Dear Mr Mackell,

RE: REGISTERED LETTER I SENT TO YOU YESTERDAY (i.e. MAY 18th 2017)

Below please find the text of a letter I sent to you yesterday through the registered letter, which I feel is self-explanatory.

Later today I will place an unedited "Gmail PDF" copy of this email at the following www location:

To:

Mr. John Mackell,
Director of Client (Solicitor) Complaints,
The Law Society of Northern Ireland,
Law Society House, 96 Victoria Street,
Belfast, Northern Ireland,
BT1 3GN.

May 18th 2017

Your Reference: JM/MB

Dear Mr Mackell,

RE: MY REGISTERED LETTER TO YOU DATED APRIL 8TH 2017

To date I have not received any reply from you to my letter to you dated April 8th 2017. In case that for some reason you personally might not have received my April 8th 2017 letter, please know that there is a scanned copy of it, together with scanned copies of the associated Royal Mail receipt, and the associated Royal Mail "Proof of Delivery" note at the following www location:

<http://www.humanrightsireland.com/NorthernIrelandLawSociety/8April2017/RegisteredLetter.htm>

====

Please also know that, in the meantime since April 8th 2017, I have changed address.

As you will know, my old address was:

26 Barcroft Park.
Newry, County Down,
Northern Ireland, BT35 8EN.

My new address is:

**** ** ***** *****,
***** *****,
Belfast,
*** **.

====

Please know also that I completed my above-mentioned change of address on April 27th 2017 from the temporary/emergency accommodation provided for me by the Newry Housing Executive Office in the aftermath of the murder attempt on my life on December 16th 2015, to my new address in Belfast, which is a Radius Housing Association property that I also found through the Newry Housing Executive Office; and, that 12 days before leaving Newry, i.e. on April 15th 2017, I made formal arrangements with Royal Mail to have all letters of mine redirected to my new Belfast address over the following period:
April 26th 2017 to July 25th 2017.

As far as I know the Royal Mail redirection service is functioning correctly, so that any letter sent to me from The Law Society of Northern Ireland, which would normally have arrived at my old Newry address on April 26th 2017, or at any time since that date, should have been redirected to my new address in Belfast. Please know that none of the Royal Mail redirected letters I have received so far have been from The Law Society of Northern Ireland.

====

I would like to take this opportunity to mention to you that the main reason I asked

the Newry Housing Executive to help me find accommodation in Belfast is closely related to the belief (of mine) that I might stand a better chance of finding the medical and legal help I feel I desperately need, in Belfast, instead of Newry.

The main difficulties I am having with finding the medical and legal help I have been feeling desperately in need of -- for the past several years now -- have been referred to under "Note #1" of my April 8th 2017 letter to you (referred to above). Please find the text of "Note #1" reproduced in the section immediately below.

**NOTES ATTACHED TO NORTHERN IRELAND LAW SOCIETY
COMPLAINT FORM
DATED APRIL 8th 2017. SUBMITTED BY WILLIAM FINNERTY.**

**RE: PART 1 OF NORTHERN IRELAND LAW SOCIETY CCF1 COMPLAINT
FORM - Your personal details**

NOTE #1 (RE: My telephone number):

Although I do have a telephone number, I only use it for outgoing calls. This is because I wish to avoid receiving unwanted and unhelpful calls from people who seem to have little or no knowledge or understanding of the chronic PTSD (Post Traumatic Stress Disorder) I am suffering from. I have found that such people are inclined to say things to me in conversations which exacerbate, sometimes in major ways, the symptoms of this PTSD medical condition.

Evidence of the now chronic PTSD condition I am suffering from can be viewed in the attached copy of the "**To Whom It May Concern Letter**" dated **October 28th 2005** from **Dr Michael McCavert GP**, who used to be my GP when I lived in Omagh (County Tyrone). Enclosed please find a copy of this letter which I have marked "**Item #11**". Using two registered letters, I have tried to get an updated version of Dr McCavert's October 28th 2005 "**To Whom It May Concern**" letter by writing to my present GP, **Dr John Radcliffe**, at the Meadowlands Surgery in Newry. Unfortunately, and for reasons unknown to me, I have so far not received any reply of any kind from anybody connected with the Meadowlands Surgery to these two letters. Scanned copies of the two registered letters sent by me to Dr Radcliffe and his colleagues at Meadowlands Surgery, dated April 26th 2016 and August 1st 2016, can be viewed at the www locations provided just below:

Registered Letter #1 (April 26th 2016):

[http://www.humanrightsireland.com/MeadowlandsSurgery/
26April2016/RegisteredLetter.htm](http://www.humanrightsireland.com/MeadowlandsSurgery/26April2016/RegisteredLetter.htm)

Registered Letter #2 (August 1st 2016):

[http://www.humanrightsireland.com/MeadowlandsSurgery/
1August2016/RegisteredLetter.htm](http://www.humanrightsireland.com/MeadowlandsSurgery/1August2016/RegisteredLetter.htm)

I feel I should also inform you that on account of the fact that I have a number of unresolved legal problems, Newry Daisy Hill Hospital Consultant Psychologist Dr Elizabeth McMonagle has informed me, on May 17th 2016, that I can not be provided with "talking therapy" (of the kind I have been seeking for years) for the chronic Post Traumatic Stress Disorder I have now been suffering from for the past 17 years or so. The reason for this, according to Dr McMonagle, and assuming I understood her correctly, is that there is some kind of hospital "rule" which prevents the *"Daisy Hill Hospital Support and Recovery Team"* from providing such therapy for individuals who, like myself, are struggling with unresolved legal problems.

Although Dr McMonagle never said so, my suspicion is that she was -- in reality -- almost certainly referring to "unresolved legal problems" connected with the "wrong doings" of "public officials and bodies" of the kind Dr Michael McCavert GP has referred to in his October 28th 2005 "To Whom It May Concern" referred to above. Additional information relating to this ban can be found in an email dated May 26th 2016 that I sent to Northern Ireland First Minister Arlene Foster LL.B, MLA, a Gmail PDF copy of which can be viewed at the following www location: <http://www.humanrightsireland.com/FirstMinisterArleneFosterMLA/26May2016/Email.pdf>

You may wish to note that **lawyer Aoife McShane LL.B** and a number of her colleagues at McShanes Law Firm were among those the email at the www address just above was copied to, and that I sent it to them partly in the hope that she, or one of the several other professional lawyers included on the "Cc" list of the email, might provide me with some legal advise on the legality of the ban on "talking therapy" referred to in the paragraph just above. ***However, as I have not received any offers of help from anybody at McShanes Solicitors regarding this matter, I feel forced to speculate that there must also be some kind of "legal profession ban" which is preventing all members of the legal profession from discussing the "wrong doings" of "public officials and bodies" with people like myself who are trying to expose the public official "wrong doers", and to have them brought to justice.***

With further reference to members of the medical profession, my understanding is that the decisions relating to the "ban" which **Hospital Consultant Psychologist Dr Elizabeth McMonagle** informed me about on **May 17th 2016** – ***a "ban" which I have long suspected is almost certainly completely unlawful, and the product of some major form of systemic corruption*** – also involved Newry's Daisy Hill Hospital Consulted Psychiatrist **Dr Mark McCauley**, who I had two consultations with at Daisy Hill Hospital some months before May 17th 2016.

====

Although I have now registered with a new GP in Belfast, I have not yet made any attempt to meet the doctor in question; and, this is because I feel it might be best for me to wait until I have received a reply from you to my April 8th 2017 letter to you (referred to above).

