WHERE IT ALL WENT WRONG?

"The original error [was in] establishing a judiciary independent of the nation, and which, from the citadel of the law, can turn its guns on those they were meant to defend, and control and fashion their proceedings to its own will." --Thomas Jefferson to John Wayles Eppes, 1807. FE 9:68

DR EDWIN VIEIRA

"It is time to put the Judiciary back in its proper place. Dr. Edwin Vieira, a Trustee of The Conservative Caucus Foundation (TCCF) and a brilliant legal scholar, has comprehensively addressed these and other issues in this study commissioned by the TCCF, 'Constitutional and Statutory Remedies for Judicial Usurpation and Tyranny.'"

"The most important constitutional issues of this generation concern the meaning of the rule of law and the ability of 'the people' to enforce true law by restraining runaway activist judges. For decades, such judges have been simply making up law. What is worse, liberal and conservative lawmakers have been reinforcing such behaviour by treating such rulings as if they are legitimate."

"Edwin Vieira, Jr., holds four degrees from Harvard: A.B. (Harvard College), A.M. and Ph.D. (Harvard Graduate School of Arts and Sciences), and J.D. (Harvard Law School)":

FORMER U.S. PRESIDENT THOMAS JEFFERSON

A MAJOR ISSUE for the "REPUBLIC OF IRELAND", and for the "REPUBLIC OF THE UNITED STATES OF AMERICA":

"It is a misnomer to call a government republican in which a branch (i.e. the judicial branch) of the supreme power is independent of the nation." --Thomas Jefferson to James Pleasants, 1821. FE 10:198

"I consider Trial by Jury as the only anchor yet imagined by man, by which a government can be held to the principles of its constitution."

Thomas Jefferson, Human Rights Ireland, William Finnerty:

<https://goo.gl/sX3HfG>

===

PREVENTION OF GOVERNMENTAL ABUSE OF POWER ...

"Under its full and (I would submit) rightful power, the JURY may:

"Hold the Court (including the judge) to account. The jury stands supreme.[7] It is a check upon governmental

abuse of power. *It must be able to hold any and all to account or it will not be able to fulfil its role."*

*"Have all evidence made available to them. **If the Government have the power to set the rules by which evidence may be introduced then it might as well be given the power to frame someone.** All the lawfully gathered evidence must be made available to the jury."*

*"By unanimous consent vote the accused "guilty" or "not guilty" of wrongdoing regardless of whether they think the accused has broken the law or not. **Government may not bind the conscience of the jury. If the jury feels a law is unjust, or that a law has been unjustly applied, then they in effect throw the case out of court by voting "not guilty" and thus ensure corrupt laws (and the corrupt application of laws) work no ill upon the people. This is called jury nullification because the law is nullified.[8]"***
