For the Attention of the Presiding Judge at:
 The March 28th 2022 High Court Hearing Ref No: 2019/8260P
 C/O Central Office of the High Court
 Ground Floor (East Wing)
 Four Courts
 Inns Quay
 Dublin 7
 Republic of Ireland

Dear Presiding Judge,

Re: Conor MacGuill v Mark Kavanagh, Finbar Markey, William Finnerty and Facebook
(High Court Record No: 2019/8260P, March 28th 2022 High Court Hearing)

Hayes Solicitors, who as I understand it, are acting on behalf of the Plaintiff (Mr Conor MacGuill), have informed me by an email dated March 15th 2022 that the above mentioned case has been adjourned to March 28th 2022. An unedited "Gmail PDF" copy of the March 15th 2022 email in question can be viewed at the following www location: <https://www.humanrightsireland.com/HayesSolicitorsDublin/15March2022/Gmail.pdf>

Please know that it is with regret, and with deep concerns relating to my own personal security and mental health, that I feel I cannot sensibly attend the March 28th 2022 High Court Hearing in the Republic of Ireland for the reasons set out below:

1) I have been living in Northern Ireland since July 2015, and I have reason to believe there is an extant warrant for my arrest in the Republic of Ireland. I sent a registered letter to Chief Commissioner of An Garda Siochana (Republic of Ireland Police Force) Mr. Drew Harris on January 21st 2022 requesting written confirmation relating to this matter, and to date -- some two months later -- I have not received any reply of any kind from him, or from any of his Garda Siochana colleagues. A scanned copy of my January 22nd 2022 registered letter to Mr Harris, together with scanned copies of the Post Office receipt and of the Post Office "Proof of Delivery" note, have all been placed at the following www location: <https://www.humanrightsireland.com/GardaCommissionerDrewHarris/21January2022/RegisteredLetter.htm>

As a direct result of I not receiving any reply from anybody at An Garda Siochana to my January 21st 2022 registered

letter, I sent an email to Republic of Ireland Minister for Justice Ms. Helen McEntee on March 7th 2022, together with a registered letter containing a signed printout of the March 7th 2022 email, which was also sent by me on March 7th 2022. An unedited "Gmail PDF" copy of my March 7th 2022 email to Justice Minister McEntee has been placed at: <https://www.humanrightsireland.com/RepublicOfIrelandJusticeMinisterHelenMcEnteeTD/7March2022/Gmail.pdf>

Although I have received a reply to the correspondence referred to at the www location immediately above from the Justice Minister's Private Secretary, Ms. Emma McHugh, it is my understanding that Justice Minister McEntee TD feels she has no role to play regarding the unresolved issues I wrote to her about in my March 7th 2022 email and registered letter, which included mention of the possible extant warrant for my arrest in the Republic of Ireland, and of the legal difficulties of mine relating to the Plaintiff and Hayes Solicitors. An unedited "Gmail PDF" copy of Ms. McHugh's email to me dated March 10th 2022 can be viewed at: <https://www.humanrightsireland.com/RepublicOfIrelandJusticeMinisterHelenMcEnteeTD/10March2022/Gmail.pdf>

However, and as can be seen at the www address immediately above, it appears that Minister for Justice McEntee has encouraged me to **"continue to engage"** with the Court Service, and with An Garda Siochana, which is the main reason I am writing to you just now, and why I am also copying this email to Chief Commissioner of An Garda Siochana Drew Harris and to a few of his Garda Siochana colleagues.

2) I still do not have any direct access to professional legal advice and representation of the kind which recognises and supports human rights law, and constitutional law, in meaningful, practical, and holistic ways. Until I find a solution to this very long standing problem, I feel I cannot personally engage, all by myself, in any court hearings without professional legal advice and preparation, and representation.

Despite my best efforts -- since around Year 2000 -- to find proper professional legal advice and representation, I have not, so far, succeeded in finding any. Additional information relating to this problem can be found in **Section 6** of the registered letter I sent to Chief Garda Siochana Commissioner Harris on January 21st 2022 (referred to above), where, among other things, there is reference to the fact that Northern Ireland Senior Mental Health Social Worker Mr Gerard Madden sent a letter dated **November 7th 2005** to **former Republic of Ireland Minister for Justice Mr Michael McDowell** in which he pointed out that my efforts to secure proper legal representation **"have been thwarted at every turn"**. From my viewpoint at least, this particularly worrying problem has never altered for me, not even in the slightest manner, during the intervening 16 year and 4 month (or so) period of time which has elapsed between November 2005 and now. I feel I should point out that while this lack of proper professional legal advice and representation situation continues to exist, I believe I will never feel safe about actively participating in any court of law proceedings.

