**RE: YOUR DRAFT "2ND OPINION" ASSESSMENT EMAILED TO ME BY MS YVONNE McCAMBLEY ON SEPTEMBER 28th 2018**

Thank you for your draft "2nd opinion" assessment based on my hour long appointment with you on August 29th,

which I received on September 28th. It seems that Yvonne McCambley (Medical Secretary) had earlier sent me letters that I never received. As I felt I needed more time to consider the contents of your draft assessment, I emailed Yvonne McCambley early on October 1st regarding this matter. A copy of my October 1st email to Yvonne McCambley can be viewed at the following www location:

<http://www.humanrightsireland.com/ConsultantPsychiatristDrPaulBell/1October2018/Gmail.pdf>

Due to the 60 minute time restriction of my August 29th appointment with you, there were a number of issues connected with my situation which I was unable to relate to you during the appointment, which are not mentioned in your draft assessment, and which I suspect you may be unaware of. With this in mind, I now wish to respond, in an overall way, to your "2nd opinion" draft assessment as set out in the following list:

**1)** For several years now I have owned my own home ("St Albans") in the Republic of Ireland (in the village of New Inn, County Galway), and I wish to be able to return to live in it. The home of my brother (Gerald Finnerty), and the home of my half-sister (Marjorie Dolan) are both located in the same village. On account of the difficulties I ran into with "public officials and bodies" immediately after I returned to live in Galway in 1998, and the fact that there were some fairly small jobs that needed doing in my own home before I moved in, such as carpet laying for example, I never actually did move in; and, instead stayed in my brother's home on what I believed would be a short-term temporary basis. In the meantime, and as a result of having to live in "forced exile" for several years between then and now, because that was the only way I could avoid being corruptly criminalised in the Republic of Ireland, my home in New Inn has since gone derelict, and it will require a considerable sum of money to make it habitable again.

Also, and allowing for the fact my older brother has had a number of medical problems in recent years, which have involved hospitalisations, I would like to be able to go to see him (and my half-sister) in the Republic of Ireland: without having to run the risk of being arrested and imprisoned in connection with false claims that I have committed crime in the Republic of Ireland. (Please know that I do not have any criminal convictions from any of the several different jurisdictions I have lived in.)

I have not seen my brother or half-sister since the early part of July 2015, and I do not know when, if ever, I will see them again: having due regard for the unresolved problems relating to my present legal situation, as referred to below.

When I came to Northern Ireland in July 2015 it was my belief that, under the terms of **Article 18 ("The right to asylum")** of the **CHARTER OF FUNDAMENTAL RIGHTS OF THE EUROPEAN UNION**, I would be able to receive the professional legal help I needed in order to return safely to the Republic of Ireland, within a few weeks, or at most a few months. Further information relating to this belief of mine, and the people I tried to communicate with regarding it, can be found in the copy of the email dated July 28th 2015 at:

<http://www.humanrightsireland.com/UnitedNations/28July2015/Email.htm>

Some information relating to the severe difficulties that followed my efforts to find professional legal help in Northern Ireland since July 2015 can be found in the scanned copy of the registered letter I sent to **Mr John Mackell** at the **Northern Ireland Law Society** on January 28th 2017 at:

<http://www.humanrightsireland.com/NorthernIrelandLawSociety/28January2017/ScannedRegisteredLetter.htm>

Please know that the core difficulties referred at the www location immediately above remain unresolved for me.

=== === ===

**2)** As far as I know, there is still an extant warrant for my arrest in the Republic of Ireland which I understand was issued on July 8th 2015. I sent an email regarding this matter to Ms Josie Mulherin, Clerk of Loughrea District Court (County Galway) on July 9th 2015, a copy of which can be viewed at:

<http://www.humanrightsireland.com/LoughreaDistrictCourt/9July2015/Email.htm>

Please know that the email at the above www address was copied to several "public officials and bodies" other than Ms Josie Mulherin. In addition, I sent a signed printout of this email through the registered post to Ms Mulherin, also on July 9th 2015. A scanned copy of the registered letter, together with scanned copies of the associated Royal Mail post office receipt, and the Royal Mail "Proof of Delivery Note" can be viewed at:

