Dear Ms Wilson,

Also, and in case there might be any difficulties accessing the above web site address, I am also including the text of yesterday's letter of mine to you with this email, and it can be viewed in the sections further down this document.

Dear Ms Wilson,

**RE: RENEWAL OF NEWRY HOUSING WAITING LIST APPLICATION FORM**

Thank you for your letter dated November 17th 2016.

Please find attached an updated and signed copy of the Housing Waiting List Application Form, on which I have crossed out the entries in the "Current choices" section, and replaced them in the section opposite with a request to be considered for "*Sheltered accommodation of the complex needs kind*", and, regarding the "area of choice" matter, "*anywhere in Northern Ireland*".

I had hoped to have received some guidance from Team Leader Niall Fitzpatrick regarding the "*type of sheltered accommodation*" and the "*areas of choice*" options I am now requesting, before returning the Housing Waiting List Application Form to you. However, as I have not yet received any reply from Niall to the email I sent to him on December 5th 2016, and as the time-limit set for returning the form has almost run out, I am sending it back to you today, without the benefit of the guidance I sought from Niall.

More information on the guidance I have sought from Niall regarding the "*type of sheltered accommodation*", and the "*areas of choice*", can be viewed in paragraphs four and five of Page 3, of the signed printout (attached to this letter) of the full email I sent to him on December 5th 2016. It is my hope, if you consider it appropriate, that in due course, I will receive a written reply from Niall, or from you, or from some other member of your support staff regarding the guidance in question.

There is also a slightly edited copy of my December 5th 2016 email to Niall at:  
<http://www.humanrightsireland.com/NorthernIrelandHousingExecutive/5December2016/Gmail.html>

and, in addition, an unedited "Gmail PDF" copy at:  
<http://www.humanrightsireland.com/NorthernIrelandHousingExecutive/5December2016/Gmail.pdf>

Finally, I have decided to include with this letter an excerpt from a FACEBOOK Publication of yesterday (i.e. December 11th 2016) which I hope, with your help, and that of your colleagues in the Newry Housing Executive Office, might make it easier for me to find the kind of legal and medical help I feel in desperate need of at the present time. The main reason I am including this excerpt is because it shows -- beyond all doubt in my opinion -- that the kind of "*legal and medical*" help I am seeking, definitely is available to certain members of society; but, at the same time, and for no good reason that I know of, it is not available to certain others: such as myself, for example.

Later today, and for the purpose of trying to make it easier for you and your colleagues to access the www links used in this letter, I will place a copy of it at the following www location:

<http://www.humanrightsireland.com/NorthernIrelandHousingExecutive/12December2016/Gmail.html>

Yours sincerely,

William Finnerty.

### **GARDAI (POLICE) AND PTSD (POST TRAUMATIC STRESS DISORDER) INJURIES**

It seems that members of the GARDAI (the Republic of Ireland's Police Force) have little trouble finding "legal representation", and "medical representation" presumably, in addition to being generously compensated for PTSD (Post Traumatic Stress Disorder) injuries received "at the hands of" members of the general public, as well they should; but, not so the other way around it appears?

Members of the general public who end up with PTSD injuries "at the hands of" the Gardai (and other types of Republic of Ireland public officials), get NOTHING it would seem: other than additional "PTSD causing injuries", by way of the unrelenting, and seemingly never-ending PUNISHMENT that is intended to continue for the

remainder of the target's life apparently; and, where (in my particular case at least) the punishment includes having to live in "forced exile", while being TOTALLY denied legal representation, together with ALL forms of medical support of the kind that involves qualified professional PTSD therapists: just because they (targets) keep on trying to get justice for themselves, by "*peaceful and lawful*" means? And, all in spite of the fact that **one of the most common symptoms** of PTSD is: "***an overwhelming sense of injustice and a strong desire to do something about it***", as can be viewed in the list of common symptoms of PTSD at the following www location:
