Dear Everybody,

**RE: RECENT JAIL SENTENCE HANDED DOWN TO JOE DOOCEY IN DUBLIN WHICH IS BELIEVED TO BE CORRUPTION-RIDDEN**

General related information seen and accumulated by me over the past nineteen years or so, strongly suggests that the three and a half year jail sentence Joe Doocey received on December 20th 2017 in Dublin was, in reality, entirely, or almost entirely, the result of his long-standing, time consuming, financially and emotionally expensive, and courageous efforts to expose major forms of wrongdoing by public officials and bodies in the Republic of Ireland.

That, as I have also found to my own cost, is what public officials and bodies in the Republic of Ireland are like; and, as things stand at the present time, the public officials and bodies in question can indulge themselves, indefinitely it appears, in such extremely serious criminal abuses with complete impunity. To the best of my knowledge, nobody has yet found the means -- in practice -- to lawfully stop those responsible, even though there are numerous laws, national and international, already in place to prevent such criminal maltreatment: because, they are only available in theory at the present time, it appears.

**"TIME TO PUT THE JUDICIARY BACK IN ITS PROPER PLACE"**

by Dr Edwin Vieira

*"It is time to put the Judiciary back in its proper place. Dr. Edwin Vieira, a Trustee of The Conservative Caucus Foundation (TCCF) and a brilliant legal scholar, has comprehensively addressed these and other issues in this study commissioned by the TCCF, 'Constitutional and Statutory Remedies for Judicial Usurpation and Tyranny.' "*

*"The most important constitutional issues of this generation concern the meaning of the rule of law and the ability of 'the people' to enforce true law by restraining runaway activist judges. For decades, such judges have been simply making up law. What is worse, liberal and conservative lawmakers have been reinforcing such behaviour by treating such rulings as if they are legitimate."*

### "IF ..."

If the above matter is not treated seriously by a sufficiently large enough section of the "general public" in the Republic of Ireland, more people will very likely (in my opinion) end up where Joe Doocey now sadly and wrongly finds himself: i.e. in Mountjoy Jail for the coming three and a half years: unless, of course, his case can successfully be overturned on appeal.

It's all thanks (in my view) to the way that so many -- virtually all? -- public officials and bodies in the Republic of Ireland have gradually, secretly (from the viewpoint of the general public), and slyly manoeuvred themselves into a fully "water-tight", "bullet-proof", and entirely unlawful position, whereby they can now collectively put themselves above the law, and the members of the general public they are meant to be serving beneath it: with total impunity, as and when it suits them, and for as long as it please them.

It is the Republic of Ireland's legal profession, and particularly the members of our Judiciary who head our legal profession, who are (as I see it) primarily responsible for this horrific, and apparently impossible to remedy, "social situation".

For some United Nations guidance on how to deal with impunity -- which, among other things, makes smithereens of "fundamental human rights" and all associated national and international legislation -- please see at:  
<http://www.derechos.org/nizkor/impu/principles.html>

Impunity:

*"Impunity means the impossibility, de jure or de facto, of bringing the perpetrators of violations to account - whether in criminal, civil, administrative or disciplinary proceedings - since they are not subject to any inquiry that might lead to their being accused, arrested, tried and, if found guilty, sentenced to appropriate penalties, and to making reparations to their victims."* (From <http://www.derechos.org/nizkor/impu/principles.html>)

### JUDICIAL CORRUPTION:

Unless judicial corruption is stopped, or significantly reduced at least, we, the members of the general public, really have no rights?

Our Republic of Ireland corruption-ridden judges, and our Republic of Ireland government crime-supporting legal profession headed by our corrupt judges, all working in cahoots with our grossly corrupt An Garda Siochana (Republic of Ireland's Police Force), and the suspected, similarly crooked and corrupt leaders of our medical profession responsible for treating PTSD (Post Traumatic Stress Disorder) caused and sustained by the wrongdoing of public officials and bodies, can easily continue to collectively see to that: as things are at the present time, at least?

**"SET OF UNITED NATIONS PRINCIPLES FOR THE PROTECTION AND PROMOTION OF HUMAN RIGHTS THROUGH ACTION TO COMBAT IMPUNITY"***Preamble*

*Recalling the Preamble to the Universal Declaration of Human Rights, which recognizes that disregard and contempt for human rights have resulted in barbarous acts which have outraged the conscience of mankind,*

*Aware that there is an ever-present risk that such acts may again occur,*

*Reaffirming the commitment made by Member States under Article 56 of the Charter of the United Nations to take joint and separate action, giving full importance to developing effective international cooperation for the achievement of the purposes set forth in Article 55 of the Charter concerning universal respect for, and observance of, human rights and fundamental freedoms for all,*

*Considering that the duty of every State under international law to respect and to secure respect for human rights requires that effective measures should be taken to combat impunity,*

*Aware that there can be no just and lasting reconciliation unless the need for justice is effectively satisfied,*

*Equally aware that forgiveness, which may be an important element of reconciliation, implies, insofar as it is a private act, that the victim or the victim's beneficiaries know the perpetrator of the violations and that the latter has acknowledged his or her deeds,*

*Recalling the recommendation set forth in paragraph 91 of Part II of the Vienna Declaration and Programme of Action, wherein the World Conference on Human Rights (June 1993) expressed its concern about the impunity of perpetrators of human rights violations and encouraged the efforts of the Commission on Human Rights to examine all aspects of the issue,*

*Convinced, therefore, that national and international measures must be taken for that purpose with a view to securing jointly, in the interests of the victims of violations, observance of the right to know and, by implication, the right to the truth, the right to justice and the right to reparation, without which there can be no effective remedy against the pernicious effects of impunity,*

*Pursuant to the Vienna Declaration and Programme of Action, the following principles are intended as guidelines to assist States in developing effective measures for combating impunity.*