<http://www.humanrightsireland.com/LoughreaDistrictCourt/9July2015/ScannedRegisteredLetter.pdf>

To date, I have never received any reply of any kind from anybody to either the July 9th 2015 email, or to the associated July 9th 2015 registered letter referred to in the paragraph immediately above. Consequently, I have no way of knowing if they were received by the people I tried to send them to. More importantly, I still do not have any tangible evidence of the existence of an extant warrant for my arrest in the Republic of Ireland, which is making it difficult for me to get legal representation here in Northern Ireland, as I have related to Ms Louise Arthurs (Lawyer) at the Belfast Branch of the Northern Ireland Law Centre in my August 4th 2017 email to her at:

<http://www.humanrightsireland.com/TheNorthernIrelandLawCentre/4August2017/Gmail.html>

=== === ===

**3)** There is no reference in your "draft assessment" of the **letter I sent to you through the registered post on**

**August 17th 2018**, and as far as I can recall, you did not mention it to me when I saw you during my appointment with you on August 29th. Consequently, I do not know if you have received this registered letter. If you have not received it, please know that a scanned copy of it, together with scanned copies of the associated Post Office receipt and the Royal Mail "Proof of Delivery Note" can be viewed at:

<http://www.humanrightsireland.com/ConsultantPsychiatristDrPaulBell/17August2018/RegisteredLetter.html>

Also at the www address immediately above, there is a scanned copy of a "**To Whom It May Concern**" letter dated **October 28th 2005** written by my former GP, **Dr Michael McCavert**, which contains a reference to **Senior Psychiatric Social Worker Gerry Madden**, who I have referred to below.

=== === ===

4) I have long believed that the ongoing mental torture I feel I have been put through for the past **20 years** or so is in large part a product of what I see as the "**Republic of Ireland's judicial corruption problem**", which I have referred to in the text of my August 17th registered letter to you (referred to in 3 above). As you can see, the piece of text in question contains a link to an email I sent to the **Northern Ireland Justice Department** dated August 8th 2018, in which I outlined several parts of the overall "**WRONGDOING BY PUBLIC OFFICIALS AND BODIES IN THE REPUBLIC OF IRELAND**". A copy of the August 8th 2018 email can be viewed at:

<http://www.humanrightsireland.com/NorthernIrelandJusticeDepartment/8August2018/Gmail.html>

An important aspect (for me) of the "**Republic of Ireland's judicial corruption problem**" is that I have never been able to find any professional legal representation in the Republic of Ireland which recognises and supports (in practical ways) what I see as certain crucially important parts of the **Constitution** (i.e. the **SUPREME LAW**) of the **Republic of Ireland**, which is also known as "**Bunreacht na hEireann**". Among the most important of the parts which I believe are being all too often violated is **Article 6.1**, which reads (in full) as follows:

***"All powers of government, legislative, executive and judicial, derive, under God, from the people, whose right it is to designate the rulers of the State and, in final appeal, to decide all questions of national policy, according to the requirements of the common good."***

The above statement has always appeared to me to be powerfully representative, and supportive of, what many now regard as the best definition there is of what a modern, genuinely democratic, republican government should be, as defined by former President of the Republic of the United States of America **Abraham Lincoln**, using the words ***"government of the people, by the people, for the people"***.

The first "hard evidence" of the Article 6.1 violations I came across involved plans for a large rubbish dump in **Kilconnell** (East County Galway), which was later constructed and opened (only to be mysteriously shut down not all that long afterwards), and which is located a few miles from my home in the village of **New Inn**. Further information relating to this matter can be found in my **Appeal** dated **February 21st, 2004** (Reference PL 07 205181) to **An Bord Pleanala** (The Republic of Ireland's Planning Board) referred to at the following www location:

<http://www.finnachta.com/BordPleanalaAppeal.htm>

A second element of the "**Republic of Ireland's judicial corruption problem**" relates to the policing and enforcement of human rights law. This same difficulty also appears (to me), based on my own personal experiences, to be something of a problem in Northern Ireland, and in England as well. Information relating to some of the more recent of my particular difficulties relating to this matter can be viewed in the email I sent to the Belfast Branch of the **Northern Ireland Law Centre** on August 4th 2017, a copy of which can be viewed at:

<http://www.humanrightsireland.com/TheNorthernIrelandLawCentre/4August2017/Gmail.pdf>

Additional information relating to earlier human rights law difficulties I have experienced, which include some I encountered in England during the UK Premiership of **Tony Blair**, appears in the copy of the email titled "**Aiding and abetting government crime with impunity**" which I sent to former Republic of Ireland Prime Minister **Enda Kenny TD** on July 27th 2012. The email copy in question can be viewed at:

<http://www.humanrightsireland.com/PrimeMinisterEndaKennyTD/27July2012/Email.htm>

A third element of the "**Republic of Ireland's judicial corruption problem**" relates to violations of the international **United Nations Aarhus Convention**, which I tend to think of as a very important part of human rights law, and which, it appears to me, provides huge potential for local communities to protect their local environments. More information on this subject can be found in the email I sent to **Gerry Madden** (referred to in Section 3 above) on March 28th 2008, which was titled "**Making SMITHEREENS of the UN AARHUS CONVENTION AGREEMENT**". A copy of the email in question can be viewed at:

<http://www.humanrightsireland.com/GerardMadden/28March2008/Email.htm>

You may wish to note that copies of the email at the www address just above were also sent to, among others, several senior politicians and lawyers, using the same email; and, that a signed printout of it was sent to Dr Michael McCavert GP (referred to in Section 3 above) through the registered post, also on March 28th 2008.

The first environmental issue to concern me when I returned to retire (from working freelance in the electronics industry) in New Inn involved a plan by Galway County Council to locate a "Super Dump" close to the world famous **Turoe Stone**, which, is (or was? -- I'm not sure where the Turoe Stone is at the present time?) located a few miles from my home; and, which is as far as I know, the most important piece of ancient Celtic stone-art in the world. More information relating to the Turoe Stone, the planned Super Dump close to it (which did not get built -- at least not yet as far as I am aware), and plans for a new road through the **Turoe / Knocknadala** area (which has since been constructed), can be found via the six www locations provided immediately below.

The second environmental issue to concern me when I returned to retire in New Inn (East County Galway) in 1998 involved unlawful discharges of raw sewage into the river running through the centre of New Inn village, 60 yards or so upstream from the pumping station for the local community water supply. There were a number of different sources, and they included the local Primary School, and the local Secondary School.

5) For the time being at least, and following a lengthy period of careful consideration, I have decided it would probably be best for me to avoid taking the medications (Sertraline and Olanzapine) which you have suggested I consider. This is partly because of concerns relating to the associated side-effects I have read about, and partly because I have had some very bad experiences in the past with medications in this category. I have been completely free of such medications for many years now, and I would prefer not to get involved with them again if possible. Also, deep down, and for many years now, I feel I am far more in need of professional legal representation of the kind which recognises and supports (in practical ways) constitutional law and human rights law, than I am of psychiatric type medications.

Nonetheless, if at any time in the future I feel the **C-PTSD** (Complex Post Traumatic Stress Disorder) / **PTSD** (Post Traumatic Stress Disorder) PTSD type symptoms I suffer from become too much for me to cope with, without the help of psychiatric medications, it is my intention to ask Dr David Cheyne GP, my present GP, to provide me with a prescription for the Sertraline and Olanzapine drugs you have kindly informed me about.

The C-PTSD / PTSD type symptoms I am suffering from are, as I see things, the direct result of being at the receiving end -- for the past 20 years or so -- of what I have come to see and to think of as a combination of **"government corruption, crime, cover ups, bullying, and impunity"**. Additional information regarding my beliefs, feelings, and personal experiences relating to this combination of socially destructive forces (as I see them) can be found via the Google listing provided just below.

6) I believe I would benefit from "talking therapy" with a professional therapist at the present time: provided the therapist recognised and was supportive of (in practical ways) the principles set out in the **CHARTER OF FUNDAMENTAL RIGHTS OF THE EUROPEAN UNION** which, as I understand it, came fully into force in December 2009.

In connection with my present situation, Article 47 of this Charter seems particularly important to me, and a slightly edited version of it reads as follows:

"Article 47

**"Right to an effective remedy, and to a fair trial"**

"Everyone whose rights and freedoms guaranteed by the law of the Union are violated has the right to an effective remedy before a tribunal in compliance with the conditions laid down in this Article.

"Everyone is entitled to a fair and public hearing within a reasonable time by an independent and impartial tribunal previously established by law. **Everyone shall have the possibility of being advised, defended and represented.**

"**Legal aid** shall be made available to those who lack sufficient resources in so far as such aid is necessary to ensure effective access to justice."

The full unedited text of the **CHARTER OF FUNDAMENTAL RIGHTS OF THE EUROPEAN UNION** can be viewed at:

<https://eur-lex.europa.eu/legal-content/EN/TXT/PDF/?uri=CELEX:12012P/TXT&from=EN>

===

It is my understanding that the **CHARTER OF FUNDAMENTAL RIGHTS OF THE EUROPEAN UNION** consolidates and enshrines the broad array of rights afforded to citizens of the **European Union**, and that, for people living in the **UK** (i.e. the United Kingdom of Great Britain and Northern Ireland), such rights include those contained in the **UK Human Rights Act 1998**, and in the **European Convention on Human Rights**.

7) I have always totally believed that the October 28th 2005 diagnosis provided by Dr Michael McCavert GP was entirely correct. I included a copy of his diagnosis with the registered letter (referred to in Section 3 above) which I sent to you on August 17th 2018. A scanned copy of Dr McCavert's October 28th 2005 letter can be viewed at: <http://www.humanrightsireland.com/ConsultantPsychiatristDrPaulBell/17August2018/RegisteredLetter.html>

The main reasons I have always believed, and continue to believe, that Dr McCavert's diagnosis is entirely correct are because:

a) Since around Year 2,000 I have constantly been suffering from the set of symptoms listed at the www address immediately below, which are listed under the heading "**Common symptoms of PTSD and Complex PTSD that sufferers report experiencing**" at: <http://bullyonline.org/old/stress/ptsd.htm#Symptoms>

b) While living in Omagh (County Tyrone, Northern Ireland), and with the help of **Senior Psychiatric Social Worker Gerry Madden**, who is mentioned in Dr McCavert's "To Whom It May Concern" letter referred to above, I was provided with disability benefit for C-PTSD on account of the living difficulties I was experiencing at the time, and which have not altered significantly since then.

I believe Gerry Madden was influenced by the fact that I identified very strongly with the contents of an Irish Times Article written by **Psychologist Dr Marie Murray** titled "**Dealing with injustice**", a copy of which he handed me on **April 19th 2006**: particularly the statement "**It is excruciatingly visceral**". A copy of this "Dealing with injustice" publication can be viewed at: <http://www.europeancourtofhumanrightswilliamfinnerty.com/MarieMurray19April2006/IrishTimesArticle.htm>

c) While living in Galway (Republic of Ireland), and in connection with help I received from Republic of Ireland **Consultant Psychiatrist Dr Anne Jeffers**, I was also diagnosed as suffering from C-PTSD, and accordingly provided with disability benefit on account of the living difficulties I was experiencing. Later, the Republic of Ireland authorities informed me they were going to merge these disability payments with my claim for the old age pension (which fell due at a later time); and, for no good reason that I know of, they then went on to refuse to pay me either. For several years following that my brother (Gerald Finnerty) and my half-sister (Marjorie Dolan) paid me my old age

pension, in effect. This is the main reason I needed to start borrowing money from them several years ago against my home in New Inn. Additional information relating to these matters can be found in the email dated September 20th 2013 which I sent to Republic of Ireland **Consultant Psychiatrist Dr Deirdre Hussey** referred to at: <http://www.humanrightsireland.com/DrDeirdreHussey/20September2013/Email.htm>

