Republic of Ireland Parliament Speech on "Motion on Irish Water"

(Email dated October 28th 2014)

EMAIL MESSAGE TEXT:

Dear Deputy Keaveney,

Re: Speech on "Motion on Irish Water" by REPUBLIC OF IRELAND TD Colm Keaveney (published on October 23rd, 2014) at:

<https://www.youtube.com/watch?v=pA7GHETW9Js&feature=youtu.be>

In a very general sort of way, I feel you are much to be congratulated -- and encouraged -- regarding the contents of this recent speech of yours.

However, I also believe that the present overall set of problems which "the people" of the Republic of Ireland now face runs much deeper, and is far more serious than your speech suggests.

At its most basic (as I see things), "the people" of the Republic of Ireland are LEGALLY entitled to a "government of the people, by the people, for the people" type of democratic, republican government: thanks to the FACTUAL and IRREFUTABLE existence of Article 6.1 of Bunreacht na hÉireann (the Constitution of the Republic of Ireland): which is of course the core-part of the SUPREME LAW of the Republic of Ireland, and the full text of which is set out just below (in full).

Article 6.1 of the SUPREME LAW of the Republic of Ireland:

"All powers of government, legislative, executive and judicial, derive, under God, from the people, whose right it is to designate the rulers of the State and, in final appeal, to decide all questions of national policy, according to the requirements of the common good."

What we "the people" of the Republic of Ireland are at present saddled with, is the style of government which many people all over the world now think of as a fascist/totalitarian type of "government of the bankers, by the bankers, for the bankers": thanks largely to the fact that -- despite the very clear and very easy to understand contents of Article 6.1 of our Constitution referred to above -- is what the vast majority of the members of the three main branches of the Republic of Ireland Government (Executive, Legislative, and Judicial), and the mostly Bankster owned/controlled "Main Stream Media", are at present strongly supporting (often very underhandedly): both by deed, and by omission.

This "Bankster" problem, I would argue, is our core-problem just now; and, without wishing in any way to distract attention away from the seriousness of the present "Irish Water" difficulties, it, the "Irish Water Difficulty", is but one of several other equally serious, and some even more serious symptoms of our core-problem: which leads to the belief that it is the core-problem that now needs to be addressed as a matter of urgency, and of top priority; and, that this core-problem (relating to the bankers) now needs to be addressed by the entire membership of the three main branches of the Republic of Ireland Government: Executive, Legislative, and Judicial.

"Billionaire Warren Buffet, currently the third wealthiest man in the world, paid the lowest rate of tax among his office staff, including his receptionist.
"In 2006 the world's three biggest banana companies did nearly £400 million worth of business in Britain but paid just £128,000 in tax between them.
"In January 2009, US law enforcement fined Lloyds TSB \$350 million after it admitted secretly channelling Iranian and Sudanese money into the US banking system.
"Tax havens are the most important single reason why poor people and poor countries stay poor. They lie at the very heart of the global economy, with over half the world trade processed through them. They have been instrumental in nearly every major economic event, in every big financial scandal, and in every financial crisis since the 1970s, including the latest global economic downturn.
"In Treasure Islands, Nicholas Shaxson shows how this happened, and what this means for you.

"I have previously written repeatedly that Donald Trump is London City's, i.e. Rothschild's antithesis – and that in any case the winner of the US election always is... Rothschild.

"As shown below by Global Research, Goldman Sachs -and thus Jacob Rothschild – has totally conquered Donald Trump – as well as Obama and Hillary Clinton – just as Rothschild has conquered e.g. Denmark and former EU Commission President, José Barroso.

"Wall Street on Parade 9 Jan. 2017: During his political campaign, Donald Trump repeatedly railed against Wall Street with a specific focus on Goldman Sachs. "It's a global power structure that is responsible for the economic decisions that have robbed our working class, stripped our country of its wealth, and put that money into the pockets of a handful of large corporations and political entities. I will change that"

"Trump's non-stop nominations and appointments of Goldman Sachs alumni have left his supporters stunned.

- 1) Steven Mnuchin, a 17-year veteran of Goldman Sachs to be his Treasury Secretary.
- 2) Stephen Bannon, another former Goldman Sachs banker, Chief Strategist in the White House.
- 3) The sitting President of Goldman Sachs, Gary Cohn, Director of the National Economic Council, which, according to its website, coordinates "policy-making for domestic and international economic issues.
- 4) Goldman Sachs outside lawyer, Jay Clayton as Wall Street's top cop as Chairman of the Securities and Exchange Commission. Clayton's wife currently works as a Vice President at Goldman Sachs.
- 5) Alexander Blankfein, the oldest son of Goldman Sachs' CEO Lloyd Blankfein had been Joshua Kushner's (brother of Trump's Jewish son-in-law) roommate at Harvard according to the New York Times.
- 6) Dina Powell, President of the Goldman Sachs Foundation, is Ivanka Trump's "top adviser on policy and staffing.
- 7) Erin Walsh: Since 2010 Executive Director and head of its Office of Corporate Engagement for Asia Pacific...Now part of Trump's transition landing team for the State Department (Jon Rappoport Activist Post 12 Jan. 2017).
- 8) Former Goldman Sachs banker, Anthony Scaramucci. Now on Trump's transition team (Jon Rappoport Activist Post 12 Jan. 2017)

"So, no wonder that the Goldman Sachs shares went up by 32% after Trump's victory!!

GOLDMAN SACHS IS AN UNSCRUPULOUS, IMMORAL NWO ROBBER – ONLY SURPASSED BY ROTHSCHILD'S CENTRAL BANKS

It is the largest and most ruthless of of Rothschild's investment banks.

PETER SUTHERLAND

"Who is Peter Sutherland beyond being a UN boss, and why should anything he says matter anymore than the bloviations (empty, pompous political speeches) of any other nattering nabobs (person of conspicuous wealth or high status) at the UN?

"Sutherland is an Insiders' insider who is well known worldwide in the corridors of real power.

"The UN News Centre introduction about Sutherland:

- 1) "A former Attorney General of (Republic of) Ireland.
- 2) EU Commissioner for competition policy, and
- 3) headed the Global Agreement on Tariffs and Trade (GATT) and
- 4) the World Trade Organization (WTO)."

Furthermore

- 5) Sutherland was chairman of Goldman Sachs International until this past June, the "vampire squid" known for its predatory, corrupt practices;
- 6) He is a regular attendee and former Steering Committee member of the ultra-secretive, ultra-elite Bilderberg Group and here and here and here.
- 7) He was European chairman of the Trilateral Commission;
- 8) He is past chairman of British Petroleum (BP);
- 9) He is honorary president of the Transatlantic Policy Network (TPN), one of the principal corporatist insider organizations promoting EU-U.S. merger through the TTIP;
- 10) He has been hailed as "the father of globalization" as a principal architect of the WTO,
- 11) as a top Eurocrat, he played a lead role in destroying national sovereignty by replacing national currencies (and national monetary control) with the euro, as well as engineering the "borderless Europe," which the current migrant crisis is now proving to have been so destructive.

"On September 30, Sutherland was the main speaker at an event sponsored by Rothschild's Jesuit Council on Foreign Relations (CFR) entitled, "A Global Response to the Mediterranean Migration Crisis" (see video and transcript here).

"I will ask the governments to cooperate, to recognise that sovereignty is an illusion."

RELATED BREXIT ISSUE:

Second Republic of Ireland referendum on the EU Lisbon Treaty was unconstitutional, and consequently unlawful?

'Please note that the "mountain" of very diverse and serious crime connected with the Global Security Fund appears to me to have potentially huge, and possibly very dangerous implications (of a tyrannous nature) for all of us: particularly if a second referendum is held in the Republic of Ireland on the Lisbon Treaty during the coming six months or so -- as several close observers of the situation are at the present time publicly speculating will almost certainly happen.'
