Dear Ms Mulvenna,

RE: RADIUS HOUSING V WILLIAM FINNERTY
(RELATING TO RENT ARREARS AND THE THREAT OF EVICTION)

Thank you for your letter dated March 31st 2021, a scanned copy of which has been placed at the following www location:
<http://www.humanrightsireland.com/CourtsAndTribunalsServiceNorthernIreland/31March2021/Letter.htm>

Please know that on account of the unresolved problems listed below I feel I cannot sensibly attempt to participate in the Court Hearing scheduled for 10am in Court 4, Laganside Courts, on May 18th 2021.

1) Foremost for me among the set of difficulties in question is the fact that despite my best efforts, and those of Belfast Social Worker Ms Tina Millar (and her Team) during the past the past 10 months or so, I personally still do not have **ANY** direct access to professional legal advice and representation. Typical of this particular group of legal difficulties of mine is the response of Belfast law firm **Phoenix Law** to an email I sent to **human rights lawyer Ms Claire McKeegan** on April 16th 2021, for the purpose of seeking her help. A slightly edited copy of the email in question can be viewed at:
<http://www.humanrightsireland.com/PhoenixLaw/16April2021/Gmail.html>

An unedited "Gmail pdf" copy of the April 16th 2021 email can also be viewed at:
<http://www.humanrightsireland.com/PhoenixLaw/16April2021/Gmail.pdf>

The response of Phoenix Law to my above-mentioned April 16th 2021 email, which is basically the same, or very similar (in effect), to the way several other law firms I have sought help from during the past 23 years or so have responded, and which I have received indirectly via Student Social Worker Raymond Grant's email to me dated May 5th 2021, as can be viewed at:
<http://www.humanrightsireland.com/BelfastHealthAndSocialCareTrust/5May2021/Gmail.pdf>

2) Although I was diagnosed by a medical doctor in **October 2005** as suffering from **PTSD/PTSD C (Post Traumatic Stress Disorder/Post Traumatic Stress Disorder Complex)**, I believe I have never received any proper treatment for it from any of the psychiatrists or psychologists I have been put in contact with to date.

Attached please find a copy of a **"To Whom It May Concern"** letter dated October 28th 2005 written by Dr Michael McCavert GP, in which it is stated that the **"symptoms and behaviours"** of the PTSD/PTSD C I am suffering from **"are the result of traumas and stresses over years and these traumas and stresses have come at the hands of individuals and public officials and bodies he has encountered in his struggles to try to correct environmental wrong doings"**.

In connection with one of my many efforts to get the proper medical treatment (as I see it) for the PTSD/PTSD C I am suffering from, I sent a letter through the registered post to Belfast based consultant psychiatrist **Dr Paul Bell** on **November 3rd 2018** in which I listed several of the problems (as they were then), which I felt I needed to try and protect myself against, because I was unable to resolve the difficulties in question by myself. A scanned copy of the November 3rd 2018 letter in question can be viewed at:
<http://www.humanrightsireland.com/ConsultantPsychiatristDrPaulBell/3November2018/RegisteredLetter.html>

Unfortunately, it appears that Dr Bell seems to have decided to completely ignore the contents, and indeed the entire existence, of my November 3rd 2018 letter to him. Consequently, the list of unresolved problems referred to in the letter remains -- more or less -- in the same unresolved state as they were in November 3rd 2018.

It also seems, to me at least, that Dr Bell might well be one of many psychiatrists who overestimates (as some would see it) the value of psychiatric medications for the treatment of PTSD/PTSD C caused **"at the hands of individuals and public officials and bodies"**; and, at the same time, underestimates (as some would see it) the potential dangers of such medications. Further very important (as I see it) information relating to psychiatrists who are so inclined can be found in the article dated March 2nd 2020 written by psychiatrist **Dr Peter Breggin MD** at:
<https://www.madinamerica.com/2020/03/dangerous-thing-psychiatrist/>

3) In so far as I am aware, the Northern Ireland Appeals Service has not yet decided on either of the two appeals I have lodged with them regarding the cancellation of **a)** my Pension Credit payments, and **b)** my Housing Benefit payments. Evidence of this can be viewed in the unedited copy of the email I have received the Northern Ireland Appeals Service dated May 4th 2021 at:
<http://www.humanrightsireland.com/AppealsServiceNorthernIreland/4May2021/Gmail.pdf>

It appears to me that Radius Housing and Babington Solicitors may be pre-judging decisions that have not yet been made by the Northern Ireland Appeals Service. This does not seem right to me, especially when an email I have received from **Housing Rights Services** dated April 22nd 2020 contains the following statement: **"If your Tribunal hearing is successful your benefits would be backdated in full"**; which I take to mean my rent arrears debt to Radius Housing would automatically be paid off -- in full -- directly to Radius Housing by the Belfast Housing Executive.

An unedited "Gmail PDF" copy the Housing Rights April 22nd 2020 in question can be viewed at:
<http://www.humanrightsireland.com/HousingRights/22April2020/Gmail.pdf>

The Radius Housing Association has been informed about the appeals I have made to the Northern Ireland Appeals Service and the Belfast Housing Executive; and, evidence of this can be viewed in the second paragraph of the November 23rd 2020 registered letter I sent to Radius Area Housing Officer Mr Keelan McGaghran at:
<http://www.humanrightsireland.com/RadiusHousing/23November2020/RegisteredLetter.htm>

According to the Royal Mail postal service, the letter referred to at the www location immediately above was successfully delivered on November 24th 2020. A scanned copy of the Royal Mail "Proof of Delivery" note in question has been placed at the www location immediately above.

4) To date I have not received any reply to the letter I sent through the registered post to **Babington Solicitors** (who are acting on behalf of Radius Housing) on **January 20th 2021**, a scanned copy of which can be viewed at:
<http://www.humanrightsireland.com/BabingtonsSolicitors/20January2021/RegisteredLetter.htm>

According to the Royal Mail postal service, the letter referred to at the www location immediately above was successfully delivered on January 21st 2021. A scanned copy of the Royal Mail "Proof of Delivery" note in question has been placed at the www location immediately above.

5) To date I have not received any reply to the letter I sent through the registered post to **Republic of Belfast lawyer Brendan Glynn** on **October 12th 2020**, a scanned copy of which can be viewed at:

<http://www.humanrightsireland.com/LawyerBrendanGlynn/12October2020/RegisteredLetter.htm>

According to the Royal Mail postal service, the letter referred to at the www location immediately above was successfully delivered on October 14th 2020. A scanned copy of the Royal Mail "Proof of Delivery" note in question has been placed at the www location immediately above.

6) To date I have not received any reply to my letter -- **relating to the cancellation of prostate surgery because of unresolved legal problems** -- which I sent through the registered post to **Belfast City Hospital** on **August 29th 2020**: a scanned copy of which can be viewed at:

<http://www.humanrightsireland.com/BelfastCityHospital/29August2020/Letter.htm>

Please know that a closely related scanned copy of a **"To Whom It May Concern"** letter dated **July 27th 2020** written by **Dr David Cheyne GP** formed part of the August 29th 2020 letter in question.

According to the Royal Mail postal service, the letter referred to at the www location immediately above was successfully delivered on September 2nd 2020. A scanned copy of the Royal Mail "Proof of Delivery" note in question has been placed at the www location immediately above.

7) Recent discussions I have had with Student Social Worker Raymond Grant have left me with the impression that Social Worker Ms Tina Millar is seriously considering writing to the presiding judge at the Court Hearing scheduled for 10am in Court 4, Laganside Courts, on May 18th 2021: in connection with my particular situation. Consequently, I have sent written consent to Ms Millar for any such letter she might decide to write, as can be seen in the unedited "Gmail PDF" copy of my email to Raymond Grant at:

<http://www.humanrightsireland.com/BelfastHealthAndSocialCareTrust/7May2021/Gmail.pdf>

8) I copied the excerpt just below this morning (Monday, May 10th 2021), from the UK government www location immediately below, which is attributed to **Northern Ireland Communities Minister Deirdre Hargey MLA**:

"I can announce that my Department has an agreement in place with all social housing landlords (Housing Executive and Housing Associations) that any social housing tenant facing difficulties paying rent during Covid-19 will not be evicted. My Department will work with Housing Associations and the Housing Executive to help them keep tenants in their homes and to ensure that the welfare system can provide help to their tenants as quickly as possible. You can be assured your home is secure."

Allowing for the statement just above by Minister Deirdre Hargey MLA, I cannot help wondering about the legality of the decision by Radius Housing and Babington Law to be pressing ahead with their efforts to evict me **"in the midst of the COVID-19 pandemic"**, as referred to on the following Northern Ireland government website page at:

<https://www.communities-ni.gov.uk/news/housing-support-crucial-crisis-hargey>

Allowing for the issues referred to under 1) to 8) above, I feel I must now request a re-scheduling of the Court Hearing scheduled for 10am in Court 4 on May 18th 2021, until such time as professional legal advice and representation becomes directly available to me: as a matter of fact.

Yours sincerely,

William Finnerty.
