Good Morning Mr Finnerty

I can advise that once you have upheld your proposal of clearing the outstanding arrears and your rental account is no longer in arrears that Radius Housing Association will not proceed with an Eviction date indefinitely on the condition that you maintain payments to cover your weekly rental charges and that your account does not fall into arrears again.

I must advise that you must continue to maintain your weekly payment for the rental charges once your proposal has been upheld. If the scenario presents itself that you do fall into arrears again then we will act on this and at that point take further action which may lead to recommending eviction proceedings.

As stated in my previous email can you contact Stacey or myself to confirm arrangements for your payment to be made to clear the outstanding arrears.

Kind Regards

Ciaran
