Subject: Re: Request to Radius Housing Association for a concession

Dear Ms O'Donnell,

Re: Request to Radius Housing Association for a concession

Thank you for your letter dated October 6th 2023 which I received on October 13th.

On account of major, ongoing uncertainties relating to my present overall financial situation, which includes unpaid debts of mine connected with the Euros 116,100 I have borrowed against my home in the Republic of Ireland, referred to by me in earlier items of correspondence I have sent to Radius Housing, I decided some months ago to delay presenting my car for an MOT test until such time as my appeals connected with the cancellations, in **July 2019**, of both my **Pension Credit payments**, and my **Housing Benefit payments**, had been finalised.

Finalisation of my claims has been delayed -- **yet again** -- in connection with a **"STATEMENT OF REASONS"** document which, as I understand it, **TAS** (The

Appeals Service) is at present in the process of completing.

In response to an earlier request of mine to TAS for information on how long it will take for the completion of the document in question, I have received a letter from TAS dated **September 25th 2023** which states: **"This is quite a lengthy document and can take several weeks to complete"**.

The main reason I am writing to you just now is to request a concession from Radius Housing that I be allowed to continue to park my car in the courtyard of the Radius Housing property I am at present living in, until such time as I am in receipt of the "STATEMENT OF REASONS" document from TAS referred to above.

In support of this request for a concession from Radius Housing, I wish to make the points listed in the section immediately below.

=== === ===

1) At the last TAS appeal hearing I attended on **July 28th 2023**, I asked the **Legally Qualified Member (Barrister Mr. Martin O'Brien)** if he believed it was lawful for the courts to have issued an eviction order on behalf of Radius Housing to have me evicted, in circumstances whereby neither of the two appeals of mine referred to above had been finalised. Mr. O'Brien informed me that it was **"not his job"** to provide me with an answer to that question.

It is now my hope that this so far unanswered enquiry of mine relating to the legality and legitimacy of the eviction order in question, will be answered for me by TAS in the **"STATEMENT OF REASONS"** document referred to above, which I hope to receive within the coming few weeks or so. In connection with this, and a number of other very serious legal matters (as I see them), please note that I still do not have, and still cannot, at the present time, see any realistic prospect of I finding proper professional legal advice -- i.e. legal advice and representation of the kind that recognises and supports human rights law, and constitutional law, in meaningful, practical ways -- despite the numerous efforts I have been making, throughout the past 25 years or so, in a number of different jurisdictions, to find such professional legal help.

2) Although the TAS appeal hearing of **July 28th 2023** was brought to a close before I got the opportunity to enquire about the legality and legitimacy of the fact (as I see it) that Radius Housing still appears to me to have decided to blatantly violate the written agreement, between myself and Radius Housing dated **August 19th 2022**, within hours of I very reluctantly deciding to enter into it, on **October 13th 2022** (with your help); but, **a)** without, as I believe I made clear to you at the time, having any direct access to independent, professional legal advice; **b)** against the advice of a number of staff members at my bank who strongly urged me not to enter into the agreement until such time as a professional lawyer had advised me to do so; **c)** while feeling under extreme psychological pressure because of the rapidly escalating threats of being evicted, under the terms of the court order referred to above, even though I had at the time already been diagnosed by a number of medical doctors as suffering from PTSD and C-PTSD (Complex-Post Traumatic Stress Disorder), which I

have never received any proper medical treatment for to date. It is now my hope that these very worrying issues will also be explained to my satisfaction in the **"STATEMENT OF REASONS"** document referred to above.

A copy of the **August 19th 2022** agreement between myself and Radius Housing, which I entered into **October 13th 2022**, has been placed at the www location immediately below, together with information relating to the entirely unexpected payments out of my bank account that followed, totalling **£18,147.10**, **which formed no part of the written August 19th 2022 agreement** I entered into; and, which I felt forced to go along with under the unrelenting threats of eviction I was receiving at the time: at least until such time as I could find proper professional legal advice on the matter:

<http://www.humanrightsireland.com/AppealsServiceNorthernIreland/13Jan2023/Appeal-Related-Info.htm#Agreement>

3) I took a copy of the book titled **"CRIMINALITY IN THE IRISH COURTS"**, written by **Dr. Stephen T. Manning**, and published in **July 2020**, to the TAS oral hearing I attended on **July 28th 2023** and showed it to all those present at the hearing: in the hope that those people making decisions relating to my appeals (referred to above), might avail themselves of copies of this book.

Part of the contents of this book read as follows:

"In absolute frustration at the sheer depth and breadth of the corruption, cronyism and criminality being foisted on the Irish public with brass-necked impunity by a hierarchy of hypocrites; a cabal of connected insiders, schemers, fraudsters and grovelling lackeys; by legal tricksters, pompous and deceitful who, in their wretched scramble for 'worldly success' have abandoned all but the hollow pretence of morality, and who have cravenly prostituted themselves, most royally, for their own personal slice of the poisonous, State-sponsored pie; where 'anything goes' as long as there is profit and reward in it despite the damage and distress being caused to trusting, innocent others; and in light of the now-indisputable fact that the whole ridiculous 'truth and justice' carnival in Ireland is no more than an elaborate scam and a pretence - a sordid insider's joke - whereby career liars and moral deviants hijack the mechanisms of justice, the levers of political power and the apparatus of the State so as to serve an overarching, repugnant agenda; to foster and protect an extraordinarily corrupt status quo whilst suppressing the truth and controlling the narrative so as to continue to mislead and deceive all objective observers." (Copied from Amazon's Web Site.)

I further pointed out, at the oral hearing, that the **only** reason I came to Northern Ireland in **July 2015** was because that was the only way I felt I could, at very short notice, avoid being corruptly criminalised in connection with a false claim that I had assaulted a member of An Garda Síochána (the Republic of Ireland Police Force). I had hoped I would find proper legal representation here in Northern Ireland which would enable me to be able to safely return to the Republic of Ireland, within a matter of some weeks. Now, well over 8 years later, I still have not managed to find a single

lawyer willing to take on my case: despite multiple requests, throughout the past 8 years and three months or so in question, for proper legal assistance from the Northern Ireland Law Society, the Belfast Law Centre, and several Northern Ireland law firms.

Further important "hard evidence" (as I see it), can be viewed in a video report connected with a recent **Four Courts (Dublin)** hearing involving "**wrongdoings**" which are still being committed at the hands of "**individuals and public officials and bodies**" in the Republic of Ireland (and elsewhere) as I see the overall situation, and which, based on my own extensive, independent experiences of such matters over the past 25 years or so, I -- in a **very sad and worrying way for the future wellbeing of "Humanity As A Whole"** -- believe contains a number of uncomfortably strong elements of truth. The video I refer to forms part of a **FACEBOOK** post of mine dated **October 12th 2023**, titled "**THEY'RE ALL IN THE POCKETS OF THE BANKS**", at:

<https://www.facebook.com/william.finnerty.3/posts/pfbid02nafjfr88eKpZRLM57rCWzgv3GGNKo6vN7vAwUwy5J4ZkGLt6pGK5zjep9tLVTAAEI>

Additional information regarding statements made by **Dr. Michael McCavert GP**, relating to "**wrongdoings at the hands of individuals and public officials and bodies**" made in his "**To Whom It May Concern**" letter dated **28 October 2005**, can be viewed at:

<http://www.humanrightsireland.com/AppealsServiceNorthernIreland/13Jan2023/Appeal-Related-Info.htm#DrMichaelMcCavertGP>

=== === ===

Finally, I wish to make it completely clear that if Radius Housing are unwilling to grant me the concession I have requested above regarding my car, I will make arrangements to have it removed from the Radius car park without undue delay, following the **October 28th 2023 deadline** you have set out in your **October 6th 2023** letter to me: on the understanding that I will be informed, in a timely manner, in writing, if Radius Housing have decided to refuse my request for the above-mentioned concession.

Yours sincerely,

William Finnerty.
