Dear Ms Milligan,

As you may know, I had a lengthy discussion with Portadown Housing Officer John Hughes last Friday afternoon (August 26th 2016) at the 10 Churchill Park property that I have been offered, as the first of the "maximum of three reasonable offers" referred to in the letter I received from Housing Executive Area Manager Denise McNally dated August 10th 2016.

Assuming I understood John Hughes correctly last Friday, he seemed to believe that, as a person who has been provided with "temporary/emergency" accommodation by the Housing Executive, which I am at present living in, I should request a "review" of the "10 Churchill Park" offer, of the kind referred to in the letter I received from Housing Executive Area Manager Denise McNally dated August 10th 2016. This is because I feel the property at 10 Churchill Park is unsuitable for me, on account of the fact that it is not "sheltered accommodation". Consequently, I have decided not to accept the "10 Churchill Park" offer.

John Hughes stressed, that I should set out my decision not to accept the "10 Churchill Park" offer, together with my reasons for the "request for a review of my case" in writing, and send it to you on or before Wednesday, August 31st 2016: at the very latest.

In addition, John Hughes suggested that **a)** I ask you to have my Housing Executive records updated regarding the type of accommodation I feel I now need, and **b)** that I also ask you to be allowed to stay at my present "temporary/emergency" accommodation in Newry, until such time as I can be provided with "sheltered accommodation" of the kind which is watched over (full-time) by wardens.

I did in fact ask for "sheltered accommodation" in my email to Area Manager Denise McNally dated August 17th 2016. Please see under "Section 2)" of the message-text in the copy of my August 17th 2016 to Ms McNally at the following www location:

<http://www.humanrightsireland.com/PortadownHousingExecutive/17August2016/Gmail.html>

In connection with the above requests, I would be grateful if you could please take account of the points I have listed under 1) to 6) below:

**1)** On November 16th 2015 there was a murder attempt on my life while I was a tenant at 31, Kilmorey Street, in Newry. Further information relating to this matter, and my ongoing efforts to deal with certain of its consequences, can be found in the www Search Engine Listing at the www location provided just below:

Murder attempt, William Finnerty, 31 Kilmorey Street:

<https://www.google.co.uk/?ion=1&espv=2#q=Murder+attempt%2C+William+Finnerty%2C+31+Kilmorey+Street%3A>

**2)** I feel I need to be living in an area where there are voluntary organisations which provide "group therapy" type support for people like myself who are suffering from chronic Post Traumatic Stress Disorder. Such voluntary groups are, as far as I know, most likely to be found in areas that are the most densely populated, such as, for example, in, or close to, central Belfast, and other similarly sized cities.

Please know that the medical profession is apparently unable to provide me with "talking therapy" of any kind for the chronic Post Traumatic Stress Disorder I am suffering from; and, that I have been informed by Consultant Clinical Psychologist Dr Elizabeth McMonagle at Daisy Hill Hospital in Newry, on May 17th 2016, that this is because of the several unresolved legal problems I am at present struggling with.

Additional information relating to my May 17th 2016 meeting with Dr Elizabeth McMonagle can be viewed at:

<http://www.humanrightsireland.com/DrElizabethMcMonagle/17May2016/Letter.htm>

Evidence of the Post Traumatic Stress Disorder which developed in me several years ago, can be found in the "To Whom It May Concern" letter from my former GP in Omagh, Dr Michael McCavert, a copy of which I am including with this email as an electronic attachment.

Please know that I have asked my present GP, who is Dr John Radcliffe at the Meadowlands Surgery in Newry, for a written update of Dr McCavert's October 2005 assessment of my mental health, based on the much more recent psychiatric assessments carried out on me by Consultant Psychiatrist Dr Mark McCauley, and Consultant Clinical Psychologist Dr Elizabeth McMonagle, who both work at the Daisy Hill Hospital in Newry.

Additional information regarding my request for this new Daisy Hill Hospital psychiatric assessment of me, in addition to information on other physical medical issues of mine, which include an extremely high "PSA Count (prostate cancer indicator)", can be found in the texts of two registered letters I have sent to Dr John Radcliffe GP, and his two GP colleagues at Meadowlands Surgery. Scanned copies of the two registered letters in question, dated April 26th 2016, and August 1st 2016, can be viewed at the two www locations provided just below:

<http://www.humanrightsireland.com/MeadowlandsSurgery/1August2016/RegisteredLetter.htm>

and

<http://www.humanrightsireland.com/MeadowlandsSurgery/26April2016/RegisteredLetter.htm>

To date, I have not received any reply of any kind from anybody at Meadowlands Surgery to either of the two registered letters referred to at the two www locations just above.

As a consequence of I not hearing anything from anybody at Meadowlands Surgery regarding these two registered letters, I have no way of knowing if any of the three GPs (General Practitioners) working in Meadowlands Surgery are aware of the existence, let alone the contents, of these two registered letters, dated April 26th 2016, and August 1st 2016.

**3)** I am still finding it extremely difficult to find legal representation of the kind I believe I very badly need, and am legally entitled to.

Evidence of this, which includes mention of a recent threat received by me, from Mr Ronan McGuigan LL.B of "McGuigan Malone Solicitors" in Newry, to take legal action against me, can be found in the scanned copy of the registered letter I sent to Northern Ireland Justice Minister Claire Sugden MLA on August 24th 2016, a scanned copy of which can be seen at:

<http://www.humanrightsireland.com/NorthernIrelandJusticeMinisterClaireSugdenMLA/24August2016/RegisteredLetter.htm>

**4)** I am concerned about the possibility that, soon after changing address, I will be asked to fill out (and sign) new application forms for Housing Benefit, and possibly for Pension Credits as well. My concerns relate to the manner in which "unsecured loans" are possibly being treated by the Housing Executive, and by the Pension Service as well maybe. Additional information relation to this matter can be found under "Section 3)" of the message-text in the copy of my August 17th 2016 to Portadown Area Manager Denise McNally at the following www location:

<http://www.humanrightsireland.com/PortadownHousingExecutive/17August2016/Gmail.html>

Last Friday, Portadown Housing Officer John Hughes seemed to me to be of the opinion that, in connection with my moving to a new address, I will most likely only be asked to sign a very simple "Change of Address" form, and nothing more than that. Any written confirmation confirming this, which you might be able to provide me with, would be much appreciated: having due regard for the fact that, at the present time, I still do not have any professional legal representative to advise me regarding this matter, or on any other legal matter.

**5)** In connection with this request for a review of my case, I feel I should also point out that, for several years now, I have been, and still am, the full legal owner of a three bedroom detached bungalow, located on a site of almost one acre, in the village of New Inn, County Galway, in the Republic of Ireland: which I would very much like to be able to return to, as soon as possible, for the purpose of making it habitable again. The property itself, and the site it stands on, are both in a derelict state at the present time.

However, and in so far as I am aware, there is an **extant warrant for my arrest** in the Republic of Ireland. I have tried, among other things, to get written confirmation of this using the email, and the registered letter (both dated July 9th 2016) I sent to the Clerk of the District Court (Josephine Mulherin) in Loughrea, County Galway, and to Judge Geoffrey Browne, the judge who, I understand, issued the warrant for my arrest on July 8th 2015. A copy of the July 9th 2015 email can be viewed at:

<http://www.humanrightsireland.com/LoughreaDistrictCourt/9July2015/Email.htm>

and, a scanned copy of the very closely related registered letter can be seen at:

<http://www.humanrightsireland.com/LoughreaDistrictCourt/9July2015/ScannedRegisteredLetter.pdf>

More recently, beginning on October 19th 2015, I sought legal help from Newry based lawyer Ms Louise Moley LL.B, of "McGuigan Malone Solicitors" in Newry. This was mostly for the purpose of I trying to bring about the circumstances which would enable me to be able to return safely (i.e. without the risk of being arrested and imprisoned) to the Republic of Ireland. Evidence of this effort of mine can be viewed in the scanned copy of the registered letter I sent to Ms Moley on November 5th 2015 at the following www location:

<http://www.humanrightsireland.com/McGuiganAndMalone-LawFirm/5November2015/RegisteredLetter.htm>

Unfortunately, it was this October 19th 2015 attempt of mine to find legal help, which has now resulted in the threat of legal action being taken against me, by Mr Ronan McGuigan LL.B, which is referred to at "3" above.

**6)** Finally, I feel I should make it clear that, as far I am concerned, the allegations that have been made by public officials in the Republic of Ireland, which claim that I have committed crime in the Republic of Ireland, are totally false; and, in reality, nothing other than a ploy to deflect attention away from the government wrongdoing I am trying to expose. Through their efforts to criminalise me with these completely false allegations, and the use of a "Kangaroo Court" type of court hearing, they can very easily criminalise and discredit me, and thus undermine all of my very time-consuming, and very expensive (in more ways than one) efforts of the past 18 years or so, to expose the forms of government wrongdoing I am attempting to challenge.

The wrongdoing by public officials in the Republic of Ireland, which, in my opinion, includes all, or almost all, of the entire membership of the three main branches (Executive, Legislative, and Judicial) of the Republic of Ireland governments of recent decades, which I have referred to in the paragraph immediately above, involves, among other things, a long string of major violations of Article 6.1 of the Constitution of the Republic of Ireland, or "Bureacht na hEireann" as it is sometime referred to, and which is of course the **Supreme Law** of the Republic of Ireland.

Additional information on the "Article 6.1" violations referred to in the paragraph immediately above, can be found at the following www page location:

[http://www.humanrightsireland.com/FACEBOOK/26February2016/GeneralElection.htm#Article\\_6.1](http://www.humanrightsireland.com/FACEBOOK/26February2016/GeneralElection.htm#Article_6.1)

Yours sincerely,

William Finnerty.
