Dear Colin,

### **RE: "Floating Support from the Welcome Organisation"**

Thank you for your email dated September 20th 2021. An unedited copy of it has been placed at the following www location:

<http://www.humanrightsireland.com/WelcomeOrganisation/20September2021/Gmail.pdf>

My "*present situation*" continues to be as I set it out in the email dated August 24th 2021 which I have sent to **Radius Housing Area Manager Keelan McGaghran**. A slightly edited copy of the August 24th 2021 email in question can be viewed at:

<http://www.humanrightsireland.com/RadiusHousing/24August2021/Gmail.html>

An unedited "Gmail PDF" copy can also be viewed at:

Please know that **Gerald Forrestal** is among those who I listed in the "**Cc:**" list of the email referred to at the two www locations immediately. However, as I have not received any acknowledgement of receipt from Gerard for the August 24th 2021 email in question, I have no way of knowing if it ever reached him. Also, I do not know if you are aware of the contents of my August 24th 2021 email; and consequently, for the purpose of this email at least, I feel I should assume you are not.

If, after you have familiarised yourself with the contents of my May 24th 2021 email (referred to above), you believe the **Welcome Organisation** can help me in any way regarding my "*present situation*" (as referred to above in paragraph 2), it would be much appreciated if you could please let me know.

**Please know that by far the most important form of support I feel I need just now is that of direct access to professional legal advice and representation of the kind which recognises, and properly supports, human rights law in connection with what I believe is my right, under international law, to "AN EFFECTIVE REMEDY" (as referred to in the attachment I am including below with this email) for all of the several extremely serious abuses (and associated problems) that I have been saddled with for well over the 20 years just past, and caused by what my former GP (Dr Michael McCavert) has accurately described as "wrongdoing" at the hands of "individuals and public officials and bodies" in his To Whom It May Concern letter dated October 8th 2005.**

Finally, I feel I should point out to you that I also sent signed printouts -- through the registered post -- of my August 24th 2021 email to **Radius Housing Area Manager Keelan McGaghran**; and, to **The Officer in Charge** at the **Enforcement of Judgements Office**. Scanned copies of the two registered letters in question, together with scanned copies of the associated Post Office receipts, and of the associated Post Office "Proof of Delivery" notes, can be all viewed via the two www addresses provided immediately below.
