To:

Chief Police Commissioner of An Garda Síochana (Republic of Ireland Police Force) Mr Drew Harris
An Garda Síochana Headquarters
Phoenix Park
Dublin 8
Republic of Ireland D08 HN3X.

Dear Chief Garda (Republic of Ireland Police) Commissioner Harris,

RE: WARRANT FOR MY ARREST IN THE REPUBLIC OF IRELAND ISSUED ON JULY 8TH 2015

1) Following a telephone conversation I had with my brother **Mr Gerald Finnerty** on the evening of **July 8th 2015**, it was my understanding that earlier in the day, in connection with what I see as a false claim that on the evening of **July 16th 2014** I committed crime against Loughrea based **Garda (Republic of Ireland Policeman) Brendan Quirke QA 517**, a warrant was issued for my arrest by **Judge Geoffrey Brown** at **Loughrea District Court, County Galway, Republic of Ireland**. Further information relating to this matter can be viewed in the scanned copy of the registered letter I sent to **Ms Josie Mulherin, Clerk of Loughrea District Court**, and to **Justice Geoffrey Brown**, on **July 9th 2015** at the following www location: <http://www.humanrightsireland.com/LoughreaDistrictCourt/9July2015/ScannedRegisteredLetter.pdf>

A scanned copy of the associated Post Office receipt, and of the associated Post Office "Proof of Delivery" note can also be viewed at the address just above. According to the Post Office the registered letter in question was delivered on "13/07/15".

The July 9th 2015 registered letter referred to above was very closely related to an email I sent approximately one hour and 40 minutes earlier on July 9th 2015, and a slightly edited copy of the email in question can viewed at: <http://www.humanrightsireland.com/LoughreaDistrictCourt/9July2015/Email.htm>

Please know that I have never received any reply from Clerk of the Court Ms Josie Mulherin to the above-mentioned registered letter of July 9th 2015, or to the above mentioned July 9th 2015 email. It is however the case that I have indirectly received a number of verbal reports relating to an extant warrant for my arrest in the Republic of Ireland from people other than my brother, and these include, for example, a report I received verbally some months ago from **Mental Health Social Worker Ms Tina Millar (Belfast Health and Social Care Trust)**, who I understand had spoken on the telephone with somebody at Loughrea Garda Station on my behalf and at my request, and that the person she spoke with confirmed there was an extant warrant for my arrest at the time in question.

(2) I have never believed I committed any crime against Garda Brendan Quirke QA 517 on July 16th 2014, and consequently I do not believe there can be any real, truthful evidence in existence which would support such a claim. I have always seen the decision to charge me with a criminal offence as a ploy to discredit me, and to deflect public attention away from the **"wrongdoing"** by **"individuals and public officials and bodies"** of the kind referred to by my former **GP, Dr Michael McCavert**, in his **"To Whom It May Concern Letter"** dated **October 25th 2005**, a scanned copy of which can be viewed at: <http://www.constitutionofireland.com/GerardMadden13December2005/Letter.htm>

3) Garda Brendan Quirke QA 517 visited my home on the evening of July 16th 2014 after I had spoken on the phone to a member of an Garda Síochana at Loughrea Garda Station regarding the fact that somebody had painted black paint over one of the front windows of my home in New Inn, County Galway. The purpose of the black paint seems (to me) to have been to make it impossible for people to read the address of one of my web sites (named <http://www.humanrightsireland.com>) which I had placed on the inside of the window, and which contained information about the world famous **Turoe Stone (circa 150 BC)**, which is arguably the most important piece of ancient Celtic stone-art we know of; and, which had some

months earlier been removed from the local area, where it had stood for many centuries. At the time, very few local people seemed to know that the Turoe Stone had been removed from the local area, and, having only recently heard about it myself, I quickly placed information about this at the <http://www.humanrightsireland.com> website.