3) Despite my best efforts -- also since around Year 2000 -- I have never received any proper medical treatment from the medical profession for the **PTSD** and **C-PTSD** (Post Traumatic Stress Disorder, and Complex-Post Traumatic Stress Disorder) symptoms I suffer from. Additional information relating to this can also be found in **Section 6** of the registered letter I sent to Chief Garda Siochana Commissioner Harris on January 21st 2022 (referred to above). As with the situation relating to I not being able to find proper legal advice and representation, I believe I will never feel safe about appearing in any court of law while the medical profession continues to completely ignore -- with impunity - - the contents, and indeed the very existence, of registered letters of mine of the kind I sent to **Consultant Psychiatrist Dr Paul Bell** on November 3rd 2018. A scanned copy of the letter in question is available for viewing at: <http://www.humanrightsireland.com/ConsultantPsychiatristDrPaulBell/3November2018/RegisteredLetter.html>

4) Based on the contents of the letter I received from Hayes Solicitors dated August 19th 2019, it is my understanding that the Plaintiff feels he is entitled to compensation from me, in connection with an action/s he believes I should have taken while functioning as a **"team leader or moderator"** for the **"Traitor Republic Facebook page"**. A "PDF" copy of the August 19th 2019 Hayes Solicitors letter in question has been placed at: <http://www.humanrightsireland.com/HayesSolicitorsDublin/19August2019/Email.pdf>

Regarding this matter please know that: **a)** I have no recollection of ever being asked to be a moderator for the "Traitor Republic Facebook page" by anybody, and that I don't even know, and never have known, the identity of the person/s responsible for creating and running the page. **b)** If I had been asked, I would have immediately said no, because, among other things, I have never had any training as a moderator on any of the social media platforms, or elsewhere, and consequently I continue to be more or less completely clueless about the overall responsibilities of moderators who undertake such tasks. **c)** I have never received any offer of training for the role of moderator by Facebook. **d)** I have never knowingly worked for FACEBOOK (as I see it), and I have never been involved in communications of any kind with FACEBOOK regarding the possibility of I working for FACEBOOK. **e)** I have never seen any warnings in and around the "Traitor Republic Facebook page" (or any other FACEBOOK page) regarding the possibility that by simply posting on the "Traitor Republic Facebook page", which is all I have ever done or intended to do, it was possible to be deemed a "team leader" and/or a "moderator" -- without being aware of it -- and to possibly end up being sued for damages (as in my case) for failing to perform to some social media "editing standard" which, as far as I know, has not been defined, and which is not available for viewing at any location that I know of.

On August 29th 2019 I sent a letter through the registered post to Mr Cian Clinch (Lawyer) at Hayes Solicitors, a scanned copy of which has been placed at: <http://www.humanrightsireland.com/HayesSolicitorsDublin/29August2019/RegisteredLetter.htm>

As I stated in the letter at the www address immediately above, I believe that somebody, other than myself, created my bogus "positions" as a "team leader" and/or a "moderator" for the "Traitor Republic Facebook page"; and, that the person responsible for doing so was likely to be a "security hacker" of one kind or another. I still believe this to be the case.

I also expressed the belief in the same August 29th 2019 letter that, in the circumstances, **FACEBOOK MANAGEMENT** could, and should, be given the final say regarding the decision to delete the controversial post, or to not delete it, from the "Traitor Republic Facebook page". I also made it clear that I would be entirely happy to along with whatever FACEBOOK MANAGEMENT decided. I had hoped that that would be the end of the whole matter, as far as I was concerned. As things stand just now, I do not understand why that has not been the case. In other words, I do not feel I have any case to answer regarding the way in which it seems that I am apparently being blamed for causing financial losses to the Plaintiff, his law firm, and to clients of his law firm.

Yours sincerely,

William Finnerty.