I feel I should also point out that I have been advised (many months ago) by the **Citizens Advice Bureau in Central Belfast** that I would still be entitled to claim disability allowance in connection with the C-PTSD type symptoms I suffer from. However, I felt it would be futile for me to apply for them in circumstances whereby I did not know what the final outcome was of the several "assessment appointments" I had with **Consultant Psychiatrist Dr Mark McCauley** and **Consultant Psychologist Dr Elizabeth McMonagle** at **Daisy Hill Hospital in Newry** during **2015** and **2016**. I have tried to find out, using the two registered letters I sent to my **former GP, Dr John Radcliffe at Meadowlands Surgery in Newry**, referred to at the www locations just below:

Registered letter dated April 26th 2016:

<http://www.humanrightsireland.com/MeadowlandsSurgery/26April2016/RegisteredLetter.htm>

Registered letter dated August 1st 2016:

<http://www.humanrightsireland.com/MeadowlandsSurgery/1August2016/RegisteredLetter.htm>

Please know that, to date, I have never received any reply of any kind from anybody at Meadowlands Surgery to either of the two registered letters referred to at the two www locations immediately above. Consequently, I have no way of knowing if Dr John Radcliffe GP and his colleagues at Meadowlands Surgery know anything about these two letters.

=== === ===

8) I see **impunity** -- of the kind described in the **United Nations** excerpt just below -- as the main cause of the ongoing set of C-PTSD / PTSD type symptoms I am suffering from; and, for many years now I have also seen it as the main obstacle in the way of my recovery from the set of C-PTSD / PTSD type afflictions I continue to suffer from.

***"Impunity means the impossibility, de jure or de facto, of bringing the perpetrators of violations to account - whether in criminal, civil, administrative or disciplinary proceedings - since they are not subject to any inquiry that might lead to their being accused, arrested, tried and, if found guilty, sentenced to appropriate penalties, and to making reparations to their victims".***

The piece of United Nations text just above has come from the following www location: <http://www.derechos.org/nizkor/impu/principles.html>

This UN document is titled ***"Updated Set of principles for the protection and promotion of human rights through action to combat impunity"***, and as can be seen at the www address immediately above, **Section IV** of this paper is named ***"THE RIGHT TO REPARATION / GUARANTEES OF NON-RECURRENCE"***.

In connection with my strong set of doubts and reservations about presenting myself for surgery regarding my "prostate problem", ***"THE RIGHT TO REPARATION / GUARANTEES OF NON-RECURRENCE"*** have long been very major issues for me. Further information relating to this aspect of my situation can be found in the exchange of letters between myself and **Mr Anthony Glackin MD FRCSI (Consultant Urologist)** referred to at: <http://www.humanrightsireland.com/HSE/14February2017/Letter.htm>

=== === ===

9) Since Dr Michael McCavert GP provided me with his "To Whom It May Concern" letter dated October 28th 2005 (referred to above), there have been two incidents which I view as ***"specific life threatening single traumas"*** of the kind associated with PTSD (Post Traumatic Stress Disorder). Since the first of these occurred, I have believed that I am suffering from both PTSD, and from C-PTSD (Complex-Post Traumatic Stress Disorder). The first of these two incidents, which I related to you on August 29th, and which I think of as my very public ***"Machine Gun Interview"***, happened on Sunday, August 31st 2008. Additional information relating to this can be viewed in the copy of my email to **Maire Nugent (Police Ombudsman's Office, Northern Ireland)** dated September 16th 2008 at: <http://www.humanrightsireland.com/NorthernIrelandPoliceOmbudsman/16September2008/Email.htm>

Within hours of the August 31st 2008 incident referred to just above, I left the Northern Ireland jurisdiction (in haste) and did not return to Northern Ireland again until July 2015, for the reason stated in Section 1) above.