More information on the Turoe Stone can be viewed at:
http://homepage.eircom.net/~williamfinnerty/protest/nov21_stone.htm

Additional information on what took place during my meeting with Garda Brendan Quirke QA 517 on July 16th 2014 can be viewed at:
http://www.humanrightsireland.com/GardaSiochanaOmbudsmanCommission/30August2014/Email.htm#SECTION_17

Part of the text at the www location immediately above reads as follows:

Towards the end of a conversation which lasted for approximately 10 minutes or so in New Inn village (County Galway) on July 16th 2014, during which Garda (Police Officer) Quirke QA 517 laughed openly at William Finnerty on a number of occasions (despite a number of peaceful and polite requests from William Finnerty for him to stop doing so), Garda Quirke then eventually informed William Finnerty that everything he (William Finnerty) had said to him was "all bulls**t". William Finnerty then placed a copy of a three-page "marked up" e-mail titled "The present location of the world-famous Turoe Stone?" into Guard Quirke's right-hand shirt pocket in the hope that he would take it back to Loughrea Garda Station and discuss the contents with his colleagues. Guard Quirke responded immediately to this by saying: "That was an assault, and I am going to arrest you for assault": which he did.'

As far as I know, no investigation has ever been carried out by An Garda Siochana regarding the matter of who applied the black paint to the front window of my home, and consequently nobody has ever been charged with any offence in connection with this crime.

4) Some days before the July 8th 2015 court hearing my brother (Mr Gerald Finnerty) suddenly informed me that he had been contacted by lawyer **Mr Brendan Glynn, of the law firm Patrick Hogan & Co**, Ballinasloe, County Galway, who informed him -- without any explanation that I knew of at the time -- that he (Mr Glynn) would not be attending the Loughrea District Court hearing on July 8th 2015 to defend me. On learning of this I hurriedly tried to find another lawyer to represent me at the July 8th 2015 Loughrea District Court hearing. Unable to find an alternative lawyer in the Republic of Ireland to represent me in the short amount of time then available to me, I decided to leave the Republic of Ireland jurisdiction, and to instead seek the legal help I needed in the Northern Ireland jurisdiction.

5) As you will know, in July 2015, the **United Kingdom of Great Britain and Northern Ireland** was part of the **European Union**, and I had hoped that I would be able to find **professional legal advice and representation in Northern Ireland of the kind which recognised and supported human rights law and constitutional law in practical, meaningful, and holistic ways**. It seemed to me, for example, that **Article 47 ("Right to an effective remedy, and to a fair trial"** of the **CHARTER OF FUNDAMENTAL RIGHTS OF THE EUROPEAN UNION** might be ideal for the purpose of dealing with my "arrest warrant situation" in a just manner.

However, and although my efforts to find such legal help in Northern Ireland are still ongoing, it now appears to me to be unlikely -- after **6 years and 6 months or so** of trying my best, but without any success -- that I will ever succeed in finding such legal help in Northern Ireland. A fairly recent outline description on the kind of ongoing difficulties I have been experiencing with finding professional legal advice and representation here in Northern Ireland can be viewed in the unedited "Gmail PDF" copy of my email dated December 6th 2021 to **Case Officer Daniel Mc Laughlin – Professional Conduct Department**, and to **John Mackell, Director of Client (Solicitor) Complaints, at The Law Society of Northern Ireland** at:
<http://www.humanrightsireland.com/NorthernIrelandLawSociety/6December2021/Gmail.pdf>

On **November 2nd 2021**, and in the hope that he might be able to help me in some way, I also sent a registered letter to **UK Prime Minister Boris Johnson MP** for the purpose of trying to communicate to him (and others) the very long-standing difficulties I have been experiencing with finding professional legal advice and representation of the kind I believe I need. A scanned copy of the letter, together with scanned copies of the associated Post Office receipt and "Proof of Delivery" note, can be viewed at:
<http://www.humanrightsireland.com/UKPrimeMinisterBorisJohnsonMP/2November2021/RegisteredLetter.htm>

To date I have not received any reply of any kind from UK Prime Minister Johnson MP-- not even an acknowledgement of receipt -- and consequently I have no way of knowing if he is in any way aware of the letter I sent to him through the registered post on November 2nd 2021.

6) The main reason I am writing to you just now is to ask you, if you would please, to arrange for me to be provided with **some tangible evidence** which clearly shows that **1) a warrant for my arrest in the Republic of Ireland really does exist, and 2), if it does exist, that it is an existing warrant at the present time**. Should it be that there is an extant warrant for my arrest in the Republic of Ireland at the present time, I now feel I will need to soon take steps to deal with it through people in the Republic of Ireland, and any guidance you might be able to let me have regarding this would be much appreciated.

In connection with the fact that I suffer with **PTSD and C-PTSD (Post Traumatic Stress Disorder and Complex-Post Traumatic Stress Disorder)** symptoms please know that, from my viewpoint at least, consultant psychiatrist Dr Paul Bell and his mental health colleagues in the medical profession nevertheless still appear (to me) to be completely ignoring the existence of the registered letter I sent to him through the registered post on **November 3rd 2018**. Consequently, I now believe there is very little chance of I ever receiving any proper medical treatment from a suitably experienced psychiatrist or

psychologist for the PTSD and C-PTSD injuries I suffer from. A scanned copy of my November 3rd 2018 registered letter to Dr Bell, together with scanned copies of the Post Office receipt, and of the "Proof of Delivery" note can be viewed at: <http://www.humanrightsireland.com/ConsultantPsychiatristDrPaulBell/3November2018/RegisteredLetter.html>

Evidence of the existence of my PTSD/C-PTSD injuries can be viewed in the scanned copy of the **"To Whom It May Concern"** letter written by Dr Michael McCavert GP, dated **October 25th 2005**, at the www location immediately below. <http://www.constitutionofireland.com/GerardMadden7November2005/Letter.htm>

Also at the www location immediately above there is a scanned copy of a letter dated **November 7th 2005** written by **Northern Ireland Senior Mental Health Social Worker Mr Gerard Madden**, to the then **Republic of Ireland Minister for Justice Michael McDowell TD**, which contains reference to the fact that my efforts to secure proper legal representation **"have been thwarted at every turn"**. This thwarting of my efforts to get proper legal representation has not changed for me since 2005; and, it is also the case that my efforts to get proper medical treatment for my PTSD problems have also **"been thwarted at every turn"**. From my viewpoint the legal profession, and the mental health branch of the medical profession, have throughout appeared to me be working hand-in-hand together with each other for the purpose of covering up what Dr McCavert GP has referred to in his October 25th 2005 letter as wrongdoing **"at the hands of individuals and public officials and bodies"**, which I have been at the receiving end of for a continuous period of well over twenty years up to now, and still without any sign of an "effective remedy" in sight for me.

Information relating to my concerns about the wrongdoing I continue to try to expose, which includes what I see as a number of **likely violations of the constitution of the Republic of Ireland (Bunreacht na hEireann)**, by the **Government of the Republic of Ireland**, can be found via the following www address: <http://www.humanrightsireland.com/NorthernIrelandLawSociety/6December2021/Gmail.html#ExtantWarrant>

7) I feel I should point out that I am now under considerable pressure to find a timely and meaningful **"effective remedy"** to my **"legal and medical problems"** by virtue of a potentially life-threatening prostate problem. Evidence of this can be viewed in the scanned copy of a letter dictated on December 19th 2021 by **Belfast City Hospital Consultant Mr David Connolly (Urologist)** at: <https://www.humanrightsireland.com/BelfastCityHospital/19December2021/Letter.htm>

I have been delaying surgery for this prostate problem since **2008**, largely on account of the way that some very senior members of the mental health section of medical profession appear to me to be in a position to commit what I see as serious forms of wrongdoing against me connected with their tacit support relating to certain **"DUTY OF CARE"** and **"DUE PROCESS"** issues, and which they appear to me to be able to do with impunity: as evidenced for example by the way that consultant psychiatrist Dr Paul Bell and his colleagues continue to act -- from my viewpoint at least -- as though I never even wrote the letter I sent to Dr Bell through the registered post on November 3rd 2018 (referred to above in Section 6).

