Subject: Request for me to go to see Dr Cheyne at his Surgery

Dear Ms Lowry,

RE: Your request for me to go to see Dr D B Cheyne GP at his Surgery

Thank you for your email dated November 28th.

Please know that, in principle, I am entirely happy to go to see Dr Cheyne GP, as you have requested me to do, on his behalf.

However, in practice, there is a major problem (for me) in doing so, at the present time. This problem relates to the letter dated November 29th 2017 which I received last Saturday from Nurse Carmel Reilly. I have placed a scanned copy of it at the following www location:

<http://www.humanrightsireland.com/BelfastHealthAndSocialCareTrust/29November2017/Letter.htm>

The contents of the scanned letter at the www location just above strongly suggest (to me) that Nurse Reilly might still be entirely unaware of the letter I sent to her through the registered post on October 30th 2017. There is a scanned copy of my October 30th 2017 registered letter to Nurse Reilly, together with scanned copies of the associated Royal Mail receipt, and of the Royal Mail "Proof of Delivery" note, at:

<http://www.humanrightsireland.com/BelfastHealthAndSocialCareTrust/30October2017/RegisteredLetter.htm>

More recently, i.e. on November 27th 2017, I also sent an email, and a signed "marked up" printout of the same November 27th 2017 email, through the registered post to Consultant Psychiatrist Dr Lauren Edgar, who I understand is Nurse Reilly's Team Leader. Again, there is no mention at all of my November 27th 2017 email, and/or of the associated registered letter to Dr Edgar, in Nurse Reilly's letter to me dated November 29th 2017 (referred to in paragraph three above), which, according to the associated Royal Mail "Proof of Delivery" note, was successfully delivered at 11:54 am on November 28th 2017. Scanned copies of my November 27th 2017 registered letter, and of the associated Royal Mail receipt and "Proof of Delivery" note, can be viewed at:

<http://www.humanrightsireland.com/BelfastHealthAndSocialCareTrust/27November2017/RegisteredLetter.htm>

As I hope, and trust, you will understand, I feel I cannot sensibly get involved in conversations with anybody regarding the above mentioned "communications difficulties", and this is on account of the fact that, as a result of many similar past experiences, I know that attempting to do so invariably exacerbates, in severe ways, the symptoms of the chronic PTSD (Post Traumatic Stress Disorder) I have now been suffering from for the best part of the past twenty years. Please find evidence of this PTSD condition of mine, and the reasons for it, in the attached "To Whom It May Concern" letter written by my former GP Dr Michael McCavert, which is dated October 28th 2005.

Assuming it is within your remit to do so, it would be much appreciated by me if you could please try to find out, on my behalf, if Consultant Psychiatrist Dr Dr Lauren Edgar is aware of the contents of the two registered letters -- dated October 30th 2017, and November 27th 2017 -- referred to above, and to advise me in writing of the result of your enquiries.

I look forward to hearing from you again.

Yours sincerely,

William Finnerty.