===

The second ***"specific life threatening single trauma"*** occurred for me on **November 16th 2015** at **31 Kilmorey Street, Newry**. Due to the time restrictions relating to my August 29th appointment with you I was unable to inform you regarding this murder attempt incident. Some specific information relating to this matter can be viewed in the copy of the email of mine dated April 14th 2016 to Lawyer Aoife McShane LL.B at: <http://www.humanrightsireland.com/McShaneLawFirmNewry/4April2016/RegisteredLetter.htm>

There is also additional information, of a more general nature, available via the Google listing address immediately below.

**"Murder attempt, 31 Kilmorey Street, Landlord Patsy Heaney, Lawyer Aoife McShane, Northern Ireland Law Society, William Finnerty":**

<https://tinyurl.com/y9a5egra>

As far as I know, nobody has ever been charged with any offence in connection with the murder attempt referred to just above.

=== === ===

**10)** I have long believed that the problem you have mentioned in your draft "2nd opinion" assessment that *"It has been difficult for psychiatrists who have seen him in the past to form a firm diagnosis in relation to any particular mental illness"* can be satisfactorily explained by the text in the *"Differences between mental illness and psychiatric injury"* section of the **BullyOnLine** publication at:

<http://bullyonline.org/old/stress/ptsd.htm#Differences>

For several years now, it has seemed to me that the PTSD / C-PTSD type symptoms I suffer from have far more to do with the psychiatric, financial, and social injuries caused by injustices directly related to the *"government corruption, crime, cover ups, bullying, and impunity"* set of problems referred to in Section 5 above, than they have to do with mental illness.

=== === ===

**11)** A significant proportion of my old age pension has been disallowed because of the fact that **a)** I own my own home in the Republic of Ireland (referred to in Section 1 above), and **b)** that the loans I have received from my brother and half-sister against my home have never been secured against it. I wrote to Catherine Hughes (Manager) at the Northern Ireland Pension Service about this on September 6th 2018. A scanned copy of the registered letter I sent to her, together with scanned copies of the associated Post Office receipt and the Royal Mail "Proof of Delivery" note, can be viewed at:

<http://www.humanrightsireland.com/PensionService/6September2018/RegisteredLetter.html>

**At the present time, the loans I need to pay back to my brother and half-sister amount to a total of approximately 95,000 Euros.**

To date, I have not received any reply from Catherine Hughes, or from any of her colleagues, to the registered letter referred to at the www location immediately above. Consequently, I have no way of knowing if Catherine Hughes is aware of my September 6th 2018 letter to her.

=== === ===

**12)** One of the reasons I have delayed this letter to you is that I have been waiting to see if I received any reply to an email I sent to **Republic of Ireland Chief Police Commissioner Drew Harris** on **October 5th 2018**, which was titled **"A new way to report corruption in the Republic of Ireland"**. A copy of the email in question can be viewed at:

<http://www.humanrightsireland.com/RepublicOfIrelandChiefOfPoliceDrewHarris/5October2018/Gmail.html>

To date, I have not received any reply of any kind from Mr Harris, or from any of his colleagues in An Garda Siochana (Republic of Ireland Police), to the email referred to at the www location immediately above. This leaves me feeling that all such assurances from the Republic of Ireland Government, relating to the tackling of corruption in the Republic of Ireland, are in all probability completely meaningless at the present time.

=== === ===

There are a few things in the draft "2nd opinion" assessment I received from Yvonne McCambley (Medical Secretary) on September 28th which I feel need to be altered. However, and as I see these few things as being relatively unimportant, I feel it is best for me not to try to deal with them in this letter. Instead, I would prefer to very briefly discuss them with you during my next appointment.

Within the coming few days, and partly for the purpose of making it easier for you to access the www links used in this text, I will place a copy of the text of this letter at the following www location:

<http://www.humanrightsireland.com/ConsultantPsychiatristDrPaulBell/3November2018/RegisteredLetter.html>

I will contact Yvonne McCambley (Medical Secretary) within the coming 7 days to arrange another appointment to see you.

Finally, I wish you to know I am hoping that the final version of your "2nd opinion" assessment will contain a direct reference to this registered letter please.

Yours sincerely,

William Finnerty.