8) Also, my deep reservations regarding the matter of I submitting myself for prostate surgery are being added to in major ways by the fact that, as far as I know, **I can be evicted at very short notice from the address I am at resent living at in Belfast**. Evidence of this set of unresolved problems can be viewed in the scanned copy of the letter dated May 18th 2021 I have received from Babingtons Solicitors at:

<http://www.humanrightsireland.com/BabingtonsSolicitors/18May2021/Letter.htm>
and,

in the scanned copy of the letter dated August 16th 2021, which I have received at the address I am still living at, from the **Belfast Enforcement of Judgments Office** at: <http://www.humanrightsireland.com/EnforcementOfJudgementsOffice/16August2021/Letter.htm>

This unresolved eviction problem of mine has arisen as a direct result of the fact that law firm **Patrick Hogan & Co** (referred to above in Section 4) refused -- for some reason unknown to me -- to secure loans against my home in the Republic of Ireland which I arranged (sometime around 2007) to receive from my brother (Mr Gerald Finnerty) and my half-sister (Ms Marjorie Dolan, who died in February 2021). Additional information relating to this situation can be found in the scanned copy of a registered letter I sent to lawyer Brendan Glynn at:

<http://www.humanrightsireland.com/LawyerBrendanGlynn/12October2020/RegisteredLetter.htm>

A **"To Whom It May Concern"** letter dated **December 25th 2019** relating to the loans against my home in New Inn, signed by my brother and my late half-sister, can be viewed in the **"ATTACHED"** document of the email at: <http://www.humanrightsireland.com/RadiusHousing/17June2020/Gmail.html>

Although lawyer Brendan Glynn did offer to legally secure the loans against my home in 2019, apart from coming 12 years too late, the arrangement Mr Glynn offered in 2019 required me to have independent professional legal representation in Northern Ireland, which I did not have, and which I still do not have.

9) There is another legal problem for me in the Republic of Ireland in that every five months or so, for the past few years, I have been receiving emails and/or letters via my Galway address, from **Hayes Solicitors in Dublin** who are acting on behalf of a Republic of Ireland lawyer named **Connor MacGuill**. Mr MacGuill, and **Hayes Solicitors** apparently, believe he is entitled to claim damages from me in connection with alleged wrongdoing being committed against him, and which he believes I, together with others, are, or have been, subjecting him to.

More information on this matter can be viewed at:

<http://www.humanrightsireland.com/ChiefJusticeFrankClarke/4October2021-RL/RegisteredLetter.htm>
(Re: **Conor MacGuill v Mark Kavanagh, Finbar Markey, William Finnerty and Facebook**)

The scanned copy of a related letter I sent to Republic of Ireland Chief Justice Frank Clarke on October 4th 2021 can be

viewed at the www address immediately above, which I sent to him in the hope that he might have this matter looked into by somebody.

10) Assuming it exists, I look forward to hearing from you regarding my request for tangible evidence of the arrest warrant referred to above, which I understand was issued on July 8th 2015; and, if it is an existing warrant, information from you, or from one of your Garda colleagues, as to how I might best go about dealing with it: having due regard for the fact that I am still living in Northern Ireland at an address from which I can be evicted from at very short notice I suspect; still without any direct access to professional legal advice and representation of the kind which recognises and supports human rights law and constitutional law in practical, meaningful, and holistic ways; and, in addition, that I am still without any proper professional medical treatment for the PTSD / C-PTSD type injuries I am suffering from.

Yours sincerely,

William Finnerty.