Please know that in addition to the PTSD (Post Traumatic Stress Disorder) mentioned directly in the section just above, and as a person who continues to try to expose the "*wrong doings*" of "*public officials and bodies*", largely because I feel I have an ongoing duty to do so, I still have a long standing problem of feeling extremely unsafe about presenting for the surgery I need in connection with a prostate-gland problem I have. This is a direct result of an earlier experience I have had with a hospital consultant at Fermanagh and Tyrone General Hospital in December 2004. Evidence of this particular problem of mine relating to personal safety regarding hospital consultants, and some of my attempts to remedy this problem, can be viewed in the contents of the two letters at the following www locations:

1) Recorded delivery letter dated March 3rd 2008 to **Northern Ireland Hospital Consultant Mr CK Mulholland:**

<http://www.humanrightsireland.com/CKMulholland/3March2008/Letter.htm>

2) Recorded Delivery letter dated August 11th 2008 to **Hospital Consultant Psychiatrist Mr Thomas Foster**, which was copied by recorded delivery post to former UK Prime Minister **Mr Gordon Brown**, and by registered post to former Republic of Ireland Prime Minister **Mr Brian Cowan:**

<http://www.humanrightsireland.com/DrThomasFoster/11August2008/Letter.htm>

From my viewpoint, it appears that all four of the above-mentioned recipients of the letters referred to at the two www locations immediately above, must have decided to completely ignore the entire contents of my efforts to communicate with them using the items of correspondence referred to at the two www locations just above.

Much more recently, my difficulties regarding this "prostate" matter have been significantly compounded by the fact that I have never received any reply from anybody connected with Meadowlands Surgery in Newry to either of the two registered letters dated April 26th 2016, and August 1st 2016, referred to in the section just above.

Evidence of the potential seriousness of this long-standing "prostate" concern of mine can be viewed in the scanned copy of the letter dated February 20th 2017 from Craigavon Area Hospital Consultant Urologist **Mr Anthony Glacken** at the following www page location:

<http://www.humanrightsireland.com/HSE/14February2017/Letter.htm#Reply>

I feel I should make it clear that for as long as it appears to me that medical doctors can *continuously* commit what I see as extremely serious mental-torture types of crime against me, with total *impunity*, I will always find it enormously difficult to present myself for surgery relating to my prostate problem, or to any other form of major surgery I might require in the future.

My concept of impunity is as described in the following text:

"Impunity means the impossibility, de jure or de facto, of bringing the perpetrators

of violations to account - whether in criminal, civil, administrative or disciplinary proceedings - since they are not subject to any inquiry that might lead to their being accused, arrested, tried and, if found guilty, sentenced to appropriate penalties, and to making reparations to their victims".

As you may already know, the excerpt just above is from a **United Nations** publication titled ***"Updated Set of principles for the protection and promotion of human rights through action to combat impunity"***. A full copy of the document can be viewed at:

<http://www.derechos.org/nizkor/impu/principles.html>

I feel I should also point out that my fears of presenting myself for surgery are in large part due to the extremely serious nature (as I see it) of the ***"wrong doings"*** of some of the ***"public officials and bodies"*** that I continue to try to expose: wrong doings which I believe the "public officials" concerned would go to any lengths to try to permanently cover up, and to pretend to the general public do not exist. A list of some of the wrong doings in question can be viewed in the table at the following www page location:

http://www.humanrightsireland.com/NorthernIrelandLawSociety/28January2017/ScannedRegisteredLetter.htm#Related_Issues

Also, and not included in the list at the www address just above is what I see as the exceptional threat for "humanity as a whole", and maybe even for ***ALL*** of "life on earth", are the dangers connected with what appears to me as "NATO WARMONGERING", and the unconstitutional, and consequently wholly unlawful (as I see it) use of Shannon Airport (Republic of Ireland) by United States military personal and aircraft. More on this subject can be viewed at:

RELATED EMAILS:

Since writing to you on April 8th 2017, I have also copied three emails to you that relate to my present situation. In case that you might not have received them, and in case you might wish to be aware of the contents of these emails, please know that there are unedited "Gmail PDF" copies of all three of them at the following www locations:

In the hope that it might help you and others to better understand my situation, the message-text of the email at the www address just above contains a definition for

what I consider a "public official" to be, which is as follows:

"A public official is anyone in a position of official authority that is conferred by a state, i.e. someone who holds a legislative, administrative, or judicial position of any kind, whether appointed or elected."

The definition just above has come from:
