Ms Louise Arthurs
 The Law Centre
 3rd Floor
 Middleton Building
 10-12 High Street
 Belfast

Northern Ireland
BT1 2BA

Dear Ms Arthurs,

Following on from my email to you of July 31st 2017, my query relates to the possibility that The Belfast Branch of the Northern Ireland Law Centre might be able to help me to resolve a set of "legal and medical difficulties" which has steadily grown more complicated over the past nineteen years or so, and which has left me suffering from chronic Post Traumatic Stress Disorder (PTSD) for a continuous period of approximately 17 years now (i.e. from Year 2000 to the present time), and debts in excess of Euros 80,000 which I owe to my brother (Mr Gerald Finnerty) and my half-sister (Ms Marjorie Dolan), who are both domiciled in the Republic of Ireland, in the same village that my own home is located in. **Evidence of the PTSD I am suffering from, and the REASONS why I have ended up suffering from this medical condition, can be found in the attached copy of the "To Whom It May Concern" letter dated October 28th 2005 from my former GP, Dr Michael McCavert.**

One very disturbing aspect for me of the set of difficulties in question is that there is an extent warrant for my arrest in the Republic of Ireland which is preventing me from returning to my home in County Galway (Republic of Ireland). Through their "*Free Consultation & Legal Advice*" service, Oracle Solicitors in central Belfast kindly offered me the opportunity to discuss this particular aspect of my present situation with a member of their staff on July 28th 2017, for a period of up to one hour. During the discussion, the member of staff I spoke with, Ms Carolyn Rhodes, decided I had did not have a case which her law firm could take on; and, assuming I understood her correctly, the main reasons for this include the following:

- a) I do not have any tangible evidence to show that there actually is an extant warrant for my arrest in the Republic of Ireland, which I have been told was issued on July 8th 2015,
- b) I do not have any tangible evidence of any attempt by the authorities in the Republic of Ireland to have me extradited from Northern Ireland;
- c) I do not have any tangible evidence to show that I am receiving any medical treatment for the PTSD condition I am suffering from (because I am not receiving any);

and,

- d) As a consequence of what I have related just above under a), b), and c), Ms Rhodes felt that it was most unlikely I would be granted legal aid.

However, in connection with the fact that the medical treatment I had started to receive from a psychologist at Daisy Hill Hospital in Newry, in 2016, was suddenly cancelled on account of the fact that I had unresolved legal problems, Ms Rhodes advised me to contact The Law Centre regarding this "Chicken and Egg"/"Catch 22" type situation I have been trapped in for several years now, whereby the legal profession claims it cannot provide me with legal help on account of the fact that, among other things, I am not receiving any medical treatment for PTSD; and, at the same time, that the medical profession is unable to provide me with medical help because of my unresolved legal problems. I feel I should point out that at the very end of my meeting with Ms Rhodes, she made it clear to me that, allowing for the situation related under a) to d) above, Oracle Solicitors are unable to take on my case, and that consequently I am not a client of theirs: which means I still do not have any legal representation.

There is one particular aspect of my present "medical situation" which I feel deserves special attention, and that relates to the fact that I have a "prostate gland" problem. Additional information regarding the difficulties involved can be found in the copies of the two letters at the www location immediately below. One of the two letters, dated February 20th 2017, was written by Craigavon Hospital Consultant Mr Anthony Glackin MD FRCSI (Urological Surgeon). Please see at:

<http://www.humanrightsireland.com/HSE/14February2017/Letter.htm>

I wish to also point out that, due to the time restrictions, the medical matter referred to in the paragraph immediately above was not discussed during my meeting with Ms Rhodes on July 28th last (referred to above).

In the hope that The Northern Ireland Law Centre might be able to help me in connection with the above-mentioned difficulties, I am including additional information relating to my overall situation in the Appendix below, should you consider it appropriate to take account of it in connection with this query of mine.

For the purpose of making it easier for you to communicate the contents of this email to colleagues and associates, should you wish to do so, I will later today place an unedited "Gmail PDF" copy of this email at the following www location:

<http://www.humanrightsireland.com/TheNorthernIrelandLawCentre/4August2017/Gmail.pdf>

I look forward to hearing from you regarding the possibility that the Northern Ireland Law Centre might be able to help regarding me the above-mentioned difficulties.

In the event that you would like me to provide you with any further information, please know that it would be best, from my viewpoint, if you could please email me regarding any such requests you may have. This is because of the fact that earlier attempts of mine to discuss the overall set of difficulties in question, have frequently resulted in the symptoms of the PTSD symptoms I suffer from being exacerbated in major ways for periods of time ranging from a few hours to several days, and on a number of occasions, for much longer than that. Ideally, and in so far as it is possible of course, it seems best that I try to avoid talking to people who have little or no knowledge, or training, regarding the matter of helping people who are suffering from PTSD.

Yours sincerely,

William Finnerty.

Item #1: Communications Difficulties with my former GP

I have never received any reply of any kind -- not even an acknowledgement of receipt -- from anybody connected with Meadowlands Surgery in Newry to the two registered letters sent by me to Dr Radcliffe GP, who I understand works in partnership with Dr J.J. Torney GP, dated April 26th 2016 and August 1st 2016. Copies of the two letters in question can be viewed at the www locations provided just below:

Registered letter dated April 26th 2016:

Registered letter dated August 1st 2016:

===

Item #2: Failed efforts of mine to find Legal Representation via the The Law Society of Northern Ireland

In 2016 I sought help from from one of the largest political parties in Northern Ireland, and was advised that, as they viewed my core difficulty as being entirely legal, and not political, I should contact The Law Society of Northern Ireland, which I later did.

Evidence of my efforts to find legal representation through contacting The Law Society of Northern Ireland can be viewed in the copies of the two registered letters at the www locations provided immediately below:

Registered letter dated January 28th 2017:

Item #3: Deep puzzlement for me regarding the policing and the enforcement of European Union Human Rights Law in both Northern Ireland, and in the Republic of Ireland

The text of Article 47 of THE CHARTER OF FUNDAMENTAL RIGHTS OF THE EUROPEAN UNION:

"Right to an effective remedy and to a fair trial"

"Everyone whose rights and freedoms guaranteed by the law of the Union are violated has the right to an effective remedy before a tribunal in compliance with the conditions laid down in this Article."

*"Everyone is entitled to a fair and public hearing within a reasonable time by an independent and impartial tribunal previously established by law. **Everyone shall have the possibility of being advised, defended and represented."***

"Legal aid shall be made available to those who lack sufficient resources in so far as such aid is necessary to ensure effective access to justice."

Why, I frequently find myself wondering, allowing for the text just above, and other similar human rights law texts, am I having such enormous difficulty, over a period of several years, i.e. since well before I received the attached "To Whom It May Concern" letter dated October 28th 2005 from Dr Michael McCavert GP, with finding legal representation regarding, for example, the extant warrant for my arrest which apparently exists in the Republic of Ireland?

Item #4: Communications difficulties with Loughrea District Court Clerk (County Galway, Republic of Ireland) and Judge Geoffrey Browne

I have never received any reply of any kind from anybody connected with Loughrea District Court, or with Judge Geoffrey Browne, to the letter I sent through the registered post on July 9th 2015 to the Clerk of the Court Ms Josie Mulherin and Judge Geoffrey Browne. Item #5: Problems with Old Age Pension and the Discretionary Support Service

It appears that I am being penalised -- albeit unintentionally I imagine -- for wanting to return to my home in the Republic of Ireland. Part of my Old Age Pension has been disallowed, and I have been refused help from the Discretionary Support Service as well, in connection with the way the value of my home in County Galway is being taken into account, while, at the same time, my debts to my brother and half-sister are being completely ignored.

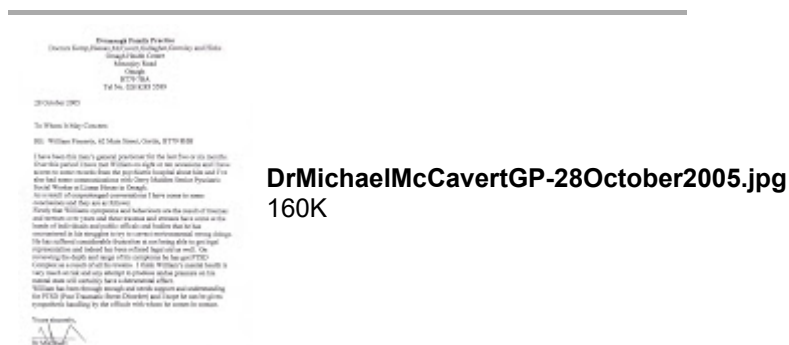

It seems that the **only** way I can remedy this problem is by disposing of my home in the Republic of Ireland, which makes no sense to me, when account is taken of the fact that I wish to return to it.

Assuming that there really is an extant warrant for my arrest in the Republic of Ireland, it appears to me that, if I return to the Republic of Ireland, I can very easily be arrested at any time, imprisoned, criminalised, and possibly fined -- all through the use of a "Trial by Judge" court hearing, i.e. I have been told there is no "**Trial by Jury**" option available to me -- in connection the completely false claim that I have committed crime in the Republic of Ireland.

More information on this set of problems can be found via the email dated July 5th 2017 to the Discretionary Support Commissioner's Office in Belfast at the following www location:
