynn/13May2015/Email.htm>

To date (July 4th 2015), William Finnerty has not received any reply of any kind regarding the above-mentioned "legal advice" he requested from Brendan Glynn on May 13th 2015; and, from William Finnerty's viewpoint, this refusal appears to him as a very blatant and very serious violation of his legal right under the terms of ARTICLE 47 of the CHARTER OF FUNDAMENTAL RIGHTS OF THE EUROPEAN UNION to seek, and presumably to also be provided, with such legal advice.

A signed copy of the May 13th 2015 email to Brendan Glynn was also sent through the REGISTERED POST to him on the same day, and scanned copies of the contents of the registered letter in question can be viewed (in PDF Format) by clicking on the following [www](http://www.humanrightsireland.com/LawyerBrendanGlynn/13May2015/RegisteredLetters.pdf) page address: <http://www.humanrightsireland.com/LawyerBrendanGlynn/13May2015/RegisteredLetters.pdf>

As can be seen in the PDF document at the [www](http://www.humanrightsireland.com/LawyerBrendanGlynn/13May2015/RegisteredLetters.pdf) address immediately above, signed copies of the May 13th 2015 email were also sent (on May 13th 2015) to the Republic of Ireland's **Chief Garda (Police) Commissioner Noirin O'Sullivan**, and to the Republic of Ireland's **Chief Justice Susan Denham**. Scanned copies of the associated Post Office "Receipts and Delivery Notes" (for all three registered letters) have been included in the PDF document at the [www](http://www.humanrightsireland.com/LawyerBrendanGlynn/13May2015/RegisteredLetters.pdf) address immediately above.
