Dear Ms Lowry

RE: Request to re-schedule my 3.30 pm December 14th appointment to see Dr DB Cheyne GP

Thank you for the "acknowledgement of receipt" email, dated December 6th, which I have received from your office in response to my email to you dated December 4th. Thanks also for the appointment your office has made for me to see Dr Cheyne GP on December 14th at 3.30 pm.

I have placed a copy of the full December 4th email from your office at the following www location:
<http://www.humanrightsireland.com/OrmeauParkSurgeryBelfast/6December2015/Gmail.pdf>

Unfortunately, I am still completely "in the dark" regarding the two registered letters referred to at the www location immediately above, one dated November 27th 2017 to Consultant Psychiatrist Dr Lauren Edgar, and the second dated October 30th 2017 to Community Psychiatric Nurse Carmel Reilly CPN.

As I attempted to indicate in my email to you dated December 4th, I feel I cannot sensibly get involved in any more discussions with Dr Cheney GP unless I am provided with written acknowledgements of receipt for the two registered letters I referred to in my December 4th email to you, a copy of which can be viewed at:
<http://www.humanrightsireland.com/OrmeauParkSurgeryBelfast/4December2017/Gmail.html>

For the purpose of trying to enable you, and Dr Cheney, to hopefully better understand my present set of "medical and legal" difficulties, I feel I should now point out that my difficulties with trying to find consultant psychiatrists, lawyers, politicians, and others, willing to take proper account (as I see it) of information which I believe is entirely relevant to my case, dates back several years to before I became a patient at your surgery in April of this year.

I include some evidence of the closely related, and strongly intertwined (as I see it), set of "legal and medical" difficulties in the list of letters and emails provided below. These include mention, in **Item 2**, of the "short fuse" related **PTSD** (Post Traumatic Stress Disorder) "**outbursts of explosive anger**" symptom I feel I need to be particularly cautious about in relation to my face-to-face communications with other people. Written "acknowledgements of receipt" for the two registered letters referred to above, dated November 27th 2017 (to Dr Edgar) and October 30th 2017 (to Nurse Reilly), would, I believe, greatly reduce the risk of such PTSD type "outbursts of explosive anger" occurring, which, since around Year 2000, can -- given the right conditions -- arise very suddenly in me.

Yours sincerely,

William Finnerty.
