Dear Readers,

RE: GOVERNMENT WRONGDOING, AND REGISTERED LETTERS AND EMAILS OF MINE TO PUBLIC OFFICIALS AND BODIES

Please find references to some samples of related information in the sections below.

GOVERNMENT WRONGDOING

The text in the sections below has mostly come from an email dated November 26th 2010 to former Republic of Ireland Prime Minister Brian Cowen (qualified lawyer) and several of his senior public official colleagues.

=====

Government Wrongdoing

"A majority held in restraint by constitutional checks and limitations, and always changing easily with deliberate changes of popular opinions and sentiments, is the only true sovereign of a free people. Whoever rejects it does, of necessity, fly to anarchy or despotism."

[Former United States of America President Abraham Lincoln](#)

At The Heart Of The Matter

By William Finnerty

Little by little, and completely unnoticed by the vast majority of citizens, the Republic of Ireland's Constitution (Bunreacht na hEireann) has slowly but surely, quietly and slyly, been hijacked over a period of several years.

Now, in reality, the written Constitution of the Republic of Ireland is lost to the people of the Republic of Ireland; and, for all practical purposes, and thanks in no small way to impunity, and to the ignoring (by senior public officials) of letters sent through the registered post to them, the whole overall situation relating to this very basic and fundamental loss is (in practice) entirely outside the control of the people of the Republic of Ireland: as things stand at the present time.

Consequently, this extremely "hard won" core legal document ("[Bunreacht na hEireann](#)") no longer offers any worthwhile, practical legal protection whatsoever to the people of the Republic of Ireland against government wrongdoing -- "**Government**" as in [Executive, Legislative, and Judicial](#) that is (i.e. all three of the main branches of the Government of the Republic of Ireland) -- which is of course the PRIMARY PURPOSE of such constitutional legal documents.

In another (of many) efforts to try and remedy this wholly unsatisfactory situation of several years standing, an e-mail containing the text of a recent Open News "Diary Entry" (relating directly to this particularly worrying issue) was sent on November 19th 2010 -- a time close to the beginning of a closely related extended "visit" to **Dublin** from a dozen or so [IMF \(International Monetary Fund\) officials](#) -- to a group of United Kingdom of Great Britain and Northern Ireland parliamentarians.

The group of UK politicians the November 19th 2010 e-mail was sent to included [UK Attorney General Dominic Grieve QC MP](#).

A copy of the November 19th 2010 e-mail in question can be viewed via the following [www link](http://www.humanrightsireland.com/UK/Parliament/Group2/19November2010/Email.htm):
<http://www.humanrightsireland.com/UK/Parliament/Group2/19November2010/Email.htm>

For those who do not already know, in the Celtic language "Bunreacht na hEireann" literally means:

"The SUPREME LAW of the Republic of Ireland".

For **future reference purposes**, a copy of the above Open News Diary Entry text, together with the seriously important **Abraham Lincoln** comments relating to "**constitutional checks and limitations**", was sent by e-mail on November 21st 2010 to an international selection of senior **politicians, lawyers, and economists**. The Tripartite Separation of Powers and Bunreacht na hEireann (Republic of Ireland's Constitution)

*The Constitution of the Republic of Ireland, according to **O'Dalaigh CJ. in In re Haughey (1971)**, is founded on the doctrine of the **tripartite division of powers of government - 1) Legislative (Oireachtas), 2) Executive (Government Cabinet Ministers), and 3) Judicial (Courts).***

Why has this core-issue **doctrine**, which is designed primarily to protect against the well known and all too frequent horrors associated with government bullying and tyranny -- despotism in other words -- and the origins of which can easily be traced back to the "golden" days of **Ancient Greece**, been abandoned (for all practical purposes) by the legislative and judicial branches of the Republic of Ireland's overall Government; and, by the Republic of Ireland's entire legal profession as well apparently: including former law lecturer **President Mary McAleese**?

WHY?

Why are the people of the Republic of Ireland not being **consulted**?

Article 6.1 of our written Constitution (Bunreacht na hEireann) reads as follows:

"All powers of government, legislative, executive and judicial, derive, under God, from the people, whose right it is to designate the rulers of the State and, in final appeal, to decide all questions of national policy, according to the requirements of the common good."
